2. DATE, TIME AND MODE OF MEETING

Pursuant to the Tribunal Order, the Meeting of the unsecured creditors of the Company, will be held through VC/OAVM on Saturday, September 27, 2025 at 3.00 p.m (IST). The deemed venue for the Meeting shall be the Registered Office of Prima Plastics Limited its registered office at 98/4 Prima House, Daman Industrial Estate, Kadaiya, Nani Daman, Daman — 396 210, India.

3. RATIONALE AND BENEFITS OF THE SCHEME

1. *The Demerged Company is 100% holding company of the Resulting Company.*
2. *The Demerged Company proposes to demerge and transfer the Demerged Undertaking from the Demerged Company to the Resulting Company and in consideration thereof, the Resulting Company will issue their equity shares to the shareholders of the Demerged Company.*
3. *As part of an overall strategy for the optimum running, growth and development of the businesses of the Demerged Company, it is considered desirable and expedient to reorganise and reconstruct the Demerged Company by segregating its Roto Business (as defined in the Scheme) from its Remaining Business (i.e. furniture and other allied businesses). This will result in the creation of two separate listed entities viz., the Resulting Company focusing exclusively on Roto Business and the Demerged Company shall continue to be in the Remaining Business (i.e. furniture and other allied businesses).*
4. *These listed entities will be subject to public, media, analysts and regulatory review. A clean corporate structure with no cross holdings will ensure transparency, accountability, highest standards of corporate governance and compliance. It also enhances operational flexibility and helps quick response to competitive or environmental challenges.*
5. *The said demerger will enable the Parties to concentrate its resources and managerial bandwidth entirely to such businesses which would enable focused strategy, better coordination and cohesiveness in their working and assist in standardization of its business processes as may be prevalent to the specific businesses. The proposed restructuring pursuant to the said Scheme is expected, inter alia, to result in following benefits for the Parties.*
 - i. *the distinctive profile and established business model of Roto Business makes it suitable to be housed in a separate listed entity, allowing sharper strategic focus in pursuit of its independent value creation trajectory;*
 - ii. *segregating different businesses would result in better and efficient control and management for the segregated Roto Business having different risk and return profiles, and also providing investors with better flexibility to select investments which best suit their investment strategies and risk profile;*
 - iii. *unlocking the value of the Demerged Undertaking for the shareholders of the Demerged Company;*
 - iv. *attracting investors and providing better flexibility in accessing capital*
 - v. *effective utilisation of cash flows of different businesses;*
 - vi. *enabling focused growth strategy for each of the businesses for exploiting opportunities specific to each business;*
 - vii. *greater visibility on performance of each of the businesses;*

- viii. *operational efficiency; and*
 - ix. *focused management approach for pursuing the growth in the respective business verticals and de-risk the businesses from each other.*
6. *The Scheme is in the interests of all stakeholders (shareholders, creditors, employees, and all other stakeholders) of the Demerged Company and the Resulting Company.*

5. **SALIENT FEATURES OF THE SCHEME**

- 5.1 The salient features of the Scheme are, *inter-alia*, as stated below. The capitalized terms used herein shall have the same meaning as ascribed to them in Clause 1 of Part I of the Scheme.
- 5.2 The Scheme provides for the following:
- (i) demerger, transfer and vesting of the Demerged Undertaking from the Company into the Resulting Company on a *going concern basis* and issue of equity shares by the Resulting Company to the shareholders of the Company, in consideration thereof; and
 - (ii) reduction and cancellation of the entire pre-scheme share capital of the Resulting Company.
 - (iii) The Scheme also provides for various other matters consequent and incidental thereto.
- 5.3 The Appointed Date for the Scheme is July 1, 2024.
- 5.4 The Demerger of the Rotational Moulding Business (“Roto Business” or “Demerged Undertaking”) from Prima Plastics Limited into Prima Innovation Limited, shall be in accordance with section 2(19AA) of the Income Tax Act, 1961.
- 5.5 Effective Date means the date on which last of the conditions specified in Clause 23 of the Scheme are complied with or otherwise duly waived.
- 5.6 The Scheme shall become effective from the Appointed Date but shall become operative from the Effective Date.
- 5.7 Upon effectiveness of this Scheme and in consideration of and subject to the provisions of this Scheme, and in consideration for the demerger of the Demerged Undertaking from the Demerged Company, the Resulting Company shall, without any further application, act, deed, consent, acts, instrument or deed, issue and allot, on a proportionate basis to the shareholders of the Demerged Company whose name is recorded in the register of members and records of the depository as shareholders of the Demerged Company as on the Record Date (*as defined in the Scheme*), as under:
- “1 (One) fully paid-up equity share of the Resulting Company having face value of INR 5/- (Rupees Five) each for every 1 (One) fully paid-up equity share of INR 10/- (Rupees Ten) each of the Demerged Company.”*
- 5.8 The equity shares of the Resulting Company will subsequently be listed on BSE Limited.
- 5.9 With effect from Appointed Date all the assets, liabilities, contracts, employees, licenses, records, approvals etc., of the Demerged Undertaking shall get transferred to and vest in or shall be deemed to have been transferred to and vested in the Resulting Company, as a going concern, without any further act, instrument or deed, together with all its properties, assets, liabilities, rights, benefits and interest therein, subject to the

provisions of the Scheme, in accordance with Sections 230 — 232 of the Act, Section 2(19AA) of the Income Tax Act, 1961 and applicable provisions, if any.

