CHAIRMAN'S MESSAGE

Dear Shareholders,

It gives us great pleasure to present the Annual Report for a year that will be remembered as a defining milestone in our corporate journey. The past year has been characterized by strategic transformation, and an unwavering commitment to unlocking long-term value for our stakeholders.

Aligned with our evolving market strategy and foresight, your Board successfully executed the demerger of our Rotational Moulding Business into a new, stand-alone entity: Prima Innovation Limited. Following requisite statutory approvals from the NCLT, this demerger became effective on March 31, 2026. As a result, shareholders have been allotted one fully paid-up equity share of Prima Innovation Limited for every share held in Prima Plastics Limited.

Much like the strategic realignments seen among the industry leaders, this separation is not merely a structural change; it is an evolution. It allows Prima Plastics Limited to streamline our core operations, while giving Prima Innovation Limited the operational agility and dedicated resources required to aggressively pursue growth in the rotational moulding sector. Both entities are now positioned as focused, pure-play businesses, equipped to respond to their unique market dynamics with greater speed and precision. Besides the execution of this corporate restructuring, our underlying business demonstrated remarkable resilience. We maintained our operational excellence, ensuring a seamless transition without disrupting our day-to-day commitments to our customers and partners.

As we step into this new chapter, we want to express our deepest gratitude to our shareholders, statutory authorities, and the entire Prima team for their trust and dedication. We are poised to shape the future of our respective industries, and we look forward to your continued support in this exciting new era.

Mr. Bhaskar M. Parekh
Executive Chairman and
Whole-time Director

Both entities are now positioned as focused, pure-play businesses, equipped to respond to their unique market dynamics with greater speed and precision.

CORPORATE SOCIAL RESPONSIBILITY

At our Company, we believe that integrating social and environmental concerns into our business operations is paramount to sustainable growth. Pursuant to Section 135 of the Companies Act, 2013, read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, your Company remains committed to contributing to the societal and economic development of the communities we operate in. During the financial year, the Company has actively partnered with several reputed non-governmental organizations and institutions to drive meaningful impact across healthcare, heritage preservation, scientific research, and rehabilitation.

Notice of 32nd Annual General Meeting

NOTICE is hereby given that the Thirty Second Annual General Meeting ("AGM") of the members of Prima Plastics Limited ("Company") will be held on Monday, August 10, 2026 at 11:00 A.M. (IST) through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM") facility to transact the following businesses:

ORDINARY BUSINESS:

Item No. 1 - Adoption of financial statements:

To consider and adopt the Audited Standalone and Consolidated Financial Statements of the Company for the Financial Year ended March 31, 2026, the Statement of Profit & Loss and Cash Flow Statement, for the year ended on that date and reports of the Board of Directors ("Board") and Auditors thereon.

Item No. 2 - Declaration of dividend:

To declare a final dividend on equity shares of the Company for the year ended March 31, 2026.

Item No. 3 - Appointment of Mr. Dilip Manharlal Parekh as a Director, liable to retire by rotation:

To appoint a Director in place of Mr. Dilip Manharlal Parekh (DIN: 00166385) who retires by rotation and being eligible, offers himself for re-appointment.

Explanation: Based on the terms of appointment, executive directors and the non-executive non-independent directors are subject to retirement by rotation. Mr. Dilip Manharlal Parekh, Managing Director, whose office of directorship is liable to retire at the ensuing AGM, being eligible, seeks reappointment as a director. Based on the performance evaluation and the recommendation of the Nomination and Remuneration Committee, the Board recommends his re-appointment as a director.

To consider and if thought fit, to pass the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, the approval of Members of the Company, be and is hereby accorded to reappoint Mr. Dilip Manharlal Parekh (DIN: 00166385) as a director, who is liable to retire by rotation."

SPECIAL BUSINESS:

Item No. 4 - Increase the Remuneration of Mrs. Shriya V. Chaudhary, Related Party Transaction

Considering the performance and contribution to the Company, the Management has proposed to increase the existing remuneration of Mrs. Shriya V. Chaudhary, Business Development Manager and daughter of the Managing Director, Mr. Dilip M. Parekh.

To consider and, if thought fit, to pass the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Section 188(1)(f) of the Companies Act, 2013 ("Act") read with the Companies (Meeting of Board and its Powers) Rules, 2014 and other applicable provisions, if any, of the Act and applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 ("Listing Regulations"), including any statutory modification(s) or re-enactment thereof for the time being in force and as may be enacted from time to time, the consent of the members be and is hereby accorded to the revision in the remuneration of Mrs. Shriya V. Chaudhary, daughter of Mr. Dilip M. Parekh, Managing Director of the Company, appointed at office or place of profit in the Company, to a basic salary of ₹39 Lakhs Per Annum plus other allowances and perquisites as per Company policy, with effect from the date of approval of the said remuneration.

RESOLVED FURTHER THAT the Nomination & Remuneration Committee and Board of Directors has the liberty to alter and vary such remuneration from time to time within the given scale of basic salary along with the terms and conditions thereof from the conclusion of 32nd Annual General Meeting till the conclusion of 34th Annual General Meeting and to effect change in designation & responsibility of the person holding office or place of profit in Company.

RESOLVED FURTHER THAT for the purpose of giving effect to the above resolution, the Board of the Company and Company Secretary be and are hereby severally authorized to do all such acts, deeds, matters and things, as may be considered necessary, proper or desirable in the said regard including filing of returns with any authority."

Item No. 5 - Approval for providing Corporate Guarantee under Section 186 of the Companies Act, 2013

Prima Innovation Limited is a Group Company of the Company. To meet its long-term funding requirements for its principal business activities, specifically for its capacity expansion, Prima Plastics Limited opines that it is strategically necessary for the consolidated business growth of the Company. The Board, therefore, recommends the provision of Corporate Guarantee for the approval of the Members.

To consider and, if thought fit, to pass, with or without modification(s), the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to the provisions of Section 186 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), and subject to such other approvals as may be necessary, consent of the Members of the Company be and is hereby accorded to the Board of Directors to provide a corporate guarantee up to a maximum aggregate limit of ₹28.86 Crores (Rupees Twenty Eight Crores and Eighty Six Lakhs only) in favour of Kotak Mahindra Bank Limited to secure the term loan/ working capital facilities availed by Prima Innovation Limited, a group company of the Company.

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorized to negotiate, finalize, and execute the guarantee deed, agreements, and other necessary documents, and to do all such acts, deeds, and things as may be deemed necessary, expedient, or proper to give effect to this resolution."

The record date ("cut-off date") for the purpose of final dividend is Monday, August 03, 2026. The final dividend, if approved by the members in the ensuing AGM, will be paid within 30 days from the date of approval subject to deduction of tax at source, electronically through various permissible online transfer modes to those members who have updated their bank account details. For members who have not updated their bank account details, dividend warrants/ demand drafts/ cheques will be sent to their registered addresses. To avoid delay in receiving dividend, members are requested to update their KYC with their Depository Participant ("DP") (where shares are held in dematerialized mode) and with the Company's Registrar and Transfer Agent ("RTA") (where shares are held in physical mode) to receive dividend directly into their bank account on the pay-out date.
12. Pursuant to Income-Tax Act, 2025, as amended, and Finance Act, 2020, and amendments thereof, dividend income is taxable in the hands of the members and the Company is required to deduct TDS from dividend paid to the members at rates prescribed in the Income-Tax Act, 2025. For Resident members, TDS shall be deducted under Section 194 of the Income-Tax Act, 2025 @10% on the amount of Dividend declared and paid by the Company during the financial year 2026-27, provided PAN is provided by the member. If PAN is not submitted to the Company/ RTA (in case shares are held in physical mode)/not updated in their demat account (in case shares are held in demat mode) / PAN is not linked with Aadhaar, TDS would be deducted at a rate of 20% as per Section 206AA of the Income-Tax Act, 2025. However, no TDS shall be deducted on the Dividend payable to a resident Individual if the total dividend received/to be received during the financial year 2026-2027 does not exceed ₹10,000. Non-resident members can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits. Members may download and submit the aforementioned documents on the website of the RTA viz. <https://www.bigshareonline.com/index.aspx> and by sending an email to RTA at investor@bigshareonline.com on or before Monday, August 03, 2026 in order to enable the Company to determine and deduct appropriate tax. No communication on the tax determination/deduction shall be entertained post Monday, August 03, 2026. It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details/documents from the members, there would still be an option available with the members to file the return of income and claim an appropriate refund, if eligible. TDS certificates in respect of tax deducted, if any, will be sent to the shareholders at their registered email addresses. Shareholders can also check their tax credit in Form 26AS from the e-filing account at <https://www.incometax.gov.in/iec/foportal> or "View Your Tax Credit" on <https://www.tdscpc.gov.in>.
13. Members are requested to address all correspondences, including dividend related matters to RTA, Bigshare Services Private Limited, Unit: Prima Plastics Limited, Office No S6-2, 6th floor Pinnacle Business Park, Next to Ahura Centre, Mahakali Caves Road, Andheri (East) Mumbai - 400093, India.
14. Members are requested to note that, dividends, if not encashed for a period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). Further, all the shares in respect of which dividend has remained unclaimed for 7 consecutive years or more from the date of transfer to unpaid dividend account shall also transferred to IEPF demat account. In view of this, members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/ shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web based Form No. IEPF-5 available on www.iepf.gov.in. For Instructions regarding the same, please refer to <https://www.iepf.gov.in/content/dam/iepf/pdf/iepf-forms/kit-IEPF-5-20251017.pdf>
15. In terms of Regulation 40 of the Listing Regulations, securities of listed companies can only be transferred in dematerialized form with effect from April 01, 2019. Accordingly, Members holding shares in physical form are advised to dematerialize their shares.

16. Members are requested to intimate changes, if any, pertaining to their name, address, e-mail address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, etc., to their DP if the shares are held by them in dematerialized form and to RTA if the shares are held by them in physical form.
17. The Securities and Exchange Board of India (SEBI) vide its Circular No. SEBI/HO/MIRSD/DOP1/ CIR/P/2018/73 dated April 20, 2018 has mandated registration of Permanent Account Number (PAN) and Bank Account details for all securities holders. Members holding shares in physical form are therefore, requested to submit their PAN and Bank Account details to company or its RTA by sending a duly signed letter along with self-attested copy of PAN Card and original cancelled cheque. The original cancelled cheque should bear the name of the Member. In the alternative, Members are requested to submit a copy of bank passbook/ statement attested by the bank. Members holding shares in Demat form are requested to submit the aforesaid information to their respective Depository Participant. The shareholders holding shares in physical form can register their nomination by sending request to the RTA of the Company.
18. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said form can be downloaded from <https://primaplastics.com/cdn/shop/files/form-no-sh-13.pdf?v=3611659177259263643>. Members are requested to submit the said details to their DP in case the shares are held by them in demat form and to RTA in case the shares are held in physical form.
19. The recorded transcript of the AGM shall be made available on the website of the Company at www.primaplastics.com as soon as possible after the conclusion of AGM.

PROCESS FOR DISPATCH OF ANNUAL REPORT AND REGISTRATION OF E-MAIL ID FOR OBTAINING COPY OF ANNUAL REPORT OF THE COMPANY:

1. The aforesaid Circulars have granted exemption to the companies from printing and dispatching physical copies of Annual Reports for events till September 30, 2026, thereby allowing the companies to send Annual Reports by e-mail. Accordingly, the Annual Report of the Company for the financial year 2025-26 is being sent only through e-mail to those Members whose e-mail addresses are registered with the Company/ DPs.
2. In accordance with Regulation 36(1)(b) of the Listing Regulations, the Company will send letters to the Members, who have not registered their email IDs, informing them that the Annual Report is available on the Company's website at <https://primaplastics.com/pages/financial-reports#annual-reports>.
3. Members may also note that the Notice of the 32nd AGM and the Integrated Annual Report 2025-26 will also be available on the Company's website at www.primaplastics.com, website of the Stock Exchange, i.e., BSE Limited at www.bseindia.com and on the website of CDSL at www.evotingindia.com.
4. Members who have not yet registered their e-mail address with the Company/ RTA or with their respective DP are requested to register the same with their DPs in case the shares are held by them in demat form and with RTA in case the shares are held by them in physical form.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

The following Explanatory Statements, as required under Section 102(1) of the Companies Act, 2013 ("Act") and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"), set out all material facts relating to the businesses proposed to be transacted under Item No. 4 & 5 of the accompanying Notice dated May 20, 2026.

Item No. 4 - Increase the Remuneration of Mrs. Shriya V. Chaudhary, Related Party Transaction

Section 188(1) of the Act provides that no company shall enter into any contract or arrangement with a related party except with the consent of the Board of Directors given by a resolution at the meeting of the Board of Directors. Such Related Party Transactions also includes appointment of related party to any office or place of profit in the Company, its subsidiary company or associate company.

Further, it also states that if such related party transaction exceeds certain limits, the same needs to be approved by the approval of the shareholders at the General Meeting.

Mrs. Shriya V. Chaudhary, daughter of Promoter and Director Shri Dilip M. Parekh, is the Business Development Manager of the Company and is currently drawing ₹13 Lakhs Per Annum with other allowances and perquisites as per the company policy.