- 5.10 During the period between the approval of the Scheme by the respective Boards of Demerged Company and Resulting Company and up-to the Effective Date (as defined in the Scheme), the Demerged Company shall carry on its business and activities of the Demerged Undertaking with reasonable diligence and business prudence.
- 5.11 The Demerged Company shall account for the demerger as per Scheme in its books of accounts in accordance with Indian Accounting Standards (“Ind AS”) notified under Section 133 of the Companies Act, 2013, as notified under the Companies (Indian Accounting Standard) Rules, 2015 and generally accepted accounting principles, as may be amended from time to time.

Pursuant to the Scheme coming into effect and with effect from the Appointed Date, the Demerged Company shall transfer from its financial statements all the assets and liabilities including all reserves (general reserve, securities premium, other comprehensive income and retained earnings) pertaining to the Demerged Undertaking as on the Appointed Date at the values appearing in its books of account (i.e. book values) to the Resulting Company.

The Demerged Company shall use reduction in securities premium arising due to capital reduction as prescribed under Clause 11 of the Scheme to adjust such debit impact.

- 5.12 The effectiveness of the Scheme is contingent upon certain conditions as mentioned in the Scheme including receipt of regulatory and other applicable approvals.

Note: The above details are merely the salient features of the Scheme. The unsecured creditors are requested to read the entire text of the Scheme annexed hereto to get fully acquainted with the provisions thereof.

There has been no change in the shareholding pattern of PPL and PIL vis-à-vis promoter and public, post filing of scheme with the stock exchange.

- 18.3 Impact of scheme on revenue generating capacity of Demerged Company

The revenue of Demerged Company shall be reduced to the extent of the revenues of the Demerged Undertaking.

There shall be a synergic benefit from hiving off of the Demerged Undertaking of the Demerged Company into Resulting Company as the efficiency and worth of both the companies is likely to increase. Each company would specialize in their respective core businesses and independently scale their business by attracting specific resources and investment to support their growth. The demerger would also help each company to isolate the risks between their respective businesses, raise capital based on their individual requirements and help create/unlock value in the future.

- 18.4 Need and Rationale of the scheme, Synergies of business of the companies involved in the scheme, impact of the scheme on the shareholders and cost benefit analysis of the scheme

A. NEED, RATIONALE AND BENEFITS OF THE SCHEME

1. *The Demerged Company is 100% holding company of the Resulting Company.*
2. *The Demerged Company proposes to demerge and transfer the Demerged Undertaking from the Demerged Company to the Resulting Company and in consideration thereof, the Resulting Company will issue their equity shares to the shareholders of the Demerged Company.*

3. *As part of an overall strategy for the optimum running, growth and development of the businesses of the Demerged Company, it is considered desirable and expedient to reorganise and reconstruct the Demerged Company by segregating its Roto Business (as defined in the Scheme) from its Remaining Business (i.e. furniture and other allied businesses). This will result in the creation of two separate listed entities viz., the Resulting Company focusing exclusively on Roto Business and the Demerged Company shall continue to be in the Remaining Business (i.e. furniture and other allied businesses).*
4. *These listed entities will be subject to public, media, analysts and regulatory review. A clean corporate structure with no cross holdings will ensure transparency, accountability, highest standards of corporate governance and compliance. It also enhances operational flexibility and helps quick response to competitive or environmental challenges.*
5. *The said demerger will enable the Parties to concentrate its resources and managerial bandwidth entirely to such businesses which would enable focused strategy, better coordination and cohesiveness in their working and assist in standardization of its business processes as may be prevalent to the specific businesses. The proposed restructuring pursuant to the said Scheme is expected, inter alia, to result in following benefits for the Parties.*
 - i. *the distinctive profile and established business model of Roto Business makes it suitable to be housed in a separate listed entity, allowing sharper strategic focus in pursuit of its independent value creation trajectory;*
 - ii. *segregating different businesses would result in better and efficient control and management for the segregated Roto Business having different risk and return profiles, and also providing investors with better flexibility to select investments which best suit their investment strategies and risk profile;*
 - iii. *unlocking the value of the Demerged Undertaking for the shareholders of the Demerged Company;*
 - iv. *attracting investors and providing better flexibility in accessing capital*
 - v. *effective utilisation of cash flows of different businesses;*
 - vi. *enabling focused growth strategy for each of the businesses for exploiting opportunities specific to each business;*
 - vii. *greater visibility on performance of each of the businesses*
 - viii. *operational efficiency; and*
 - ix. *focused management approach for pursuing the growth in the respective business verticals and de-risk the businesses from each other.*
6. *The Scheme is in the interests of all stakeholders (shareholders, creditors, employees, and all other stakeholders) of the Demerged Company and the Resulting Company.*

B. SYNERGIES OF BUSINESS OF THE COMPANIES INVOLVED IN THE SCHEME

The background and information about the Demerged Company and Resulting Company are, inter- alia, as under:

- i. The Demerged Company is one of the leading plastic furniture and moulding articles manufacturing company in India.
- ii. The Resulting Company is a newly incorporated company proposed to be engaged in Rotational Moulding Business or Roto Business (*as defined in the Scheme*).