The Nomination and Remuneration Committee of the Company and Board has approved and recommended to increase the remuneration from ₹13 Lakhs Per Annum to ₹39 Lakhs Per Annum with other allowances and perquisites as per the Company's policy subject to approval of shareholders at the ensuing Annual General Meeting.

Details required as per Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 are given below:

- a) Name of the related party: Mrs. Shriya V. Chaudhary
- b) Name of the director or key managerial personnel who is related, if any: Shri Dilip M. Parekh
- c) Nature of relationship: Father
- d) Nature, material terms, monetary value and particulars of the contract or arrangements:

Increase in remuneration from ₹13 Lakhs Per Annum to ₹39 Lakhs Per Annum plus other allowances and perquisites as per company policy with effect from the date of approval of shareholders.

As per Section 188(1)(f) of the Act and Rule 15 of the Companies (Meeting of Board and its Powers) Rules, 2014, your Directors recommend the resolution for your approval.

Item No. 5 - Approval for providing Corporate Guarantee under Section 186 of the Companies Act, 2013

Prima Innovation Limited ("PIL") is primarily engaged in rotational moulding business. To fund its capacity expansion, PIL has obtained a loan of ₹29.61 crores from Kotak Mahindra Bank Limited. Prima Plastics Limited ("PPL"), being a group company has agreed to provide a Corporate Guarantee on behalf of PIL up to ₹28.86 crores. Providing this Corporate Guarantee would enable PIL to secure a funding.

Under Section 185(2) of the Act, a company may give a guarantee or provide security in connection with a loan taken by any person in whom any of the directors of the company is interested, subject to the passing of a Special Resolution by the shareholders. Certain Directors of the Company are on the Board of PIL. The Board of Directors explicitly confirms that the loans/financial facilities secured by this guarantee shall be utilized by PIL strictly for its principal business activities, in compliance with the proviso to Section 185(2).

Further, PIL is a 'Related Party' of the Company. The Audit Committee, at its meeting held on May 20, 2026, reviewed the proposal and noted that the issuance of the Corporate Guarantee is on an arm's length basis and is in the ordinary course of business. As the value of the transaction may exceed the materiality threshold under Regulation 23 of the SEBI Listing Regulations, it is placed before the shareholders for approval.

Name of the Related Party	Prima Innovation Limited
Name of the Directors interested	Mr. Bhaskar M. Parekh and Mr. Dilip M. Parekh, who are common directors/ shareholders in both entities.
Nature of Relationship	Group Company
Nature, Material terms, and Particulars of the Arrangement	Issuance of an unconditional and irrevocable Corporate Guarantee up to a maximum aggregate limit of ₹28.86 Crores in favour of PIL to secure the Loan facilities.
Financial Impact on the Company	The guarantee will be recorded as a Contingent Liability in the financial statements of the Company. There will be no cash outflow or impact on the profit and loss account.

For the purpose of enabling the Members to make an informed decision, the following specific disclosures are made:

The Board, therefore, recommends the Special Resolution set out at Item No. 5 of the Notice for the approval of the Members.

Except Mr. Bhaskar M. Parekh and Mr. Dilip M. Parekh and their relatives, none of the Directors, Key Managerial Personnel (KMP) of the Company, or their relatives are, in any way, concerned or interested, financially or otherwise, in this resolution.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Prima Plastics Limited, having CIN: L25206DD1993PLC001470 (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2026 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31st March, 2026 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; and
 - c) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.

As per the representations made by the management and relied upon by us, during the period under review, provisions of the following regulations were not applicable to the Company:

- i. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of External Commercial Borrowings;
- ii. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

 - c) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021
 - e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013; and
 - f) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards 1 & 2 issued by the Institute of Company Secretaries of India under the Companies Act, 2013.
- ii. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. to the extent applicable.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors, if any, that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through and as informed, there were no dissenting members' views and hence not recorded as part of the minutes.

We further report that as per the explanations given to us in the representations made by the management and relied upon by us there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

As per the explanations given to us in the representations made by the management and relied upon by us, we further report that, during the audit period, there were no other specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc., having a major bearing on the Company's affairs except following:

- 1) The Board of Directors of the Company, at their meeting held on 12th November, 2024 and on basis of the recommendations of the Audit Committee and Committee of Independent Directors, has approved the Scheme of Arrangement ("Scheme") amongst the Company ("Prima Plastics Limited" / "PPL" / "Company" / "Demerged Company") and Prima Innovation Limited ("PIL" / Resulting Company") (a wholly owned subsidiary of PPL, which was incorporated on 20th June, 2024) and their respective shareholders and creditors, providing for the demerger of the Company's Rotational Moulding Business (as defined in the Scheme) to PIL ("Proposed Transaction") in compliance with Sections 230 to 232 and other applicable provisions of the Companies Act, 2013.

The Scheme of Arrangement amongst Prima Plastics Limited and Prima Innovation Limited and their respective shareholders and creditors under Sections 230 to 232 read with the other applicable provisions of the Companies Act, 2013 ("the Scheme") has been sanctioned by the Hon'ble National Company Law Tribunal, Ahmedabad Bench ("NCLT") vide Order dated 16th March, 2026.

The Company has decided to fix March 31, 2026 as the effective date of the Scheme.

1. CONSERVATION OF ENERGY

A. Our Commitment and Certifications

Prima remains steadfast in its commitment to sustainable operations and environmental stewardship. The Company's environmental and quality management frameworks are certified under ISO 14001:2015 (Environmental Management Systems) and ISO 9001:2015. We continuously integrate energy conservation practices across all manufacturing cycles and broader operational areas.

B. Steps Taken for the Conservation of Energy:

- Technological Upgrades: Systematic phase-out of legacy machinery, replacing it with advanced, energy-efficient technology to optimize power usage.
- Employee Engagement: Implementation of organization-wide awareness initiatives to foster a culture of resource optimization and minimize energy wastage.
- Process Optimization: Continuous monitoring and deployment of best practices to drive down overall energy consumption across all facilities.

C. Steps Taken for Utilizing Alternate Sources of Energy:

As part of our strategic shift toward renewable energy, the Company has successfully commissioned a rooftop solar power installation at the Daman Plant to reduce reliance on conventional grid power.

2. TECHNOLOGY ABSORPTION

A. Efforts made towards technology absorption:

The Company continuously integrates advanced technologies to enhance existing product lines and drive new product development. Our Injection Moulding Division houses a dedicated Research & Development (R&D) team that consistently explores innovative designs, manufactures specialized precision moulds, and pioneers the conceptualization of new products.

B. Benefits derived like product improvement, cost reduction, product development, or import substitution:

These dedicated R&D and technological efforts have yielded the following strategic benefits:

- Continuous enhancement of product quality and design.
- Significant optimization of operational and manufacturing costs.
- Increased machine efficiency and overall capacity utilization.
- The ability to deliver a diverse portfolio of customized solutions, which has driven strong demand in export markets and unlocked new avenues for business expansion.

C. Details of Imported Technology:

The Company has not imported any technology during the financial year under review. All technological advancements and R&D activities were executed indigenously.

Management Discussion & Analysis Report

GLOBAL ECONOMY AND OUTLOOK

The macroeconomic landscape has been substantially destabilized by the outbreak of the US-Iran conflict in early 2026. The escalation of hostilities and the resulting blockades in the Strait of Hormuz—a critical artery responsible for roughly one-fifth of global liquefied natural gas (LNG) trade and significant daily crude oil transit—have triggered one of the most severe global energy security shocks in recent history. Brent crude oil prices surged by over 55% within the first month of the conflict, reaching peak highs of \$113 to \$119 per barrel. However, prices began to cool and drop back down to the \$70–\$90 range by June and July 2026. This sudden and sharp increase in energy costs is radiating across global commodity, financial, and food markets, reigniting inflationary pressures and complicating central bank monetary policies. Consequently, international trade organizations have downwardly revised global GDP growth projections for the year, citing that prolonged geopolitical friction, permanently elevated risk premiums, and compounding supply chain fragmentation will likely sustain market volatility and weigh heavily on global economic expansion for the foreseeable future.

The ongoing geopolitical crisis has fundamentally disrupted the cost structure and supply chain dynamics of the plastics moulding and manufacturing industry. With the Middle East serving as a primary global hub for petrochemical production, restricted maritime flows through the Strait of Hormuz and the Red Sea have severely choked the supply of critical feedstocks, including naphtha, propylene, and ethylene. As a result, the industry has witnessed a dramatic contraction in resin availability, driving core polymer prices—particularly polyethylene (PE) and polypropylene (PP)—up by more than 50% in the first half of 2026 alone. Beyond direct raw material inflation, operating margins face compounding pressures from surging freight rates, heightened "war risk" maritime insurance premiums, and extended logistics lead times. These converging headwinds are squeezing profitability across the sector, compelling manufacturers to aggressively diversify raw material procurement, implement stringent cost-pass-through mechanisms to downstream consumers, and carry higher safety inventories to mitigate the ongoing threat of sudden supply disruptions.

Indian Economy and Outlook

Even with global tensions and shifting trade relationships, the Indian economy has shown remarkable independent strength, standing out as a primary driver of global growth. In FY26, steady government investments and a healthy bounce-back in consumer spending kept our economy active, protecting India from the stalled growth and high inflation seen in many advanced nations. Although the US-Iran conflict caused unpredictable global energy prices, India's proactive shift toward diverse energy sources and responsible government spending kept our broader economy stable.

At the close of the fiscal year, India's manufacturing sector demonstrated a strong upward trajectory, driven by extensive infrastructure upgrades and successful incentive programs like the PLI schemes. Major global companies now view India not just as a cost-effective location, but as a premier hub for high-quality manufacturing. While the Reserve Bank of India (RBI) effectively anchored inflation and maintained stable interest rates through the fiscal year-end—fostering a favourable climate for industrial expansion—subsequent global macroeconomic shifts have introduced renewed volatility in input costs and supply chain dynamics. As we navigate this rapidly evolving post-reporting environment, Prima Plastics remains highly agile. Even though there was a scarcity of raw material in the domestic as well as the international markets, still we are proactively managing these past and recent hurdles while staying well-positioned to capitalize on underlying domestic demand and the structural momentum of India's **'Viksit Bharat 2047'** vision.

Industry Structure and Development

The Indian plastics industry has firmly transitioned from a fragmented processing sector into a structurally mature, high-value manufacturing ecosystem. Valued at approximately US\$47 billion in 2026, the sector's operational backbone remains its robust network of MSMEs, which account for nearly 90% of the domestic processing landscape. However, the industry is currently undergoing a profound paradigm shift driven by stringent regulatory frameworks and the global imperative for sustainability. The recent 2026 amendments to the Plastic Waste Management Rules have cemented Extended Producer Responsibility (EPR) not merely as a compliance metric, but

as a core strategic mandate. This regulatory rigor is accelerating the industry's pivot toward a genuine circular economy, fostering capital expenditure in recycled polymers, sustainable packaging designs, and advanced waste-to-wealth processing infrastructure.

Concurrently, the industry is aggressively scaling to meet the Plastic Export Promotion Council's (PLEXCONCIL) ambitious export target of US\$25 billion by 2027. Supported by structural catalysts such as the Production Linked Incentive (PLI) schemes and ongoing synergies with 'Make in India' and 'Digital India,' domestic manufacturers are rapidly ascending the value chain. By integrating smart manufacturing technologies and systematically reducing reliance on imported raw materials, the Indian plastics sector is capitalizing on shifting global trade blocs to position itself as a resilient, high-tech cornerstone of the global supply chain.

Business Overview

Prima Plastics Limited stands as one of the India's leading manufacturer and producer of plastic furniture products. Your Company was established in 1993 and has marked its presence in India as well as in global markets. Your Company operates in a single segment—designing, producing, marketing, and supplying plastic moulded products in both domestic and international markets. With three manufacturing facilities across India (spanning three states and one union territory) and three international units, the Company continues to expand its operational footprint.

The Indian plastics industry is evolving rapidly, with increasing emphasis on innovation, diversification, and sustainable practices. Your Company remains aligned with these trends, placing a strong focus on product development and market responsiveness.

Key Highlights:

I. Product Development:

- Furniture Division: Introduced new SKUs catering to lifestyle segments

II. Logistics and Distribution:

- Currently operating 10 warehouses strategically located in Coimbatore, Hubli, Jammu, Jaipur, Kanpur, Indore, Cuttack, Hyderabad, Vijayawada, and Bangalore.
- Ongoing efforts to further expand warehousing capacity to serve new markets.

III. Market Penetration:

- Expansion of PAN-India distributor network
- Participation in national and international trade exhibitions to build brand presence and explore new market opportunities
- Expansion of sales through modern trade

Product Portfolio

Furniture Division

The "Prima" brand continues to solidify its reputation as a trusted leader in the plastic moulded furniture segment by consistently delivering high-quality, competitively priced products. Our market presence is rapidly expanding through targeted omnichannel marketing campaigns, strong corporate initiatives, and strategic entry into previously untapped regional markets.

Strategic Product Diversification

To capitalize on India's booming wedding and event sector, we introduced a premium line of Event and Decorative Chairs last financial year. The strong customer response has validated our strategy, and we are actively developing additional products to further capture market share in the tent and décor segment. Furthermore, responding to consumer demand for elegant, space-saving solutions, we successfully launched storage cabinets, enhancing our portfolio and driving incremental sales.

To capitalize on the accelerating shift toward digital consumption, the Company is aggressively expanding its digital footprint across key platforms, including Instagram, Facebook, LinkedIn, YouTube, and our corporate website. Our digital strategy is rooted in enhancing the customer journey; we maintain an active dialogue with our audience through real-time product launch announcements and intuitive. By strategically leveraging User-Generated Content (UGC) and targeted Influencer Marketing, we have cultivated a dynamic and highly engaged online community, successfully surpassing 11,000 followers while driving sustained brand visibility and customer loyalty.

Waste Management

Driven by evolving market demands for high-capacity sanitation solutions, we successfully expanded our Waste Management Division by launching 60-litre, 80-litre and 110-litre bins complementing our existing 660-litre and 1100-litre Wheeled Bins. This strategic portfolio expansion directly reinforces our commitment to the national "Swachh Bharat Abhiyan" initiative.

Prima Dustbins represent a rapidly growing segment within our injection-moulded portfolio. Engineered for exceptional durability and safety, they are manufactured from FDA-approved, UV-stabilized virgin HDPE. Their seamless, weld-free design ensures they are anti-corrosive, acid-resistant, and entirely free of toxic elements, making them ideal for rigorous, long-term use.

To support this product trajectory, we are aggressively scaling our PAN-India dealer network to ensure broader market accessibility. Through consistent quality and robust engineering, Prima is steadily cementing its position as a trusted, reliable brand in the waste management sector.

OPPORTUNITIES

During the year under review, the Company aggressively expanded its market footprint across both physical and digital ecosystems. Leveraging our core expertise in the plastics industry, we diversified our portfolio through research-led product development tailored to evolving modern lifestyles.

We accelerated our offline retail strategy by successfully entering the modern trade sector to drive volume growth. In parallel, we fortified our direct-to-consumer digital channels. By strengthening our presence on premier e-commerce platforms like Amazon, Flipkart, and DMart Ready, we ensured seamless, nationwide product accessibility. This e-commerce acceleration was supported by a progressive digital marketing framework utilizing SEO, AEO, Influencer, and User-Generated Content (UGC) campaigns. Furthermore, our active engagement across platforms like Facebook, Instagram, and YouTube—featuring value-added content such as DIY assembly tutorials—has significantly elevated brand visibility and customer retention.

THREAT

Beyond the evolving regulatory landscape, the moulded plastic furniture segment faces distinct structural and operational headwinds. Foremost is the severe volatility in core petrochemical feedstock prices—specifically polypropylene (PP) and polyethylene (PE)—which remains highly susceptible to recent geopolitical shocks and energy supply disruptions in the Middle East. Furthermore, we face intense competition from an unorganized sector that frequently introduces low-cost imitations driving aggressive price wars.

From a demand perspective, the growing trend of 'premiumization' poses a notable substitution risk. The Company is actively engaged in developing higher quality products and pivoting towards a premium range of furniture to mitigate the said risk.

EXPORTS

Your Company's consolidated export was worth ₹4,624.56 Lakhs during the year under review against ₹4651.70 Lakhs in previous year.

Cultivating resilient, long-term strategic alliances with our international clientele remains a cornerstone of our global growth strategy. Throughout the fiscal year, we prioritized client retention and deepened our engagement

with existing global partners, ensuring unwavering supply chain reliability and consistent product quality despite ongoing international trade disruptions.

RISKS AND CONCERNS

As we navigate a complex global macroeconomic environment, the Company remains vigilant against the following principal risks:

Foreign Exchange (FX) Risk

Given our expanding global footprint, a significant portion of our revenue streams and procurement expenditures are denominated in multiple foreign currencies. This inherent structural exposure renders our cross-border transactions vulnerable to acute currency volatility, which can directly inflate our raw material procurement costs and dilute export realizations.

We maintain a dynamic FX risk management policy as we continuously monitor global currency fluctuations and utilize calibrated hedging instruments, forward contracts, and natural hedges to insulate our profit margins and ensure financial predictability.

Raw Material & Commodity Price Risk

Our manufacturing operations are heavily reliant on petrochemical feedstocks (primarily Polypropylene and Polyethylene). We face substantial pricing and supply chain risks stemming from geopolitical fragmentation, energy market shocks, and inherent commodity cycle volatility. Unpredictable surges in polymer prices directly threaten our operating margins.

To safeguard our cost structure, Management actively diversifies our global supplier base, enters into strategic, long-term procurement contracts, and maintains optimal buffer inventories to cushion against sudden supply bottlenecks or localized geopolitical shocks.

Regulatory and Macro-Political Risk

The Company is subject to evolving domestic policies, international trade tariffs, and stringent ESG compliance mandates across our global markets. Unforeseen shifts in Indian governmental policies, or regulatory instability in our international target markets, can disrupt operational continuity and cross-border expansion plans.

We deploy a robust, centralized regulatory compliance framework. Our legal team continuously horizon-scan for impending statutory shifts—particularly regarding plastic waste management and cross-border trade policies—ensuring seamless, preemptive compliance and minimizing legal exposures.

Business and Operational Risk

Beyond financial and regulatory exposures, our enterprise is subject to various internal and external operational disruptions, ranging from localized manufacturing bottlenecks to IT infrastructure vulnerabilities.

We have institutionalized a rapid-response control mechanism enabling swift identification, root-cause analysis, and agile deployment of corrective measures to ensure uninterrupted business continuity.

Our robust Business Risk Management (BRM) framework systematically identifies, evaluates, and mitigates enterprise risks while capitalizing on strategic opportunities. Governed by a formally documented and dynamic Risk Management Policy, our Senior Management continuously monitors and reviews critical risk exposures. By embedding these proactive controls across all operational levels, we actively safeguard corporate assets and ensure the seamless execution of the Company's strategic objectives.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

As a cornerstone of our corporate governance, the Company has established a highly robust and scalable framework of Internal Financial Controls (IFC). Tailored specifically to the complexities of our manufacturing operations, this framework is deeply integrated into our daily workflows through stringent policies, automated ERP controls, and secure IT infrastructure. These systems are designed to drive operational efficiency, unequivocally

safeguard corporate assets, and ensure the absolute integrity and reliability of our financial reporting.

Our compliance and risk mitigation strategy is anchored by a comprehensive Internal Audit Plan, which is rigorously vetted and approved by the Audit Committee. Executed by our internal audit team in strategic partnership with external domain experts, this program continuously stress-tests our control environment and compliance protocols across all business units. We maintain a dynamic approach to risk management; all audit observations are critically reviewed by management, with immediate corrective protocols deployed to neutralize identified risks.

For the financial year under review, it is reassuring to report that our audit mechanisms found no material weaknesses or significant adverse observations concerning the design, adequacy, or operational effectiveness of the Company's internal financial controls.

Investor Grievance Redressal Mechanism – Escalation Matrix

The Company believes that a transparent framework should be in place for handling investor grievances, which will enable investors register and escalate their grievances to the relevant officials. Keeping this in view, the Company has instituted an escalation mechanism for effective redressal of investor grievances.

Web-based Facility

Members may utilise the facility extended by RTA for redressal of queries, by visiting iconnect.bigshareonline.com/Account/Login for query registration through an identity registration process. Members can submit their query in the 'QUERIES' option provided on the above website that would generate the query registration number. For accessing the status/response to the query submitted, the query registration number can be used at the option 'VIEW REPLY' after 24 hours. Members can continue to put an additional query, if any, relating to the grievance till they get a satisfactory reply.

Dispute Resolution Mechanism at Stock Exchanges

To enable the Shareholders to raise any dispute against the Company or its RTA on delay or default in processing any investor services related request, SEBI has provided an option of 'Arbitration with Stock Exchanges (NSE and BSE)' as a Dispute Resolution Mechanism.

Online Dispute Resolution (ODR) Mechanism

As per SEBI Circulars issued from time to time, in case of any grievances, the Shareholders are advised to first approach the Company or its RTA. If the response is not received/not satisfactory, Shareholders can raise a complaint on SCORES/with Stock Exchanges, as detailed in the Escalation Matrix for investor grievance available on the website of the Company. After exhausting all the above available options for resolution of the grievance, if the Shareholder is still not satisfied with the outcome, they can initiate dispute resolution through the ODR Portal at <https://smartodr.in/login>.

During the year, there was no complaint filed under the SEBI Smart ODR Mechanism. As mentioned above, for effective use of the ODR process, shareholders are requested to initiate the Smart ODR process as the last resort after exhausting all available option for grievance redressal. The ODR serves as a platform for resolution of long pending disputes, which are otherwise difficult to be taken to a logical end.

Corporate Social Responsibility Committee

The scope of the Corporate Social responsibility ("CSR") Committee is to prepare and recommend to the Board the Corporate Social Responsibility Policy ("CSR Policy"), recommend CSR activities and the amount the Company should spend on CSR activities, monitor the implementation of CSR policy and activities from time to time, ensure compliance with all the matters relating to CSR and to provide updates to the Board.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
PRIMA PLASTICS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Prima Plastics Limited** ("the Company"), which comprise the standalone balance sheet as at March 31, 2026, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the "Auditor's Responsibilities for the Audit of the standalone financial statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1.	IT systems and controls over financial reporting We identified IT systems and controls over financial reporting as a key audit matter for the Company because its financial accounting and reporting systems are fundamentally reliant on IT systems and IT controls to process significant transaction volumes, specifically with respect to revenue and inventory. Also, due to large transaction volumes and the increasing challenge to protect the integrity of the Company's systems and data, cyber security has become more significant;	Audit procedures followed by us include: - Assessed the complexity of the IT environment through discussion with the IT team and identified IT applications that are relevant to our audit; - Tested the design, implementation and operating effectiveness of IT general controls, access to program and data and IT operations; - Performed inquiry procedures with the IT team of the Company in respect of the overall security architecture and any key threats addressed by the Company in the current year;

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
2	Automated accounting procedures and IT environment controls, which include IT governance, IT general controls over program development and changes, access to program and data and IT operations, IT application controls and interfaces between IT applications are required to be designed and to operate effectively to ensure accurate financial reporting. Accounting for demerger of Rotational Moulding business ("Rotational Division") as per Scheme of Arrangement ("the Scheme") (Refer Note No. 52 to the standalone financial statements) During the year, the Company received all requisite regulatory approvals in respect of the Scheme for transfer of its Rotational Division to Prima Innovation Limited (the "Resulting Company"). Consequent to the approval received from the Hon'ble National Company Law Tribunal ("NCLT") on March 16, 2026, the assets and liabilities relating to Rotational Division have been transferred to the Resulting Company at book values as on that date. This has been considered as a key audit matter in view of the complexities involved in the Scheme, risk of accuracy and completeness of assets and liabilities transferred to the Resulting Company, and Rotational Division income and expense disclosed as discontinued operations under Ind AS 105, 'Non-current Assets Held for Sale and Discontinued Operations'.	- Tested the design, implementation and operating effectiveness of IT application controls in the key processes impacting financial reporting of the Company. Our audit procedures included: - Understood and evaluated the design and tested the operating effectiveness of the internal financial controls for accounting for the impact of the Scheme and related disclosures. - Understood and evaluated the terms of the demerger as specified in the Scheme related to the accounting treatment. - Read the Scheme and related agreements executed between the Company and the Resulting Company for identification of the assets and liabilities transferred at book values and evaluated the accounting for non routine transactions, estimates and judgements in respect of such assets and liabilities, and income and expenses presented as discontinued operations. - Understood and evaluated the management's basis for identifying the assets and liabilities related to the Rotational Division. - Verified the approvals received from the regulatory authorities and assessed the Company's compliance with the conditions specified in these approvals. - Verified the underlying agreements to assess the appropriateness of costs related to demerger recognised by the Company. - Assessed the adequacy of the disclosures made in standalone financial statements..

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Director's Report, Corporate Governance Report and Management's Discussion and Analysis report, but does not include the financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other

information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India including Ind AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management;
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this report are in agreement with the books of accounts;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"** to this report;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. As disclosed in note no. 32 to the standalone financial statements, the Company does not have any pending litigations which would impact its financial position;

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
- iv.
 - a) The Management has represented that, to the best of its knowledge and belief, as disclosed in note no. 53(vii) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in note no. 53(viii) to the standalone financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures that we have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under a) and b) above, contain any material misstatement.
- v.
 - a) The final dividend proposed in the previous year, declared and paid by the Company during the year, is in accordance with Section 123 of the Act;
 - b) As stated in note no. 42 of standalone financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally, where audit trail (edit log) facility was enabled and operated in the previous year, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

3. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act read with Schedule V to the Act.