The proposed Scheme would provide all the benefits and synergies as mentioned above.

C. IMPACT OF THE SCHEME ON THE SHAREHOLDERS

The proposed Scheme would be in the best interest of the Demerged Company and their respective shareholders, employees, creditors and other stakeholders as it will yield advantages inter alia as set out below:

- i. Pursuant to the Scheme, it is proposed to demerge, transfer and vest the Demerged Undertaking (*as defined in the Scheme*) from the Company into the Resulting Company, on a going concern basis and the Scheme will result in benefits and/or synergies to the Company as mentioned above;
- ii. Further, in consideration for the transfer and vesting of the Demerged Undertaking of the Company to the Resulting Company, all the equity shareholders (promoter and non-promoters) of the Company, as on the Record Date (*as defined in the Scheme*) shall receive equity shares of the Resulting Company in the same proportion as their holding in the Company. There will be no change in the economic interest of the shareholders of the Company, before and after Scheme. Further, once the Scheme is effective, the Resulting Company will have replica / mirror shareholding of the Demerged Company; and
- iii. Upon the effectiveness of the Scheme and subject to receipt of regulatory approvals, the equity shares of the Resulting Company issued as consideration to the shareholders of the Company in terms of the Scheme, will be listed on BSE Limited.

D. COST BENEFIT ANALYSIS OF THE SCHEME

Although the Scheme involves certain costs such as transaction cost, implementation cost, regulatory fees, stamp duties, etc. The Scheme is expected to provide an opportunity to provide flexibility to the shareholders to hold the shares in 2 listed companies with different business, risk and rewards. However, the benefits of the Scheme over a longer period would far outweigh such costs for the stakeholders of the Company entailing benefits specified in above.

PART - II DEMERGER AND VESTING OF THE DEMERGED UNDERTAKING

4. DEMERGER AND VESTING OF THE DEMERGED UNDERTAKING

- 4.1 Upon coming into effect of the Scheme, with effect from the Appointed Date and in accordance with the provisions of this Scheme and pursuant to Sections 230 to 232 read with Section 52, Section 66 and other applicable provisions of the Act and Section 2(19AA) of the Income Tax Act, all assets, permits, contracts, liabilities, loan, duties and obligations of the Demerged Undertaking shall, without any further act, instrument or deed, stand transferred to and vested in or be deemed to have been transferred to and vested in the Resulting Company on a *going concern* basis, so as to become as and from the Appointed Date, the assets, permits, contracts, liabilities, loan, duties and obligations of the

Resulting Company by virtue of operation of law, and in the manner provided in this Scheme.

This demerger under Part II of the Scheme complies with the definition of "demerger" as per Section 2(19AA) and other provisions of the Income Tax Act. If any terms of this Scheme are found to be or interpreted to be inconsistent with provisions of the Income Tax Act, then this Scheme shall stand modified to be in compliance with Section 2(19AA) of the Income Tax Act.

4.2 Without prejudice to the generality of the provisions of Clause 4.1 above, the manner of transfer of the Demerged Undertaking under this Scheme, upon coming into effect of the Scheme and with effect from the Appointed Date, is as follows:

- 4.2.1 In respect of such of the assets and properties forming part of the Demerged Undertaking which are movable and tangible in nature (including but not limited to all intangible assets), including but not limited to the right to use the brand "PRIMA", intellectual property, and intellectual property rights, including any applications for the same, of any nature whatsoever including but not limited to brands, trademarks forming part of the Demerged Undertaking, whether registered or unregistered trademarks along with all rights of commercial nature including attached goodwill, title, interest, labels and brand registrations, copyrights and such other industrial and intellectual property rights of whatsoever nature or are otherwise capable of transfer by delivery or possession or by endorsement, the same shall stand transferred by the Demerged Company to the Resulting Company upon coming into effect of this Scheme and shall, *ipso facto* and without any other or further order to this effect, become the assets and properties of the Resulting Company without requiring any deed or instrument of conveyance for transfer of the same. The transfer pursuant to this sub-clause shall be deemed to have occurred by physical or constructive delivery or by endorsement and delivery or recordal, pursuant to this Scheme, as appropriate to the property being transferred, and title to the property shall be deemed to have been transferred accordingly;
- 4.2.2 Subject to Clause 4.2.3 below, with respect to the moveable assets of the Demerged Undertaking other than those referred to in Clause 4.2.1 above, including all rights, title and interests in the agreements (including agreements for lease or license of the properties), investments in shares, mutual funds, bonds and any other securities, sundry debtors, claims from customers or otherwise, outstanding loans and advances, if any, recoverable in cash or in kind or for value to be received, bank balances and deposits, if any, with any Appropriate Authority, customers and other persons, whether or not the same is held in the name of the Demerged Company, the same shall, without any further act, instrument or deed, be transferred to and/or be deemed to be transferred to the Resulting Company, with effect from the Appointed Date by operation of law as transmission in favour of the Resulting Company. With regard to the licenses of the properties, the Resulting Company will enter into novation agreements, if it is so required;
- 4.2.3 In respect of such assets and properties forming part of the Demerged Undertaking which are immovable in nature, whether freehold or leasehold as set out in Annexure A hereto, (including but not limited to land, buildings, sites, tenancy rights related thereto and immovable property and any other document of title, rights, interest and easements in relation thereto), shall stand transferred to the Resulting Company, with effect from the Appointed Date, by operation of law and without any act of deed or conveyance being required to be done or executed by the Demerged Company and/or the Resulting Company;