ANNEXURE A TO INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the Members of Prima Plastics Limited ("the Company") on the standalone financial statements for the year ended March 31, 2026]

To the best of our information and according to the explanations provided to us by the Company and the books of accounts and records examined by us in the normal course of audit, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment ("PPE") and relevant details of right-of-use assets;
- (B) The Company has maintained proper records showing full particulars of intangible assets;
- (b) The Company has a regular programme of physical verification of its PPE and right-of-use assets by which all items are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain PPE were physically verified by the management during the year and no material discrepancies were noticed on such verification;
- (c) As disclosed in note no. 2 to the standalone financial statements, the title deeds of all immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company as at the balance sheet date;
- (d) The Company has not revalued any of its PPE (including right-of-use assets) or intangible assets during the year;
- (e) As disclosed in note no. 53(v) to the standalone financial statements, no proceedings has been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder;
- (ii) (a) Inventory other than those lying with third parties has been physically verified by the management at regular intervals. In respect of inventory lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency of such verification is reasonable. Considering the size of the Company and nature of its operations the coverage and procedures are adequate;
- The discrepancies noticed on physical verification of inventory did not exceed 10% or more for each class of inventory and the same have properly dealt with in the books of accounts;
- (b) As disclosed in note no. 19 to the standalone financial statements, the Company has working capital limits from banks or financial institutions exceeding five crore rupees during the year and the quarterly returns / statements filed by the Company are materially in agreement with the books of accounts;
- (iii) During the year, the Company has not provided any guarantee or security or granted any loans or advances in nature of loans, secured or unsecured to companies, firms, limited liability partnerships or other parties except for loan to employees and amount receivable from an entity controlled by the promoters arising pursuant to the Scheme of Arrangement ("the Scheme") under section 230 to 232 of the Companies Act, 2013 (refer note no. 4 to the standalone financial statements):
- (a) (A) During the year, the Company has not provided any loans or advances in the nature of loans, or stood guarantee, or provided security to its subsidiary and Joint Venture during the year. Accordingly, reporting under clause 3(iii)(a)(A) of the Order is not applicable;

- (B) During the year, the Company has provided loans or advances in the nature of loans to its employees and amount receivable from an entity controlled by the promoters pursuant to the Scheme, the details of which are as under:

(₹ In Lakhs)

Particulars	Amount
Aggregate amount granted/ provided during the year	
- Entity controlled by the promoters	1,138.78
- Employees	33.36
Balance outstanding as at the Balance sheet date	
- Entity controlled by the promoters	1,138.78
- Employees	37.93

- (b) In our opinion, during the year, the terms and conditions of the grant of all loans and advances in the nature of loan including amount receivable from an entity controlled by the promoters arising pursuant to the Scheme are prima facie not prejudicial to the interest of the Company;
- (c) In respect of loans given by the Company to its employees, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation. In respect of the amount receivable from an entity controlled by the promoters arising pursuant to the Scheme, no amount of principal or interest became due for repayment during the year;
- (d) In respect of loans given by the Company including amount receivable from an entity controlled by the promoters arising pursuant to the Scheme, there is no overdue amount for more than ninety days;
- (e) No loans granted by the Company including amount receivable from an entity controlled by the promoters arising pursuant to the Scheme has fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdue of existing loans;
- (f) In respect of loans granted by the Company during the year, to its employees and amount receivable from an entity controlled by the promoters arising pursuant to the Scheme, there were no amount granted which were either repayable on demand or without specifying any terms or period of repayment.
- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable;
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits to which directives issued by Reserve Bank of India and provisions of Sections 73 to 76 of the Act or other relevant provisions and the Rules framed there under. We were informed by the Management that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal in this regard. Accordingly, Clause 3(v) of the Order is not applicable;
- (vi) The Central Government has specified maintenance of cost records under sub-section (1) of Section 148 of the Act only in respect of specified products of the Company. For such products, we have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under the aforesaid section, and are of the opinion that, prima facie the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) On the basis of our examination of records, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and any other statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value

Added Tax, Cess and other statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable;

- (b) There are no dues of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities on account of any dispute, which have not been deposited by the Company;
- (viii) As disclosed in note no. 53(ix) of the standalone financial statements, there are no transactions which are not recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961;
- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;
- (b) As disclosed in note no. 53(x) of the standalone financial statements, the Company is not declared wilful defaulter by any bank or financial institution or other lender;
- (c) Term loans have been utilized for the purpose for which the loans were obtained;
- (d) On an overall examination of the standalone financial statements of the Company, no funds raised on short term basis have been used for long term purposes;
- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary or joint venture;
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiary or joint venture;
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable;
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable;
- (xi) (a) No fraud by the Company or on the Company have been noticed or reported during the year;
- (b) No report under sub-section (12) of Section 143 of the Act has been filed in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report;
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year;
- (xii) The Company is not a Nidhi Company. Accordingly, reporting under clause 3(xii) of the Order is not applicable;
- (xiii) The Company is in compliance with Section 177 and 188 of the Act where applicable and the details of such related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards;
- (xiv) (a) The Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered, internal audit reports issued to the Company during the year and till date for the period under audit.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with directors and hence provision of section 192 of the Act are not applicable;
- (xvi) (a),(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act,

1934. Accordingly, reporting under clause (xvi)(a) and (b) of the Order is not applicable;

- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable;
- (d) There is no Core Investment Company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3 (xvi)(d) of the Order is not applicable;
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year;
- (xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable;
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date;

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due;
- (xx) There is no unspent amount under sub-section (5) of Section 135 of the Act. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Prima Plastics Limited ("the Company") on the standalone financial statements for the year ended March 31, 2026]

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("Act")

Opinion

We have audited the internal financial controls with reference to standalone financial statements of Prima Plastics Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's Responsibility for Internal Financial Controls with reference to Standalone Financial Statements

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with reference to Standalone Financial Statements

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A Company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that:

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes Forming Part of the Standalone Financial Statements

Note 1 : Company Overview and Material Accounting Policy Information:

Corporate information:

The Prima Plastics Limited ("the Company") is a Public Limited Company, incorporated in India and has registered office at Survey No. 98/4, Prima House, Daman Industrial Estate, Kadaiya, Nani Daman, Daman – 396210. The Company's equity shares are listed on the Bombay Stock Exchange Limited.

The Company is one of the leading plastic articles manufacturing company in India having, Three manufacturing facilities spread across the country.

The standalone financial statements, as reviewed and recommended by the Audit Committee, have been approved by the Board of Directors in their meeting held on May 20, 2026.

Material Accounting Policy Information:

A. Basis of Preparation

a) Statement of Compliance:

These Standalone Financial Statements are prepared in accordance with the Indian Accounting Standards ("Ind AS") specified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and the presentation requirements of Division II of Schedule III of Companies Act, 2013.

These Standalone financial statements includes Balance Sheet as at March 31, 2026, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Cash flows and Statement of changes in equity for the year ended March 31, 2026, and a summary of material accounting policy information and other explanatory information (together hereinafter referred to as "Financial Statements").

b) Basis of Measurement:

The financial statements have been prepared on a historical cost basis using the accrual method of accounting basis, except for the following assets and liabilities:

- (i) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments); and
- (ii) Net defined benefit plan where plan assets are measured at fair value

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern. The accounting policies have been consistently applied by the Company unless stated otherwise.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs (except Earnings per share) as per the requirement of Schedule III, unless otherwise stated.

c) Classification of Current / Non-Current Assets and Liabilities:

Operating Cycle:

The operating cycle of an entity is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. When the entity's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

The Company has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities.

For the purpose of Balance Sheet, an asset is classified as current if:

- (a) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- (b) it holds the asset primarily for the purpose of trading;
- (c) it expects to realise the asset within twelve months after the reporting period; or
- (d) the asset is cash or a cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Notes Forming Part of the Standalone Financial Statements

An entity shall classify all other assets as non-current.

Similarly, a liability is classified as current if:

- (a) it expects to settle the liability in its normal operating cycle;
- (b) it holds the liability primarily for the purpose of trading;
- (c) the liability is due to be settled within twelve months after the reporting period; or
- (d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

An entity shall classify all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current only.

d) Functional and Presentation Currency:

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

B. Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the periods presented. Actual results may differ from these estimates and judgements.

The Management believes that the estimates and associated assumptions made in the preparation of these financial statements are based on historical experience and other factors that are considered to be relevant.

Estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognised prospectively.

The following are the significant areas of estimation, uncertainty, and critical judgements in applying accounting policies:

a) Estimates and assumptions:

(i) Useful Lives of Property, Plant & Equipment:

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

(ii) Defined Benefit Plans:

The accounting of employee benefit plans in the nature of defined benefit requires the Company to use assumptions. These assumptions have been explained under employee benefits note.

(iii) Impairment of investments in subsidiaries and joint-venture:

The Company reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of Profit and Loss.

(iv) Impairment of Financial Assets (other than at fair value):

The impairment provisions for Financial Assets are based on assumptions about risk of default. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

(v) Impairment of Non-Financial Assets:

The Company assesses at each reporting dates as to whether there is any indication that any Property, Plant

Notes Forming Part of the Standalone Financial Statements

and Equipment or Intangible assets or other class of an asset or Cash Generating Unit ('CGU') may be impaired. If any such indication exists, the recoverable amount of the assets or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

(vi) Provisions

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change.

b) Judgements:

(i) Assessment of Lease term

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

(ii) Provision for income tax and deferred tax assets:

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions. The provision for taxation for the current year has been determined by the Management based on the tax position to be considered for tax filing and its assessment of the probability of acceptance of the same by the taxation authorities.

A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

(iii) Contingencies:

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management judgement is involved in classification under 'remote', 'possible' or 'probable' which is carried out based on expert advice, past judgements, experiences etc.

C. Recent accounting pronouncements:

Ministry of Corporate Affairs ('MCA') notifies new amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2026, MCA has notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, Ind AS 1 - Presentation of Financial Statements, Ind AS 7 - Statement of Cash Flows, Ind AS 107 - Financial Instruments: Disclosures and Ind AS 12, International Tax Reform – Pillar Two Model Rules. The company has reviewed the new pronouncements and based on its evaluation given necessary impact (including additional disclosures) as applicable.

D. Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any.

Freehold land is measured at cost and is not depreciated.

Cost includes purchase price, non-recoverable taxes and duties, labour cost and direct overheads for self-constructed assets and other direct costs incurred up to the date the asset is ready for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Notes Forming Part of the Standalone Financial Statements

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of Profit and Loss when incurred.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Depreciation on property, plant and equipment's is calculated on pro-rata basis on straight-line method using useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013.

No.	Nature	Useful Life
1	Buildings	30 - 60 years
2	Plant and Equipment	8 - 15 years
3	Furniture and Fixtures	10 years
4	Office Equipment	3 - 5 years
5	Vehicles	8 - 10 years

The residual values are not more than 5% of the original cost of the assets. The asset's residual values and useful lives are reviewed and adjusted if appropriate.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and, if expectations differ from previous estimates, the changes are accounted for as a change in an accounting estimate and adjusted prospectively.

An item of property, plant and equipment is de-recognised upon disposal or where no future economic benefits are expected from its use or disposal. Gains or losses arising on de-recognition of property, plant and equipment are recognised in the standalone statement of profit and loss.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under Other Non-Current Assets.

The Company has chosen the carrying value of Property, Plant and Equipment existing as per previous GAAP as on date of transition to Ind AS i.e. April 01, 2015 as deemed cost.

E. Capital Work in Progress

Capital work-in-progress comprises of property, plant and equipment that are not ready for their intended use at the end of reporting period and are carried at cost comprising direct costs, related incidental expenses, other directly attributable costs and borrowing costs.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

F. Intangible Assets

Intangible assets acquired are measured at cost less accumulated amortisation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Amortisation on other intangible assets is calculated on pro rata basis on straight line method using the useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013. The useful life is as follows:

No.	Nature	Useful Life
1	Software	5 years

The residual value of intangible asset is Nil. The amortisation period for intangible assets with finite useful lives is reviewed at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

Notes Forming Part of the Standalone Financial Statements

Intangible assets which are not ready for intended use as on date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible asset is derecognised on disposal or when no future economic benefits are expected from use. Gains or losses arising from derecognition of an intangible asset is calculated as the difference between the net disposal proceeds and the carrying amount of the asset. Such gains or losses is recognised in the statement of Profit and Loss.

G. Right of use assets.

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether.

- (i) the contract involves the use of identified asset;
- (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and;
- (iii) the Company has the right to direct the use of the asset.

Company is the lessee

The Company recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Company uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise of fixed lease payments (less any lease incentives), variable lease payments, penalties, etc.

The lease liability is presented as a separate line in the Balance sheet.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Company remeasures lease liability and adjusts the right-of-use asset when the lease term changes, lease payments change due to an index or guaranteed residual value, or when a lease contract is modified.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset.

The right-of-use assets are presented as a separate line in Balance sheet. The Company applies Ind AS 36 Impairment of Assets to determine whether a right-of-use asset is impaired.

H. Investments in Subsidiaries & Joint Venture

The Company considers an investee company as a subsidiary company when it controls the investee company. Control is achieved when the Company is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Company controls an investee if, and only if, the Company has:

- Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee)

Notes Forming Part of the Standalone Financial Statements

- Exposure, or rights, to variable returns from its involvement with the investee
- The ability to use its power over the investee to affect its returns.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether joint control exists are similar to those necessary to determine control over the subsidiaries.

Investments in Subsidiaries and Joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in Subsidiaries and Joint ventures, the difference between net disposal proceeds and the carrying amounts are recognised in the statement of Profit and Loss.

I. Financial Instruments and Fair Value Measurement

(A) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. All financial instruments are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets:

(i) Initial recognition and measurement:

Financial assets, except for trade receivables, are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value.