- 4.2.4 For the avoidance of doubt and without prejudice to the generality of Clause 4.2.3 above and Clause 4.2.5 below, it is clarified that, with respect to the immovable properties comprised in the Demerged Undertaking in the nature of land and buildings, the Demerged Company and the Resulting Company shall register the true copy of the order of the Tribunal approving this Scheme with the offices of the relevant Sub-registrar of Assurances or similar registering authority having jurisdiction over the location of such immovable property and shall also execute and register, as required, such other documents as may be necessary in this regard. For the avoidance of doubt, it is clarified that any document executed pursuant to this Clause 4.2.4 or Clause 4.2.5 below will be for the limited purpose of meeting regulatory requirements and shall not be deemed to be a document under which the transfer of any part of the Demerged Undertaking takes place and the Demerged Undertaking shall be transferred solely pursuant to and in terms of this Scheme and the order of the Tribunal sanctioning this Scheme;
- 4.2.5 Notwithstanding anything contained in this Scheme, with respect to the immovable properties comprised in the Demerged Undertaking in the nature of land and buildings situated in the Union Territory of Daman and Diu, Industrial Area Sector- III, Pithampur (M.P.), whether owned or leased, for the purpose of, *inter alia*, payment of stamp duty and transfer to the Resulting Company, if the Resulting Company so decides, the Demerged Company and the Resulting Company, may execute and register or cause to be executed and registered, separate deeds of conveyance or deeds of assignment of lease, as the case may be, in favour of the Resulting Company in respect of such immovable properties. Each of the immovable properties, only for the purposes of the payment of stamp duty (if required under the Applicable Law), shall be deemed to be conveyed at a value determined by the relevant authorities in accordance with the applicable circle rates. The transfer of such immovable properties shall form an integral part of this Scheme;
- 4.2.6 Upon effectiveness of the Scheme, all debts, liabilities, loans, obligations and duties of the Demerged Company as on the Appointed Date and relatable to the Demerged Undertaking ("**Demerged Undertaking Liabilities**") shall, without any further act or deed, be and stand transferred to and be deemed to be transferred to the Resulting Company to the extent that they are outstanding as on the Appointed Date. The term "Demerged Undertaking Liabilities" shall include:
- 4.2.6.1 the debts, liabilities, obligations incurred and duties of any kind, nature or description (including contingent liabilities) which arise out of the activities or operations of the Demerged Undertaking;
- 4.2.6.2 the specific loans or borrowings (including, notes and other debt securities raised, incurred and utilized solely for the activities of operations of the Demerged Undertaking); and
- 4.2.6.3 in cases other than those referred to in Clauses 4.2.6.1 or 4.2.6.2 above, so much of the amounts of general or multipurpose borrowings, if any, of the Demerged Company, as stand in the same proportion which the value of the assets transferred pursuant to the demerger of the Demerged Undertaking bear to the total value of the assets of the Demerged Company immediately prior to the Appointed Date.

However, the tax liabilities and tax demands (except pertaining to Income Tax Act) of the Demerged Company for a period prior to the Appointed Date in relation to the Demerged

Undertaking shall not be transferred as part of the Demerged Undertaking to the Resulting Company;