Trade receivables are initially recognised at transaction price that do not contain a significant financing component.

(ii) Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in two broad categories:

(a) Financial assets carried at amortised cost:

Financial assets that are held within a business model whose objective is to hold the asset in order to collect contractual cash flows that are solely payments of principal and interest are subsequently measured at amortised cost less impairment, if any. Interest income calculated using effective interest rate (EIR) method and impairment loss, if any are recognised in the statement of Profit and Loss.

(b) Financial assets at fair value:

• Financial assets at fair value through other comprehensive income (FVTOCI):

Financial assets that are held within a business model whose objective is achieved by both holding the asset in order to collect contractual cash flows that are solely payments of principal and interest and by selling the financial assets, are subsequently measured at fair value through other comprehensive income. Changes in fair value are recognized in the other comprehensive income (OCI). However, the Company recognises interest income and impairment losses and its reversals in the Statement of Profit and Loss.

On derecognition, cumulative gain or loss previously recognised in OCI is reclassified to the statement of profit and loss.

For equity instruments, the Company may make an irrevocable election to present in other comprehensive income (OCI) subsequent changes in the fair value. The Company makes such election

Notes Forming Part of the Standalone Financial Statements

on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

- **Financial assets at fair value through profit or loss (FVTPL):**

A financial asset which is not classified in any of the above categories is subsequently fair valued through Statement of Profit and Loss.

For financial assets at FVTPL, net gains or losses, including any interest or dividend income, are recognised in the Statement of Profit and Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

(iii) Derecognition

A. financial asset (or, where applicable, a part of a financial asset or part) is derecognised (i.e. removed from the Company's balance sheet) when any of the following occurs:

- The contractual rights to cash flows from the financial asset expires;
- The Company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients thereby substantially transferring all the risks and rewards of ownership of the financial asset; or
- The Company neither transfers nor retains substantially all risk and rewards of ownerships and does not retain control over the financial assets.

In cases where Company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the Company continues to recognise such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognises an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

(iv) Impairment of financial assets

The Company applies expected credit losses ("ECL") model for measurement and recognition of loss allowance on the following:

- Trade receivables;
- Financial assets measured at amortised cost (other than Trade receivables).

In case of trade receivables, for Government trade receivable the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance, and in case of Non-Government trade receivable the company computes ECL based on a provision matrix. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates. The default in collection as a percentage to total receivable is low and overall expected credit loss is not material to these financial statements.

In case of other assets (listed as b), the Company determines if there has been a significant increase in credit risk of the financial assets since initial recognition, if the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured as recognised as loss allowance.

Notes Forming Part of the Standalone Financial Statements

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that are possible within 12-month from the reporting date.

ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcome, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

ECL allowance (or reversal) recognised during the period is recognised as expense (or income) in the Statement of Profit and Loss.

Financial liabilities

(i) Initial recognition and measurement:

All financial liabilities are recognised at fair value on initial recognition. Transaction costs in relation to financial liabilities, other than those carried at fair value through profit or loss (FVTPL), are added to the fair value on initial recognition.

(ii) Subsequent measurement:

For the purpose of subsequent measurement, financial liabilities are classified as follows:

- **Financial Liabilities at Amortised cost:**

Financial liabilities are classified as financial liabilities at amortised cost by default. Interest expense calculated using effective interest method is recognised in the statement of Profit and Loss.

The effective interest method is the method of calculating the amortised cost of a financial liability and of allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

- **Financial Liabilities at Fair value through profit or loss (FVTPL):**

Financial liabilities are classified as FVTPL if it is held for trading or is designated as such on initial recognition. Changes in fair value and interest expense on these liabilities are recognised in the statement of Profit and Loss.

(iii) Derecognition:

A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

Derivative financial instruments:

The Company enters into derivative financial instruments viz. foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of Profit and Loss.

Notes Forming Part of the Standalone Financial Statements

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Financial Liabilities & Equity Instruments:

- Classification as Debt or Equity: Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of financial liability and an equity instrument.
- Equity Instrument: An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognised at the proceeds received.

(B) Fair value measurements

Fair value of financial assets and liabilities is normally determined by references to the transaction price or market price. If the fair value is not reliably determinable, the company determines the fair value using valuation techniques that are appropriate in the circumstances and for which sufficient data are available, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

J. Income taxes

Income tax expense comprises current tax and deferred tax. Income tax expense is recognised in the statement of Profit and Loss except when they relate to items that are recognised outside of Profit and Loss (whether in other comprehensive income or directly in equity), in which case tax is also recognised outside Profit and Loss.

Current Tax:

Current income taxes are determined on the basis of respective taxable income. The current income tax is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred Tax:

Deferred taxes are recognised basis the balance sheet approach on temporary differences, being the difference between the carrying amount of assets and liabilities in the Balance Sheet and its corresponding tax base, that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax assets and liabilities are computed separately.

Notes Forming Part of the Standalone Financial Statements

Deferred tax assets are recognised only to the extent it is probable that future taxable profits will be available against which such assets can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets and liabilities are offset only if:

- a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable Company.

K. Inventories:

Inventories are valued as follows:

Raw Materials, Stores and Packing Materials:

Valued at lower of cost and net realisable value (NRV) after providing for obsolescence and other losses, where considered necessary. The comparison of cost and net realisable value is made on an item-by-Item basis. However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on Weighted Average basis which includes expenditure incurred for acquiring inventories like purchase price, import duties, taxes (net of tax credit) and other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Work-in-progress (WIP), finished goods, stock in trade:

Valued at lower of cost or NRV. Cost of finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities. Cost of inventories is computed on weighted average basis.

Waste / Scrap:

Waste/Scrap inventory is valued at NRV.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated cost necessary to make the sale.

L. Borrowing Costs:

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. assets which take substantial period of time to get ready for their intended use) are capitalised as part of the cost of that asset.

All other borrowing costs such as finance costs, interest expense on lease liabilities, etc. are recognized as an expense in the Statement of Profit and Loss in the period in which they are incurred.

M. Government Grants:

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received.

Government grants related to income are recognised in the Statement of Profit and Loss in the period in which they become receivable.

Government grants relating to property, plant and equipment are presented as deferred income and are credited to the Statement of Profit and Loss on a systematic and rationale basis over the useful life of the asset.

Notes Forming Part of the Standalone Financial Statements

N. Provisions, contingent liabilities and contingent assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if:

- (i) the company has a present obligation as a result of a past event,
- (ii) a probable outflow of resources is expected to settle the obligation; and
- (iii) the amount of the obligation can be reliably estimated.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows.

Contingent liability is disclosed in case of

- (i) a present obligation arising from a past event when it is not probable that an outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability; or
- (ii) a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are neither recognized nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

O. Revenue from operations

(a) Recognition of revenue:

Revenue is recognised on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

(b) Measurement of revenue:

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentives, volume rebates and schemes, if any, as per contracts with customers. Transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring good or service to a customer. Taxes collected from customers on behalf of Government are not treated as Revenue.

(c) Performance obligations:

Sale of goods:

Revenue from contracts with customers involving sale of these products is recognized at a point in time when control of the product has been transferred at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Due to the short nature of credit period given to customers, there is no financing component in the contract.

Any amounts receivable from the customer are recognised as revenue after the control over the goods sold are transferred to the customer which is generally on dispatch of goods. Export sales are recognized on the issuance of Bill of Lading.

(d) Variable consideration:

This includes incentives, volume rebates, discounts etc. It is estimated at contract inception considering the terms of various schemes with customers and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.

Notes Forming Part of the Standalone Financial Statements

(e) Schemes:

The Company operates several sales incentive scheme wherein the customers are eligible for several benefits on achievement of underlying conditions as prescribed in the scheme. Revenue from contract with customer is presented deducting cost of all these schemes.

(f) Significant financing components:

In respect of advances from its customers, using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be within normal operating cycle.

(g) Export incentives:

Export incentives under various schemes notified by the Government have been recognised on the basis of applicable regulations, and when reasonable assurance to receive such revenue is established.

(h) Contract Balances:

Trade Receivables and Contract Assets

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

An entity's right to consideration in exchange for goods or services that the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

Contract liabilities

A contract liability is the obligation to transfer goods to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

P. Other Income:

- (a) Dividend income from investments is recognised when the shareholder's right to receive payment has been established.
- (b) Interest income is recognised using effective interest rate (EIR) method.

Q. Employee Benefit Expenses:

(a) Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, incentives, etc. are charged to the Statement of Profit & Loss in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(b) Post-employment benefits:

The Company operates the following post employment schemes:

- (i) Defined contribution plans such as provident fund; and
- (ii) Defined benefit plans such as gratuity

(i) Defined contribution plan:

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, for which both the employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are made to the Government Provident Fund monthly.

Notes Forming Part of the Standalone Financial Statements

The Company has no obligation, other than the contribution payable to the funds. The Company's contributions to defined contribution plans are charged to the Statement of Profit & Loss as incurred.

(ii) Defined benefit plan

The Company has defined benefit plan for post-employment benefits, for all employees in the form of Gratuity administered through trust funded with Life Insurance Corporation of India. The Company's liabilities under Payment of Gratuity Act are determined on the basis of independent actuarial valuation.

The liability in respect of gratuity is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income (OCI) in the period in which they occur. Remeasurement recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss. Past service cost is recognised in the Statement of Profit and Loss in the period of a plan amendment. Interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the Statement of Profit and Loss.

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

The defined benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plan. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

R. Foreign Currency Transactions:

Foreign currency transactions are initially recorded at the rates prevailing on the date of the transaction. At the balance sheet date, foreign currency monetary items are reported using the closing rate. Exchange gains and losses arising on settlement and restatement are recognized in the Statement of Profit and Loss. Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rate at the date of the transaction.

S. Segment Reporting:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

In accordance with Ind AS 108, Operating Segment, the Managing Director is the Company's chief operating decision maker ("CODM"). The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

T. Discontinued operations

A discontinued operation is a component of the Company's business, the operations and cash flows of which can be clearly distinguished from the rest of the Company and which:

- i) represents a separate major line of business or geographic area of operations;
- ii) is part of a single co-ordinated plan to dispose of a separate major line of business or geographic area of operations; or
- iii) is a subsidiary acquired exclusively with a view to resale.

Classification as a discontinued operation occurs at the earlier of disposal or when the operation meets the criteria to be classified as held-for-sale.

Notes Forming Part of the Standalone Financial Statements

When an operation is classified as a discontinued operation, the comparative statement of profit and loss is re-presented as if the operation had been discontinued from the start of the comparative year.

U. Earnings Per Share:

The Basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/loss after tax for the year attributable to the equity shareholders is divided by the weighted average number of equity shares outstanding during the year adjusted for the effects of all dilutive equity shares.

V. Statement of Cash flows:

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

W. Cash and Cash Equivalents:

Cash and Cash Equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short- term cash commitments.

X. Dividend:

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

Note 34: Employee Benefits (Ind AS 19)

A. Defined Benefit Plans:

Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company for payment of gratuity. The Company's defined benefit plan is funded with Life Insurance Corporation (LIC). The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy. There are no other post retirement benefits provided by the Company.

The present value of the defined benefit obligation, the related current service cost and past service cost, were measured using the projected unit credit method.

Inherent Risk:

The plan is defined in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

The Discount rate is based on the prevailing market rates of Indian government securities for the estimated term of obligation.

Salary Escalation Rate:

The estimates of future salary are considered taking into account inflation, seniority, promotion and other relevant factors.

Funding arrangements and Funding Policy

The Company has purchased an insurance policy to provide for payment of gratuity to the employees. Every year, the insurance company carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such valuation is funded by the Company.

Risk Exposure and Asset Liability Matching

Through its defined benefit plan of Gratuity, the Company is exposed to its number of risks, viz. asset volatility, changes in return on assets, inflation risks and life expectancy. The Company has purchased insurance policy, which is a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The Insurance Company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk.

The Company's expected contribution during next year is ₹17.54 lakhs (March 31, 2025 ₹17.79 lakhs)

B. Defined Contribution Plans:

Amount recognised as an expense and included in Note No. 28 under the head "Contribution to Provident and other Funds" of Statement of Profit and Loss is ₹39.62 lakhs (March 31, 2025 ₹41.50 lakhs).

Note 35: Segment Reporting (Ind AS 108):

The Company has presented segment information in the consolidated financial statements which are presented in the same annual report. Accordingly, in terms of Paragraph 4 of Ind AS 108 'Operating Segments', no disclosures related to segments are presented in these standalone financial statements. (Refer Note No. 35 of Consolidated Financial Statement).

Note 41: Financial Risk Management Objectives and Policies (Ind AS 107):

The Company's principal financial liabilities comprise of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets include Investments, Loans and Other receivables, Cash and Cash Equivalents and Other Bank Balances that directly derive from its operations.

The Company is exposed to Market Risk, Credit Risk and Liquidity Risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

A. Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument.

The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and borrowings.

(a) Foreign Currency Risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the foreign currency borrowings, receivable against exports of finished goods, loan to foreign subsidiary, interest receivable on loan to subsidiary and the Company's net investments in foreign subsidiaries.