- 4.2.7 All contracts, deeds, bonds, agreements, indemnities, guarantees or other similar rights or entitlements whatsoever, schemes, arrangements and other instruments, rights, entitlements, leases and licenses for the purpose of carrying on the business of the Demerged Undertaking, and in relation thereto, and those relating to tenancies, privileges, powers, facilities of every kind and description of whatsoever nature in relation to the Demerged Undertaking, or to the benefit of which the Demerged Company may be eligible and which are subsisting or having effect immediately before this Scheme coming into effect, shall by operation of law pursuant to the order of the Tribunal sanctioning the Scheme be deemed to be contracts, deeds, bonds, agreements, indemnities, guarantees or other similar rights or entitlements whatsoever, schemes, arrangements and other instruments, rights, entitlements, licenses (including the licenses granted by any Appropriate Authority) of the Resulting Company. Such contracts, properties and rights described hereinabove shall stand vested in the Resulting Company and shall be deemed to be the property and become the property by operation of law as an integral part of the Resulting Company. Such contracts, properties and rights described above shall continue to be in full force and continue as effective as hitherto in favour of or against the Resulting Company and shall be the legal and enforceable rights and interests of the Resulting Company, which can be enforced and acted upon as fully and effectually as if it were the Demerged Company. Upon effectiveness of the Scheme and with effect from the Appointed Date, the rights, benefits, privileges, duties, liabilities, obligations and interest whatsoever, arising from or pertaining to contracts, properties and rights pertaining to the Demerged Undertaking, shall be deemed to have been entered into and stand assigned, vested and novated to the Resulting Company by operation of law and the Resulting Company shall be deemed to be the Demerged Company's substituted party or beneficiary or obligor thereto, it being always understood that the Resulting Company shall be the successor in the interest of the Demerged Company in relation to the properties or rights mentioned hereinabove;
- 4.2.8 Post the Effective Date, the Demerged Company may, at the request of the Resulting Company, give notice in such form as it may deem fit and proper, to such Persons, as the case may be, that any debt, receivable, bill, credit, loan, advance, or deposit, contracts or policies relating to the Demerged Undertaking stands transferred to the Resulting Company and that appropriate modification should be made in their respective books/ records to reflect the aforesaid changes;
- 4.2.9 In so far as encumbrances, if any, in respect of the Demerged Undertaking Liabilities, such encumbrance shall, without any further act, instrument or deed being required to be taken or modified, be extended to and shall operate only over the assets comprised in the Demerged Undertaking which have been encumbered in respect of the Demerged Undertaking Liabilities as transferred to the Resulting Company pursuant to this Scheme. Further, in so far as the assets comprised in the Demerged Undertaking are concerned, the encumbrance over such assets relating to any loans, liabilities, borrowings or other debts which are not transferred to the Resulting Company pursuant to this Scheme and which continue with the Demerged Company shall without any further act, instrument or deed be released from such encumbrance and shall no longer be available as security in relation to such liabilities and the Demerged Company shall provide such other security that may be agreed between the Demerged Company and the respective lenders having the encumbrance. The absence of any

formal amendment which may be required by a lender or trustee or third party shall not affect the operation of the above;

- 4.2.10 Notwithstanding the generality of the foregoing provisions, all electricity, gas, water and any other utility connections and tariff rates in respect thereof sanctioned by various public sector and private companies, boards, agencies and authorities in different states pertaining to the Demerged Undertaking, together with security deposits and all other advances paid, shall stand transferred in favour of the Resulting Company on the same terms and conditions by operation of law and without any further act, instrument, deed, matter or thing being made, done or executed. The relevant electricity, gas, water and any other utility companies, boards, agencies and authorities shall issue invoices in the name of the Resulting Company with effect from the billing cycle commencing from the month immediately succeeding the month in which the Effective Date occurs. The Resulting Company shall comply with the terms, conditions and covenants associated with the grant of such connection and shall also be entitled to refund of security deposits placed with such companies, boards, agencies and authorities in respect of the Demerged Undertaking;
- 4.2.11 Subject to Clause 4 and any other provisions of this Scheme, in respect of any refund, benefit, claim receivable, incentive, grant or subsidy in relation to or in connection with the Demerged Undertaking, the Demerged Company shall, if so required by the Resulting Company, issue notices in such form as the Resulting Company may deem fit and proper, stating that pursuant to the Tribunal having sanctioned this Scheme, the relevant refund, benefit, claim receivable, incentive, grant or subsidy be paid or made good to or held on account of the Resulting Company, as the Person entitled thereto, to the end and intent that the right of the Demerged Company to recover or realise the same stands transferred to the Resulting Company and that appropriate entries should be passed in their respective books to record the aforesaid changes;
- 4.2.12 On and from the Effective Date, all cheques and other negotiable instruments and payment orders received or presented for encashment which are in the name of the Demerged Company and are in relation to or in connection with the Demerged Undertaking, shall be accepted by the bankers of the Resulting Company and credited to the account of the Resulting Company, if presented by the Resulting Company;
- 4.2.13 Permits, including the benefits attached thereto of the Demerged Company, in relation to the Demerged Undertaking, shall be transferred to the Resulting Company from the Appointed Date, without any further act, instrument or deed and shall be appropriately mutated or endorsed by the Appropriate Authorities concerned therewith in favour of the Resulting Company as if the same were originally given by, issued to or executed in favour of the Resulting Company and the Resulting Company shall be bound by the terms, obligations and duties thereunder, and the rights and benefits under the same shall be available to the Resulting Company to carry on the operations of the Demerged Undertaking without any hindrance, whatsoever;
- 4.2.14 Contracts in relation to the Demerged Undertaking, where the Demerged Company is a party, shall stand transferred to the Resulting Company pursuant to the Scheme becoming effective. The absence of any formal amendment which may be required by a third party to effect such transfer shall not affect the operation of the foregoing sentence. The Demerged Company and the Resulting Company shall, wherever necessary, enter into and/or execute deeds, writings, confirmations or novations to all such contracts, if necessary, in order to give formal effect to

the provisions of this Clause.

- 4.2.15 Coming into effect of this Scheme, the borrowing limits of the Resulting Company in terms of section 180 (1)(c) Act shall be deemed to be increased without any further act, instrument or deed to the equivalent of aggregate borrowings forming part of the demerged liabilities transferred by the Demerged Company to the Resulting Company pursuant to the Scheme such limits shall be incremental to the existing borrowing limits of the Resulting Company.
- 4.2.16 On and from the Effective Date and till such time that the name of the bank accounts of the Demerged Company, pertaining to the Demerged Undertaking, have been replaced with that of the Resulting Company, the Resulting Company shall be entitled to maintain and operate such bank accounts of the Demerged Company, in the name of the Demerged Company for such time as may be determined to be necessary by the Resulting Company. All cheques and other negotiable instruments, payment orders received or presented for encashment which are in the name of the Demerged Company, in relation to or in connection with the Demerged Undertaking, after the Effective Date shall be credited to the account of the Resulting Company.
- 4.3 Without prejudice to the provisions of the foregoing sub-clauses of this Clause 4 and upon the effectiveness of this Scheme, the Demerged Company and the Resulting Company may execute any and all instruments or documents and do all acts, deeds and things as may be required, including executing necessary confirmatory deeds for filing with the trademark registry and Appropriate Authorities, filing of necessary particulars and/ or modification(s) of charge with the concerned RoC or filing of necessary applications, notices, intimations or letters with any Appropriate Authority or Person to give effect to this Scheme. The Demerged Company shall take such actions as may be necessary to get the assets pertaining to the Demerged Undertaking transferred to and registered in, the name of the Resulting Company, as per the Applicable Law.
- 5. EMPLOYEES**
- 5.1 Upon effectiveness of the Scheme and with effect from the Appointed Date, all employees of the Demerged Company engaged in or in relation to the Demerged Undertaking shall become the employees of the Resulting Company on terms and conditions no less favourable than those on which they are engaged by the Demerged Company and without any interruption in service.
- 5.2 The accumulated balances, if any, standing to the credit in favour of the aforesaid employees in the existing provident fund, gratuity fund, superannuation fund and any other fund of which they are members, as the case may be, will be transferred to the respective funds of the Resulting Company set-up in accordance with Applicable Law and caused to be recognized by the Appropriate Authorities or to the funds nominated by the Resulting Company. Pending the transfer as aforesaid, the dues of the said employees would continue to be deposited in the existing provident fund, gratuity fund, superannuation fund and other fund respectively of Demerged Company.

9.1. Accounting treatment in the books of the Demerged Company

Notwithstanding anything else contained in the Scheme upon the Scheme becoming effective:

- 9.1.1 The Demerged Company shall account for the demerger as per Scheme in its books of accounts in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013, as notified under the Companies (Indian Accounting Standard) Rules, 2015 and generally accepted accounting principles, as may be amended from time to time.

Pursuant to the Scheme coming into effect and with effect from the Appointed Date, the Demerged Company shall transfer from its financial statements all the assets and liabilities including all reserves (general reserve, securities premium, other comprehensive income and retained earnings) pertaining to the Demerged Undertaking as on the Appointed Date at the values appearing in its books of account (i.e. book values) to the Resulting Company.

- 9.1.2 The Demerged Company shall use reduction in securities premium arising due to capital reduction as prescribed under Clause 11 of the Scheme to adjust such debit impact.

9.2. Accounting treatment in the books of the Resulting Company

Notwithstanding anything else contained in the Scheme, upon the Scheme becoming effective:

- 9.2.1. The Resulting Company shall account for the demerger by the Demerged Company to the Resulting Company as per Scheme in its books of accounts in accordance with Ind AS notified under Section 133 of the Companies Act, 2013, as notified under the Companies (Indian

Accounting Standard) Rules, 2015 and generally accepted accounting principles, as may be amended from time to time. In applying demerger accounting, the Resulting Company shall, among other matters, ensure accounting policies of demerged undertaking are aligned to the accounting policies followed by the Resulting Company.

- 9.2.2. The Resulting Company shall record the assets and liabilities of the Demerged Undertaking, transferred to and vested in it pursuant to the Scheme, at their respective book values as appearing in the books of account of the Demerged Company immediately before the Appointed Date;
- 9.2.3. The identity of the reserves of the Demerged Undertaking shall be preserved and the Resulting Company shall record the reserves of the Demerged Company in the same form and at the same values as they appear in the financial statements of the Demerged Company;
- 9.2.4. The Resulting Company shall credit its equity share capital in lieu of purchase consideration payable to the shareholders of the Demerged Company at aggregate face/ nominal value of Resulting Company New Equity Shares issued pursuant to clause 8.1 above.
- 9.2.5. Due to Capital Reduction as prescribed under Clause 10 of this Scheme, the shares held by the Demerged Company in the Resulting Company shall stand cancelled. The Resulting Company shall credit the corresponding amount to the respective reserves.
- 9.2.6. The difference in the value of assets and liabilities recorded by the Resulting Company as recorded by the Resulting Company after considering the impact of clause 9.2.3, 9.2.4 and 9.2.5 shall be credited to capital reserve, if any.
- 9.2.7. When the financial statements of Resulting Company are prepared under Indian Accounting Standards (Ind AS), as per Ind AS 103, the financial information in the financial statements in respect to prior periods shall be restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of combination.

CHAIRMAN'S MESSAGE

Dear Shareholders,

The past financial year presented a challenging macroeconomic landscape. Your Prima remained steadfast—anchored by our core values of quality, innovation, and integrity.