The Company evaluates exchange rate exposure arising from foreign currency transactions. The Company follows established risk management policies and standard operating procedures and uses forward contracts, if required, to hedge exposure to foreign currency risk. Forward Contract outstanding as on March 31, 2026 is USD NIL and EURO 100,000 against foreign currency exposures (March 31, 2025 USD 50,000).

Foreign Currency Sensitivity on unhedged exposure:

Impact on Profit before tax due to increase in foreign exchange rate by 100 bps:

Sensitivity Analysis:

The following tables demonstrate the sensitivity to a reasonably possible change in USD, Euro exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities. Sensitivity due to unhedged Foreign Exchange Exposures is as follows:

Particulars	Year ended March 31, 2026 (₹ in lakhs)	Year ended March 31, 2025 (₹ in lakhs)
USD	0.62	1.68
Euro	-	6.64

Note: If the rate is decreased by 100 bps profit will decrease by an equal amount.

(b) Interest rate risk :

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowing with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

Particulars	Year ended March 31, 2026 (₹ in lakhs)	Year ended March 31, 2025 (₹ in lakhs)
INR	25.06	40.03

Note: If the rate is decreased by 100 bps Profit will increase by an equal amount.

Interest rate sensitivity has been calculated assuming the borrowings outstanding at the reporting date have been outstanding for the entire reporting period

B. Credit Risk:

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily Trade Receivables), and from its investing and financing activities including Deposits with Bank, Security Deposits, Loans to Employees and other financial instruments.

Notes Forming Part of the Standalone Financial Statements

(a) Trade Receivables:

Trade receivables are consisting of a large number of customers. The Company has credit evaluation policy for each customer and based on the evaluation credit limit of each customer is defined.

Gross Trade receivable as on March 31, 2026 ₹1,494.97 lakhs (March 31, 2025 ₹3,191.09 lakhs) The Company does not have higher concentration of credit risks to a single customer.

As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

An impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the receivables are categorised into groups based on types of receivables. Each group is then assessed for impairment using the Expected Credit Loss (ECL) model as per the provisions of Ind AS 109 - Financial instruments. The calculation is based on provision matrix which considers actual historical data adjusted appropriately for the future expectations and probabilities. Receivables from group companies and secured receivables are excluded for the purposes of this analysis since no credit risk is perceived on them.

Movement of Allowances for Credit Loss:

Particulars	Year ended March 31, 2026 (₹ in lakhs)	Year ended March 31, 2025 (₹ in lakhs)
Opening Provision	153.48	159.60
Less: Adjustment pursuant to demerger scheme (Refer Note No. 52)	(39.29)	-
Add: Provided during the Year	86.83	5.08
Less: Reversed during the Year	(17.92)	(11.20)
Closing Provision	183.10	153.48

(b) Cash and Cash Equivalent and Bank Deposit:

Credit Risk on cash and cash equivalent, deposits with the banks/financial institutions is generally low as the said deposits have been made with the banks/financial institutions who have been assigned high credit rating by international and domestic rating agencies. Investments of surplus funds are made only based on Investment Policy of the Company.

C. Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. Senior management of the Company is responsible for liquidity, funding as well as settlement management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

PRIMA PLASTICS LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Prima Plastics Limited (hereinafter referred to as "Holding Company") and its subsidiary (the Holding Company and its Subsidiary together referred to as "the Group") and its joint venture, which comprise the consolidated balance sheet as at March 31, 2026, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of subsidiary and joint venture as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group (financial position) and its joint venture as at March 31, 2026, of its consolidated profit (financial performance) including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs"), specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the "Auditor's Responsibilities for the Audit of the consolidated financial statements" section of our report. We are independent of the Group, and its joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of reports of other auditors referred to in paragraph (i) and (ii) of the "Other Matters" section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on consideration of reports of other auditors on separate financial statements of the components audited by them, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1.	IT systems and controls over financial reporting We identified IT systems and controls over financial reporting as a key audit matter for the Company because its financial accounting and reporting systems are fundamentally reliant on IT systems and IT controls to process significant transaction volumes, specifically with respect to revenue and inventory. Also, due to large transaction volumes and the increasing challenge to protect the integrity	Audit procedures followed by us include: - Assessed the complexity of the IT environment through discussion with the IT team and identified IT applications that are relevant to our audit; - Tested the design, implementation and operating effectiveness of IT general controls, access to program and data and IT operations; - Performed inquiry procedures with the IT team of

	of the Company's systems and data, cyber security has become more significant; Automated accounting procedures and IT environment controls, which include IT governance, IT general controls over program development and changes, access to program and data and IT operations, IT application controls and interfaces between IT applications are required to be designed and to operate effectively to ensure accurate financial reporting.	the Company in respect of the overall security architecture and any key threats addressed by the Company in the current year; Tested the design, implementation and operating effectiveness of IT application controls in the key processes impacting financial reporting of the Company.
2.	Accounting for demerger of Rotational Moulding business ("Rotational Division") as per Scheme of Arrangement ("the Scheme") (Refer Note No. 50 to the consolidated financial statements) During the year, the Holding Company received all requisite regulatory approvals in respect of the Scheme for transfer of its Rotational Division to Prima Innovation Limited (the "Resulting Company"). Consequent to the approval received from the Hon'ble National Company Law Tribunal ("NCLT") on March 16, 2026, the assets and liabilities relating to Rotational Division have been transferred to the Resulting Company at book values as on that date. This has been considered as a key audit matter in view of the complexities involved in the Scheme, risk of accuracy and completeness of assets and liabilities transferred to the Resulting Company, and Rotational Division income and expense disclosed as discontinued operations under Ind AS 105, 'Non-current Assets Held for Sale and Discontinued Operations'.	Our audit procedures included: - Understood and evaluated the design and tested the operating effectiveness of the internal financial controls for accounting for the impact of the Scheme and related disclosures. - Understood and evaluated the terms of the demerger as specified in the Scheme related to the accounting treatment. - Read the Scheme and related agreements executed between the Company and the Resulting Company for identification of the assets and liabilities transferred at book values and evaluated the accounting for non-routine transactions, estimates and judgements in respect of such assets and liabilities, and income and expenses presented as discontinued operations. - Understood and evaluated the management's basis for identifying the assets and liabilities related to the Rotational Division. - Verified the approvals received from the regulatory authorities and assessed the Company's compliance with the conditions specified in these approvals. - Verified the underlying agreements to assess the appropriateness of costs related to demerger recognised by the Group. - Assessed the adequacy of the disclosures made in consolidated financial statements.

Information Other than the consolidated financial statements and Auditor's Report thereon

The Holding Company's Board of Directors and Management are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Director's Report, Corporate Governance Report and Management Analysis and Discussion statement, but does not include the financial statements and auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information

and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Group including its joint venture in accordance with the accounting principles generally accepted in India, including Ind AS. The respective Board of Directors of the Companies included in the Group and of its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Companies included in the Group and of its joint venture are responsible for assessing the ability of the Group and its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective Management and Board of Directors either intends to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group and of its joint venture are also responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the consolidated financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management;
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint venture of which we are independent auditors and whose financial information we have audited to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph (i) and (ii) of the section titled "Other Matters" in this audit report;

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance of the Holding Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We did not audit the financial statements of a subsidiary, included in the consolidated financial statements, reflects total assets (before consolidation adjustments) of Rs. 6,454.24 lakhs as at March 31, 2026 and total revenue (before consolidation adjustments) of Rs. 7,316.09 lakhs and total net profit after tax of (before consolidation adjustments) Rs. 1,356.36 lakhs and other comprehensive income of (before consolidation adjustments) Rs. 463.48 lakhs for the year ended March 31, 2026, as considered in the consolidated financial statements. Further, this subsidiary is located outside India, whose financial statements have been prepared in accordance with accounting principles generally accepted in their respective country and which have been audited by other auditor under generally accepted auditing standards applicable in their respective country. The Holding Company's management has converted the financial statements of such subsidiary from accounting principles generally accepted in their respective country to accounting principles generally accepted in India. An independent Chartered Accountant has audited these conversion adjustments made by the Holding Company's management.

Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditor.

2. The consolidated financial statements include the Group's share of net profit after tax of Rs. 898.67 lakhs, other comprehensive income is Rs. 1,087.44 lakhs for the year ended March 31, as considered in the consolidated financial statements, in respect of joint venture, whose financial statements have not been audited by us. Further, this joint venture is located outside India, whose financial statements have been prepared in accordance with accounting principles generally accepted in their respective country and which have been audited by other auditor under generally accepted auditing standards applicable in their respective country. The Holding Company's management has converted the financial statements of such joint venture from accounting principles generally accepted in their respective country to accounting principles generally accepted in India. An independent Chartered Accountant has audited these conversion adjustments made by the Holding Company's management.

Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this joint venture and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint venture is based solely on the reports of the other auditor.

Our opinion is not modified in respect of the matters stated at 1 and 2 above with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act is not applicable to subsidiary and joint venture incorporated outside India, hence, our report on the consolidated financial statements does not contain a statement on the matters specified in paragraph 3(xxi) of the Order.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements of such subsidiary and joint venture as were audited by other auditors, as mentioned in paragraph (i) and (ii) of the "other matters", we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of other auditors;
 - (c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) In our opinion and to the best of our information and according to the explanations given to us the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) As per the Guidance Note on 'Audit of Internal Financial Controls over Financial Reporting' (revised) issued by Institute of Chartered Accountants of India, since there are no subsidiary and joint venture of the Holding Company incorporated in India, no reporting on the adequacy of the internal financial controls with reference to financial statements of subsidiary and joint venture and the operating effectiveness of such controls is required. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and operating effectiveness of such controls, refer to our report in 'Annexure B' of the standalone financial statements;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. As disclosed in note no. 32 to the consolidated financial statements, the Group and its joint venture does not have any pending litigations which would impact its financial position;
 - ii. The Group and its joint venture did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, during the year ended March 31, 2026;
 - iv. a) The Management of the Holding Company has represented that, to the best of its knowledge and belief, as disclosed in note no. 48(v) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any such subsidiary companies and joint venture to or in any other persons or entities, including foreign entities

("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The Management of Holding Company has represented, that, to the best of it's knowledge and belief, as disclosed in note no. 48(vi) to the consolidated financial statements, no funds have been received by the Holding Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under a) and b) above, contain any material misstatement;
- v. a) The final dividend proposed in the previous year, declared and paid by the Holding Company during the year, is in accordance with Section 123 of the Act.
- b) As stated in note no. 41 of consolidated financial statements, the Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act, as applicable.
- vi. Based on our examination which included test checks, the Holding Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) and the same was enabled throughout the year. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Holding Company as per the statutory requirements for record retention, as applicable.

3. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act read with Schedule V to the Act.

Notes Forming Part of the Consolidated Financial Statements

Note 1 : Company Overview and Material Accounting Policy Information :

Corporate information:

The Prima Plastics Limited ("The Holding Company") is a Public Limited Company, incorporated in India and has registered office at 98/4 Prima House, Daman Industrial Estate, Kadaiya, Nani Daman, Daman - 396210. The Company's equity shares are listed on the Bombay Stock Exchange Limited.

The Holding company & its subsidiaries are engaged in the manufacturing of plastic articles and related products.

The Holding company, its Subsidiaries and Joint venture together referred as "the group".

The Board of Directors approved the consolidated financial statements for the year ended March 31, 2026 and authorised for issue on May 20, 2026.

Material Accounting Policy Information:

A. Basis of Preparation

a) Statement of Compliance:

These Consolidated Financial Statements are prepared in accordance with the Indian Accounting Standards ("Ind AS") specified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and the presentation requirements of Division II of Schedule III of Companies Act, 2013.

These Consolidated financial statements includes Balance Sheet as at March 31, 2026, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Cash flows and Statement of changes in equity for the year ended March 31, 2026, and a summary of material accounting policy information and other explanatory information (together hereinafter referred to as "Consolidated Financial Statements").

b) Basis of Measurement:

The consolidated financial statements have been prepared on a historical cost basis using the accrual method of accounting basis, except for the following assets and liabilities:

- (i) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments); and
- (ii) Net defined benefit plan where plan assets are measured at fair value

Accounting policies and methods of computation followed in the consolidated financial statements are same as compared with the annual consolidated financial statements for the year ended March 31, 2025, except for adoption of new standard or any pronouncements effective from April 01, 2025.

The Group has prepared the consolidated financial statements on the basis that it will continue to operate as a going concern.

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lakhs (except Earnings per share) as per the requirement of Schedule III, unless otherwise stated.

c) Basis of Consolidation:

Subsidiaries

The Consolidated Financial Statements comprise the financial statements of the Holding Company and its subsidiaries as at March 31, 2026. Subsidiaries are entities controlled by the Company.

Control exists when the Group:

- (a) has power over the investee,
- (b) it is exposed, or has rights, to variable returns from its involvement with the investee and
- (c) has the ability to affect those returns through its power to direct relevant activities of the investee.

Relevant activities are those activities that significantly affect an entity's returns. The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements listed above.

Notes Forming Part of the Consolidated Financial Statements

In assessing control, potential voting rights that currently are exercisable and other contractual arrangements that may influence control are taken into account.

The financial statements of subsidiaries acquired or disposed of during the year are included in the consolidated financial statements from the effective date of acquisition and up to the effective date of disposal, as appropriate.

Inter-group transactions and balances including unrealised profits are eliminated in full on consolidation.

Non-controlling interests (NCI) in the net assets of consolidated subsidiaries are identified separately from the Group's equity. The interest of non-controlling shareholders are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non controlling interests' share of subsequent changes in equity.

Total comprehensive income is attributed to non-controlling interests even if it results in the non-controlling interest having a deficit balance. Changes in the Group's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Group.

When the Group loses control of a subsidiaries, the profit or loss on disposal is calculated as the difference between

- (i) the aggregate of the fair value of consideration received and the fair value of any retained interest and
- (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiaries and any non-controlling interests.

Amounts previously recognised in other comprehensive income in relation to the subsidiaries are accounted for (i.e., reclassified to profit or loss) in the same manner as would be required if the relevant assets or liabilities were disposed of. The fair value of any investment retained in the former subsidiaries at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting or, when applicable, the cost on initial recognition of an investment in an associate or jointly controlled entity.

Interests in joint arrangements

A joint arrangement is an arrangement of which two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

Joint ventures

The Group's interests in equity accounted investees comprise interest in joint venture. A joint venture is an arrangement in which the Group has joint control and has rights to the net assets of the arrangement, rather than rights to its assets and obligations for its liabilities. Interest in joint venture is accounted for using equity method. They are initially recognized at cost which includes transaction costs. Subsequent to initial recognition, consolidated financial statements include the Group's share of profit or loss and Other Comprehensive Income (OCI) of equity accounted investees until the date on which joint control ceases.

Foreign Operations

These consolidated financial statements are presented in Indian rupees (INR). The functional currency of the Holding Company and its Indian subsidiary is INR. The functional currency of foreign subsidiaries is the currency of the primary economic environment in which the entity operates.

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are re-measured into the functional currency at the exchange rate prevailing on the balance sheet date. Exchange differences are recognised in the consolidated statement of profit and loss.

Notes Forming Part of the Consolidated Financial Statements

For the purpose of presenting consolidated financial statements, the assets and liabilities of the Company's foreign operations (having non INR functional currency) are translated to Indian rupees at the exchange rate prevailing on the balance sheet date, income and expenses of foreign operations are translated into INR at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Exchange differences arising on such translation are recognised as currency translation reserve under equity. Exchange differences arising from the translation of a foreign operation previously recognised in currency translation reserve in equity are not reclassified from equity to the consolidated statement of profit and loss until the disposal of the operation.

The Consolidated Financial Statements are comprised of the financial statements of the members of the Group as under:

Name of Related Parties	Principal place of Business	% Shareholding and Voting Power	
		As at March 31, 2026	As at March 31, 2025
Prima Union Plasticos S.A. – Subsidiary	Guatemala	90%	90%
Prima Innovation Limited – Subsidiary	India	-	100%
Prima Dee-Lite Plastics SARL - Joint Venture	Cameroon	50%	50%

d) Classification of Current / Non-Current Assets and Liabilities:

Operating Cycle:

"The operating cycle of an entity is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. When the entity's normal operating cycle is not clearly identifiable, it is assumed to be twelve months."

The Group has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities.

For the purpose of Balance Sheet, an asset is classified as current if:

- it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- it holds the asset primarily for the purpose of trading;
- it expects to realise the asset within twelve months after the reporting period; or
- the asset is cash or a cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

An entity shall classify all other assets as non-current.

Similarly, a liability is classified as current if:

- it expects to settle the liability in its normal operating cycle;
- it holds the liability primarily for the purpose of trading;
- the liability is due to be settled within twelve months after the reporting period; or
- it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

An entity shall classify all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current only.

Notes Forming Part of the Consolidated Financial Statements

B. Use of estimates and judgements

The preparation of consolidated financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the periods presented. Actual results may differ from these estimates and judgements.

The Management believes that the estimates and associated assumptions made in the preparation of these consolidated financial statements are based on historical experience and other factors that are considered to be relevant.

Estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognised prospectively.

The following are the significant areas of estimation, uncertainty, and critical judgements in applying accounting policies:

a) Estimates and assumptions:

(i) Useful Lives of Property, Plant & Equipment:

The Group reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

(ii) Defined Benefit Plans:

The accounting of employee benefit plans in the nature of defined benefit requires the Group to use assumptions. These assumptions have been explained under employee benefits note.

(iii) Impairment of investments in joint-venture:

Determining whether the investment in joint venture is impaired requires an estimate in the value in use of investments. The Group reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss. In considering the value in use, the Board of Directors have anticipated the future market conditions and other parameters that affect the operations of these entities.

(iv) Impairment of Financial Assets (other than at fair value):

The impairment provisions for Financial Assets are based on assumptions about risk of default. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

(v) Impairment of Non-Financial Assets:

The Group assesses at each reporting dates as to whether there is any indication that any Property, Plant and Equipment or Intangible assets or other class of an asset or Cash Generating Unit ('CGU') may be impaired. If any such indication exists, the recoverable amount of the assets or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.

(vi) Provisions:

The Group estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change.

Notes Forming Part of the Consolidated Financial Statements

b) Judgements:

(i) Assessment of Lease term:

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

(ii) Provision for income tax and deferred tax assets:

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions. The provision for taxation for the current year has been determined by the Management based on the tax position to be considered for tax filing and its assessment of the probability of acceptance of the same by the taxation authorities.

A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Group exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

(iii) Contingencies:

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management judgement is involved in classification under 'remote', 'possible' or 'probable' which is carried out based on expert advice, past judgements, experiences etc.

C. Recent accounting pronouncements

Ministry of Corporate Affairs ('MCA') notifies new amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2026, MCA has notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, Ind AS 1 - Presentation of Financial Statements, Ind AS 7 - Statement of Cash Flows, Ind AS 107 - Financial Instruments: Disclosures and Ind AS 12, International Tax Reform – Pillar Two Model Rules. The company has reviewed the new pronouncements and based on its evaluation given necessary impact (including additional disclosures) as applicable.

D. Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any.

Freehold land is measured at cost and is not depreciated.

Cost includes purchase price, non-recoverable taxes and duties, labour cost and direct overheads for self-constructed assets and other direct costs incurred up to the date the asset is ready for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of Profit and Loss when incurred.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Notes Forming Part of the Consolidated Financial Statements

Depreciation on property, plant and equipment's is calculated on pro-rata basis on straight-line method using useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013. The useful life is as follows:

The useful life is as follows:

No.	Nature	Useful Life
1	Buildings	30 – 60 years
2	Plant and Equipment	8 - 15 years
3	Furniture and Fixtures	10 years
4	Office Equipment	3 – 5 years
5	Vehicles	8 - 10 years

The residual values are not more than 5% of the original cost of the assets. The asset's residual values and useful lives are reviewed and adjusted if appropriate.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and, if expectations differ from previous estimates, the changes are accounted for as a change in an accounting estimate and adjusted prospectively.

An item of property, plant and equipment is de-recognised upon disposal or where no future economic benefits are expected from its use or disposal. Gains or losses arising on de-recognition of property, plant and equipment are recognised in the standalone statement of profit and loss.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under Other Non-Current Assets.

The Group has chosen the carrying value of Property, Plant and Equipment existing as per previous GAAP as on date of transition to Ind AS i.e. April 01, 2015 as deemed cost.

E. Capital Work in Progress

Capital work-in-progress comprises of property, plant and equipment that are not ready for their intended use at the end of reporting period and are carried at cost comprising direct costs, related incidental expenses, other directly attributable costs and borrowing costs.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

F. Intangible Assets

Intangible assets acquired are reported at cost less accumulated amortisation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Amortisation on other intangible assets is calculated on pro rata basis on straight line method using the useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013. The useful life is as follows:

No.	Nature	Useful Life
1	Software	5 years

The residual value of intangible asset is Nil. The amortisation period for intangible assets with finite useful lives is reviewed at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

Intangible assets which are not ready for intended use as on date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible asset is derecognised on disposal or when no future economic benefits are expected from use. Gains or losses arising from derecognition of an intangible asset is calculated as the difference between the net disposal proceeds and the carrying amount of the asset. Such gains or losses is recognised in the statement of Profit and Loss.

Notes Forming Part of the Consolidated Financial Statements

G. Right of use assets

The Group assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether.

- (i) the contract involves the use of identified asset;
- (ii) the Group has substantially all of the economic benefits from the use of the asset through the period of lease and;
- (iii) the Group has the right to direct the use of the asset.

Group is the lessee

The Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Group uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise of fixed lease payments (less any lease incentives), variable lease payments, penalties, etc.

The lease liability is presented as a separate line in the Balance sheet.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Group remeasures lease liability and adjusts the right-of-use asset when the lease term changes, lease payments change due to an index or guaranteed residual value, or when a lease contract is modified.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset.

The right-of-use assets are presented as a separate line in Balance sheet. The Group applies Ind AS 36 Impairment of Assets to determine whether a right-of-use asset is impaired.

H. Investments in Joint Venture

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether joint control exists are similar to those necessary to determine control over the subsidiaries.

Investments in Joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in Joint ventures, the difference between net disposal proceeds and the carrying amounts are recognised in the statement of Profit and Loss.

I. Financial Instruments and Fair Value Measurement

(A) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. All financial instruments are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

Financial assets:

(i) Initial recognition and measurement:

Financial assets, except for trade receivables are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial assets is recognised at fair value.

Trade receivable are initially recognised at transaction price that do not contain a significant financing component.

(ii) Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in two broad categories:

(a) Financial assets carried at amortised cost:

Financial assets that are held within a business model whose objective is to hold the asset in order to collect contractual cash flows that are solely payments of principal and interest are subsequently measured at amortised cost less impairment, if any. Interest income calculated using effective interest rate (EIR) method and impairment loss, if any are recognised in the statement of Profit and Loss.

(b) Financial assets at fair value:

Financial assets at fair value through other comprehensive income (FVTOCI):

Financial assets that are held within a business model whose objective is achieved by both holding the asset in order to collect contractual cash flows that are solely payments of principal and interest and by selling the financial assets, are subsequently measured at fair value through other comprehensive income. Changes in fair value are recognized in the other comprehensive income (OCI). However, the Group recognises interest income and impairment losses and its reversals in the Statement of Profit and Loss.

On derecognition, cumulative gain or loss previously recognised in OCI is reclassified to the statement of profit and loss.

For equity instruments, the Group may make an irrevocable election to present in other comprehensive income (OCI) subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

- **Financial assets at fair value through profit or loss (FVTPL):**

A financial asset which is not classified in any of the above categories is subsequently fair valued through Statement of Profit and Loss.

For financial assets at FVTPL, net gains or losses, including any interest or dividend income, are recognised in the Statement of Profit and Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

Notes Forming Part of the Consolidated Financial Statements

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part) is derecognised (i.e. removed from the Group's balance sheet) when any of the following occurs:

- a) The contractual rights to cash flows from the financial asset expires;
- b) The Group transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- c) The Group retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients thereby substantially transferring all the risks and rewards of ownership of the financial asset; or
- d) The Group neither transfers nor retains substantially all risk and rewards of ownerships and does not retain control over the financial assets.

In cases where Group has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the Group continues to recognise such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Group also recognises an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

(iv) Impairment of financial assets

The Group applies expected credit losses ("ECL") model for measurement and recognition of loss allowance on the following:

- a) Trade receivables;
- b) Financial assets measured at amortised cost (other than Trade receivables).

In case of trade receivables, for Government trade receivable the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance, and in case of Non-Government trade receivable the company computes ECL based on a provision matrix. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates. The default in collection as a percentage to total receivable is low and overall expected credit loss is not material to these financial statements.

In case of other assets (listed as b), the Group determines if there has been a significant increase in credit risk of the financial assets since initial recognition, if the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured as recognised as loss allowance.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Group reverts to recognizing impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that are possible within 12-month from the reporting date.

ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcome, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

Notes Forming Part of the Consolidated Financial Statements

ECL allowance (or reversal) recognised during the period is recognised as expense (or income) in the Statement of Profit and Loss.

Financial liabilities

(i) Initial recognition and measurement:

All financial liabilities are recognised at fair value on initial recognition. Transaction costs in relation to financial liabilities, other than those carried at fair value through profit or loss (FVTPL), are added to the fair value on initial recognition.

(ii) Subsequent measurement:

For the purpose of subsequent measurement, financial liabilities are classified as follows:

- Financial Liabilities at Amortised cost:

Financial liabilities are classified as financial liabilities at amortised cost by default. Interest expense calculated using effective interest method is recognised in the statement of Profit and Loss.

The effective interest method is the method of calculating the amortised cost of a financial liability and of allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

- Financial Liabilities at Fair value through profit or loss (FVTPL):

Financial liabilities are classified as FVTPL if it is held for trading or is designated as such on initial recognition. Changes in fair value and interest expense on these liabilities are recognised in the statement of Profit and Loss.

(iii) Derecognition:

A financial liability (or a part of a financial liability) is derecognised from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

Derivative financial instruments:

The Group enters into derivative financial instruments viz. foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. The Group does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of Profit and Loss.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Financial Liabilities & Equity Instruments:

- Classification as Debt or Equity: Debt and equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of financial liability and an equity instrument.
- Equity Instrument: An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Group are recognised at the proceeds received.