Our international operations in Guatemala and Cameroon have shown commendable performance. Both entities are growing independently and steadily establishing themselves as market leaders in their respective regions. These facilities reflect our commitment to becoming a truly global company.

While growth this year was moderate, the structural foundations we've built—across product innovation, operational efficiency, and market reach—have positioned us well for the future. We remain optimistic about the opportunities ahead and are confident in our ability to navigate evolving market conditions.

On behalf of the Board, I thank our employees, partners, and shareholders for their continued support and trust.

Mr. Bhaskar M. Parekh

The said Resolution / Authorization shall be sent by mail through its registered email address to the Company at investor@primaplastics.com.
7. The register of directors and key managerial personnel (KMP) and their shareholding, maintained under Section 170 of the Act, and the register of contracts or arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee from the date of circulation of this Notice up to the date of AGM, i.e. August 12, 2025. Members seeking to inspect such documents can send an email to investor@primaplastics.com.
8. The Register of Members and the Share Transfer Books of the Company will remain closed from Wednesday, August 06, 2025 to Tuesday, August 12, 2025, both days inclusive for the purpose of AGM and for determining the entitlement of the Members for payment of final dividend for financial year 2024-25, if approved at the AGM.
9. Any persons, who acquires shares of the Company and becomes member of the Company after dispatch of the notice and holding shares as of the cut-off date i.e., Tuesday, August 05, 2025, may obtain the login ID and password by sending a request at Issuer/RTA.

10. Members may note that the Board, at its meeting held on Tuesday, May 27, 2025, has recommended a final dividend of ₹2.00 (Rupee Two Only) per share. The record date ("cut-off date") for the purpose of final dividend is Tuesday, August 05, 2025. The final dividend, if approved by the members in the ensuing AGM, will be paid within 30 days from the date of approval subject to deduction of tax at source, electronically through various permissible online transfer modes to those members who have updated their bank account details. For members who have not updated their bank account details, dividend warrants / demand drafts / cheques will be sent to their registered addresses. To avoid delay in receiving dividend, members are requested to update their KYC with their Depository Participant ("DP") (where shares are held in dematerialized mode) and with the Company's Registrar and Transfer Agent ("RTA") (where shares are held in physical mode) to receive dividend directly into their bank account on the pay-out date.
11. Pursuant to Income-tax Act, 1961, as amended, and Finance Act, 2020, and amendments thereof, dividend income is taxable in the hands of the members and the Company is required to deduct TDS from dividend paid to the members at rates prescribed in the Income-tax Act, 1961. For Resident members, TDS shall be deducted under Section 194 of the Income-tax Act, 1961 @10% on the amount of Dividend declared and paid by the Company during the financial year 2025-26, provided PAN is provided by the member. If PAN is not submitted to the Company/RTA (in case shares are held in physical mode)/not updated in their demat account (in case shares are held in demat mode)/PAN is not linked with Aadhaar, TDS would be deducted at a rate of 20% as per Section 206AA of the Income-tax Act, 1961. However, no TDS shall be deducted on the Dividend payable to a resident Individual if the total dividend received/to be received during the financial year 2025-26 does not exceed ₹10,000. Non-resident members can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits. Members may download and submit the aforementioned documents on the website of the RTA viz. <https://www.bigshareonline.com/index.aspx> and by sending an email to RTA at investor@bigshareonline.com on or before Tuesday, August 05, 2025 in order to enable the Company to determine and deduct appropriate tax. No communication on the tax determination/deduction shall be entertained post Tuesday, August 05, 2025. It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details/documents from the members, there would still be an option available with the members to file the return of income and claim an appropriate refund, if eligible. TDS certificates in respect of tax deducted, if any, will be sent to the shareholders at their registered email addresses. Shareholders can also check their tax credit in Form 26AS from the e-filing account at <https://www.incometax.gov.in/iec/foportal> or "View Your Tax Credit" on <https://www.tdscpc.gov.in>.
12. Members are requested to address all correspondence to RTA, including dividend related matters, Bigshare Services Private Limited, Unit: Prima Plastics Limited, Office No S6-2, 6th floor Pinnacle Business Park, Next to Ahura Centre, Mahakali Caves Road, Andheri (East) Mumbai - 400093, India.
13. Members are requested to note that, dividends if not encashed for a period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). Further, all the shares in respect of which dividend has remained unclaimed for 7 consecutive years or more from the date of transfer to unpaid dividend account shall also transferred to IEPF demat account. In view of this, members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends / shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web based Form No. IEPF-5 available on www.iepf.gov.in. For instructions regarding the same, please refer to https://www.primaplastics.com/pdf/investor/iepf5helpkit_20220320.pdf.
14. In terms of Regulation 40 of the Listing Regulations, securities of listed companies can only be transferred in dematerialized form with effect from April 01, 2019. Accordingly, Members holding shares in physical form are advised to dematerialize their shares.
15. Members are requested to intimate changes, if any, pertaining to their name, address, e-mail address, telephone / mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, etc., to their DP if the shares are held by them in dematerialized form and to RTA if the shares are held by them in physical form.