Notes Forming Part of the Consolidated Financial Statements

(B) Fair value measurements

Fair value of financial assets and liabilities is normally determined by references to the transaction price or market price. If the fair value is not reliably determinable, the Group determines the fair value using valuation techniques that are appropriate in the circumstances and for which sufficient data are available, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Group determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

J. Income taxes

Income tax expense comprises current tax and deferred tax. Income tax expense is recognised in the statement of Profit and Loss except when they relate to items that are recognised outside of Profit and Loss (whether in other comprehensive income or directly in equity), in which case tax is also recognised outside Profit and Loss.

Current Tax:

Current income taxes are determined on the basis of respective taxable income. The current income tax is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Current tax assets and liabilities are offset only if, the Group:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred Tax:

Deferred taxes are recognised basis the balance sheet approach on temporary differences, being the difference between the carrying amount of assets and liabilities in the Balance Sheet and its corresponding tax base, that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax assets and liabilities are computed separately.

Deferred tax assets are recognised only to the extent it is probable that future taxable profits will be available against which such assets can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets and liabilities are offset only if:

- a) the Group has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable Group.

Notes Forming Part of the Consolidated Financial Statements

K. Inventories:

Inventories are valued as follows:

Raw Materials, Stores and Packing Materials:

Valued at lower of cost and net realisable value (NRV) after providing for obsolescence and other losses, where considered necessary. The comparison of cost and net realisable value is made on an item-by-Item basis. However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on Weighted Average basis which includes expenditure incurred for acquiring inventories like purchase price, import duties, taxes (net of tax credit) and other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Work-in-progress (WIP), finished goods, stock in trade:

Valued at lower of cost or NRV. Cost of finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities. Cost of inventories is computed on weighted average basis.

Waste / Scrap:

Waste/Scrap inventory is valued at NRV.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated cost necessary to make the sale.

L. Borrowing Costs:

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. assets which take substantial period of time to get ready for their intended use) are capitalised as part of the cost of that asset.

All other borrowing costs such as finance costs, interest expense on lease liabilities, etc. are recognized as an expense in the Statement of Profit and Loss in the period in which they are incurred.

M. Government Grants:

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attached to them and that the grants will be received.

Government grants related to income are recognised in the Statement of Profit and Loss in the period in which they become receivable.

Government grants relating to property, plant and equipment are presented as deferred income and are credited to the Statement of Profit and Loss on a systematic and rationale basis over the useful life of the asset.

N. Provisions, contingent liabilities and contingent assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if:

- i) the Group has a present obligation as a result of a past event,
- ii) a probable outflow of resources is expected to settle the obligation; and
- iii) the amount of the obligation can be reliably estimated.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows.

Contingent liability is disclosed in case of

- i) a present obligation arising from a past event when it is not probable that an outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability; or

Notes Forming Part of the Consolidated Financial Statements

- ii) a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are neither recognized nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

O. Revenue from operations

(a) Recognition of revenue:

Revenue is recognised on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

(b) Measurement of revenue:

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentives, volume rebates and schemes, if any, as per contracts with customers. Transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring good or service to a customer. Taxes collected from customers on behalf of Government are not treated as Revenue.

(c) Performance obligations:

Sale of goods:

Revenue from contracts with customers involving sale of these products is recognized at a point in time when control of the product has been transferred at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Due to the short nature of credit period given to customers, there is no financing component in the contract.

Any amounts receivable from the customer are recognised as revenue after the control over the goods sold are transferred to the customer which is generally on dispatch of goods. Export sales are recognized on the issuance of Bill of Lading.

(d) Variable consideration:

This includes incentives, volume rebates, discounts etc. It is estimated at contract inception considering the terms of various schemes with customers and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.

(e) Schemes:

The Group operates several sales incentive scheme wherein the customers are eligible for several benefits on achievement of underlying conditions as prescribed in the scheme. Revenue from contract with customer is presented deducting cost of all these schemes.

(f) Significant financing components:

In respect of advances from its customers, using the practical expedient in Ind AS 115, the Group does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be within normal operating cycle.

(g) Export incentives:

Export incentives under various schemes notified by the Government have been recognised on the basis of applicable regulations, and when reasonable assurance to receive such revenue is established.

(h) Contract Balances:

Trade Receivables and Contract Assets

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Notes Forming Part of the Consolidated Financial Statements

An entity's right to consideration in exchange for goods or services that the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

Contract liabilities

A contract liability is the obligation to transfer goods to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

P. Other Income:

- (a) Dividend income from investments is recognised when the shareholder's right to receive payment has been established.
- (b) Interest income is recognised using effective interest rate (EIR) method.

Q. Employee Benefit Expenses:

(a) Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, incentives, etc. are charged to the Statement of Profit & Loss in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(b) Post-employment benefits:

The Group operates the following post employment schemes:

- i) Defined contribution plans such as provident fund; and
- ii) Defined benefit plans such as gratuity

i) Defined contribution plan:

The eligible employees of the Group are entitled to receive benefits in respect of provident fund, for which both the employees and the Group make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are made to the Government Provident Fund monthly.

The Group has no obligation, other than the contribution payable to the funds. The Group's contributions to defined contribution plans are charged to the Statement of Profit & Loss as incurred.

ii) Defined benefit plan

The Group has defined benefit plan for post-employment benefits, for all employees in the form of Gratuity administered through trust funded with Life Insurance Corporation of India. The Group's liabilities under Payment of Gratuity Act are determined on the basis of independent actuarial valuation.

The liability in respect of gratuity is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income (OCI) in the period in which they occur. Remeasurement recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss. Past service cost is recognised in the Statement of Profit and Loss in the period of a plan amendment. Interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the Statement of Profit and Loss.

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Notes Forming Part of the Consolidated Financial Statements

The defined benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Group's defined benefit plan. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

R. Foreign Currency Transactions:

Foreign currency transactions are initially recorded at the rates prevailing on the date of the transaction. At the balance sheet date, foreign currency monetary items are reported using the closing rate. Exchange gains and losses arising on settlement and restatement are recognized in the Statement of Profit and Loss. Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rate at the date of the transaction.

S. Segment Reporting:

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

In accordance with Ind AS 108, Operating Segment, the Managing Director is the Group's chief operating decision maker ("CODM"). The CODM evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

T. A discontinued operation is a component of the Company's business, the operations and cash flows of which can be clearly distinguished from the rest of the Company and which:

- i) represents a separate major line of business or geographic area of operations;
- ii) is part of a single co-ordinated plan to dispose of a separate major line of business or geographic area of operations; or
- iii) is a subsidiary acquired exclusively with a view to resale.

Classification as a discontinued operation occurs at the earlier of disposal or when the operation meets the criteria to be classified as held-for-sale.

When an operation is classified as a discontinued operation, the comparative statement of profit and loss is re-presented as if the operation had been discontinued from the start of the comparative year.

U. Earnings Per Share:

The Basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/loss after tax for the year attributable to the equity shareholders is divided by the weighted average number of equity shares outstanding during the year adjusted for the effects of all dilutive equity shares.

V. Statement of Cash flows:

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

W. Cash and Cash Equivalents:

Cash and Cash Equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short- term cash commitments.

X. Dividend:

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Group's Board of Directors.

B. Guarantees:

The Group has issued corporate guarantees as under: Guarantee of ₹Nil/- (March 31, 2025 - ₹Nil/-)

Note 33: Capital and other commitments

Estimated amount of Contracts remaining to be executed on capital account, not provided for are (net of advances of ₹ Nil) (March 31, 2025 ₹96.17 lakhs) (net of advances of ₹140.90 lakhs).

Note 34: Employee Benefits (Ind AS 19)

A. Defined Benefit Plans:

Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company for payment of gratuity. The Group's defined benefit plan is funded with Life Insurance Corporation (LIC). There are no other post retirement benefits provided by the Group.

The present value of the defined benefit obligation, the related current service cost and past service cost, were measured using the projected unit credit method.

Inherent Risk:

The plan is defined in nature which is sponsored by the Group and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

Notes Forming Part of the Consolidated Financial Statements

Discount rate:

The Discount rate is based on the prevailing market rates of Indian government securities for the estimated term of obligation.

Salary Escalation Rate:

The estimates of future salary are considered taking into account inflation, seniority, promotion and other relevant factors.

Funding arrangements and Funding Policy:

The Company has purchased an insurance policy to provide for payment of gratuity to the employees. Every year, the insurance company carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such valuation is funded by the Company.

Risk Exposure and Asset Liability Matching:

Through its defined benefit plan of Gratuity, the Company is exposed to its number of risks, viz. asset volatility, changes in return on assets, inflation risks and life expectancy. The Company has purchased insurance policy, which is a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The Insurance Company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk.

The Company's expected contribution during next year is ₹17.54 lakhs (March 31, 2025 ₹17.79 lakhs)

B. Defined Contribution Plans:

Amount recognised as an expense and included in Note No. 28 under the head "Contribution to Provident and other Funds" of Statement of Profit and Loss is ₹39.62 lakhs (March 31, 2025 ₹41.50 lakhs).

Note 35: Segment Reporting (Ind AS 108):

A. Basis for segmentation

The Group's Managing Director, the Chief Operating Decision Maker for the Group, periodically reviews the internal management reports and evaluates performance/allocates resources based on the analysis of various performance indicators relating to the segment.

The carrying amount of financial assets and financial liabilities measured at amortised cost in the Consolidated Financial Statements are a reasonable approximation of their fair values since the Group does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Note 40: Financial Risk Management Objectives and Policies (Ind AS 107):

The Group's principal financial liabilities comprise of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Group's operations. The Group's principal financial assets include Investments, Loans and Other receivables, Cash and Cash Equivalents and Other Bank Balances that directly derive from its operations.

The Group is exposed to Market Risk, Credit Risk and Liquidity Risk. The Holding Company's senior management oversees the management of these risks. The Holding Company's senior management ensures that the Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

A. Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument.

The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and borrowings.

Notes Forming Part of the Consolidated Financial Statements

(a) Foreign Currency Risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the foreign currency borrowings, receivable against exports of finished goods, loan to foreign subsidiary, interest receivable on loan to subsidiary and the Group's net investments in foreign subsidiaries.

The Company evaluates exchange rate exposure arising from foreign currency transactions.

The Company follows established risk management policies and standard operating procedures and uses forward contracts, if required, to hedge exposure to foreign currency risk. Forward contract outstanding as on March 31, 2026 is USD NIL and EURO 100,000 against foreign currency exposures. (March 31, 2025 USD 50,000).

Outstanding Foreign Currency Exposure	As at March 31, 2026 (₹ in lakhs)	As at March 31, 2025 (₹ in lakhs)
Trade Receivables:		
USD	2,103.64	2,133.19
Borrowings:

Dividend Receivable:		
Euro	-	653.87

Foreign Currency Sensitivity on unhedged exposure:

Impact on profit before tax due to increase in foreign exchange rate by 100 bps :

Sensitivity Analysis:

The following tables demonstrate the sensitivity to a reasonably possible change in USD, Euro exchange rates, with all other variables held constant. The impact on the Group's profit before tax is due to changes in the fair value of monetary assets and liabilities. Sensitivity due to unhedged Foreign Exchange Exposures is as follows:

Particulars	Year ended March 31, 2026 (₹ in lakhs)	Year ended March 31, 2025 (₹ in lakhs)
USD	15.59	16.54
Euro	-	6.54

Note: If the rate is decreased by 100 bps profit will decrease by an equal amount.

(b) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowing with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

Particulars	Year ended March 31, 2026 (₹ in lakhs)	Year ended March 31, 2025 (₹ in lakhs)
INR	25.06	40.11

Note: If the rate is decreased by 100 bps profit will increase by an equal amount.

Interest rate sensitivity has been calculated assuming the borrowings outstanding at the reporting date have been outstanding for the entire reporting period.

B. Credit Risk:

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily Trade Receivables), and from its investing and financing activities including Deposits with Bank, Security Deposits, Loans to Employees and other financial instruments.

(a) Trade Receivables:

Trade receivables are consisting of a large number of customers. The Group has credit evaluation policy for each customer and based on the evaluation credit limit of each customer is defined.

Gross Trade receivable as on March 31, 2026 ₹3,535.93 lakhs (March 31, 2025 ₹5,113.08 lakhs). The Group does not have higher concentration of credit risks to a single customer.

As per simplified approach, the Group makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

As per policy, Receivables are classified into different buckets based on the overdue period ranging from 3 months to more than 3 years. There are different provisioning rates for government receivables and other receivables, each category having provision ranging from 2% to 100%. (Refer Note No.8)

Less: Reversed during the Year	(17.92)	(9.47)
Closing Provision	244.33	211.14

(b) Cash and Cash Equivalent and Bank Deposit:

Credit Risk on cash and cash equivalent, deposits with the banks/financial institutions is generally low as the said deposits have been made with the banks/financial institutions who have been assigned high credit rating by international and domestic rating agencies. Investments of surplus funds are made only based on Investment Policy of the Group.

C. Liquidity Risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. Senior management of the Group is responsible for liquidity, funding as well as settlement management. Management monitors the Group's liquidity position through rolling forecasts on the basis of expected cash flows.