16. The Securities and Exchange Board of India (SEBI) vide its circular No. SEBI/HO/MIRSD/DOP1/ CIR/P/2018/73 dated 20th April, 2018 has mandated registration of Permanent Account Number (PAN) and Bank Account details for all securities holders. Members holding shares in physical form are therefore, requested to submit their PAN and Bank Account details to company or its RTA by sending a duly signed letter along with self-attested copy of PAN Card and original cancelled cheque. The original cancelled cheque should bear the name of the Member. In the alternative, Members are requested to submit a copy of bank passbook / statement attested by the bank. Members holding shares in Demat form are requested to submit the aforesaid information to their respective Depository Participant. The shareholders holding shares in physical form can register their nomination by sending request to the RTA of the Company.
17. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said form can be downloaded from the <https://www.primaplastics.com/information-for-shareholder.php>. Members are requested to submit the said details to their DP in case the shares are held by them in demat form and to RTA in case the shares are held in physical form.
18. The recorded transcript of the AGM shall be made available on the website of the Company at www.primaplastics.com as soon as possible after the conclusion of AGM.

PROCESS FOR DISPATCH OF ANNUAL REPORT AND REGISTRATION OF E-MAIL ID FOR OBTAINING COPY OF ANNUAL REPORT OF THE COMPANY:

19. The aforesaid Circulars have granted exemption to the companies from printing and dispatching physical copies of Annual Reports for events till September 30, 2025, thereby allowing the companies to send Annual Reports by e-mail. Accordingly, the Annual Report of the Company for the financial year 2024-25 is being sent only through e-mail to those Members whose e-mail addresses are registered with the Company / DPs.
20. In accordance with Regulation 36(1)(b) of the Listing Regulations, the Company will send letters to the Members, who have not registered their email IDs, informing them that the Annual Report is available on the Company's website at <https://www.primaplastics.com/annual-report.php>
21. Members may also note that the Notice of the 31st AGM and the Integrated Annual Report 2024-25 will also be available on the Company's website at www.primaplastics.com website of the Stock Exchange, i.e. BSE Limited at www.bseindia.com and on the website of CDSL at www.evotingindia.com.
22. Members who have not yet registered their e-mail address with the Company / RTA or with their respective DP are requested to register the same with their DPs in case the shares are held by them in demat form and with RTA in case the shares are held by them in physical form.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

The following Explanatory Statements, as required under Section 102(1) of the Companies Act, 2013 ("Act") and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"), set out all material facts relating to the business proposed to be transacted under Item Nos. 4, 5 & 6 of the accompanying Notice dated May 27, 2025.

Item No. 4: Appointment of M/s P. Diwan & Associates, Practising Company Secretaries as Secretarial Auditors of the Company for period of 5 consecutive financial years:

Pursuant to the provisions of Section 204 of the Companies Act, 2013, and relevant rules thereunder and Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), every listed company is required to obtain Secretarial Audit Report and Secretarial Compliance Report issued by a Practising Company Secretary.

SEBI vide its notification dated December 12, 2024, amended the SEBI Listing Regulations, 2015. The amended regulations require companies to obtain shareholders' approval for appointment of Secretarial Auditors, in addition to approval by the Board of Directors. Further, such Secretarial Auditor must be a peer reviewed company secretary and should not have incurred any of the disqualifications as specified by SEBI.

Brief profile / Credentials of the Secretarial Auditor:

M/s P. Diwan & Associates, Practising Company Secretaries has been established in the year 2015 as a Partnership Firm. CS Prashant Diwan is a senior Partner and has total working experience of more than 42 years. The other partners of P. Diwan & Associates are CS Nikunj Kiri and CS Aashit Doshi. Team of M/s P. Diwan & Associates includes qualified Company Secretaries with modern office at Mumbai. M/s P. Diwan & Associates has gradually expanded its resource team and services to provide professional services relating to corporate law, secretarial audit, scrutinizer, FDI/FEMA, due

diligence, M&A, winding-up and such other secretarial work.

M/s P. Diwan & Associates has successfully provided professional services to various corporate clients including Incorporation, day-to-day compliances, Govt approvals. Clients of P. Diwan & Associates include large Corporate Groups, Listed Entities, Foreign Corporates, Subsidiaries of Foreign Companies, Medium and Small Enterprises (SMEs), NGO/Trust, LLPs etc.

In view of above, the Audit Committee and the Board of Directors at their respective meetings after considering the experience, expert and independence of the Audit Firm has recommended the appointment of M/s. P. Diwan & Associates, Peer Reviewed Firm of Company Secretaries in Practice (Firm Registration Number: P2015MH041400) as Secretarial Auditors for a term of 5 (five) consecutive financial years commencing from April 01, 2025 till March 31, 2030 on a remuneration as may be decided by the Board.

The details required to be disclosed under provisions of Regulation 36(5) of the Listing Regulations are as under:

The proposed remuneration to be paid to M/s P. Diwan & Associates for the financial year ending March 31, 2026, is ₹90,000/- (Rupees Ninety Thousand only) plus applicable taxes and out-of-pocket expenses. Besides the audit services, the Company would also obtain certifications which are to be mandatorily received from the Secretarial Auditors under various statutory regulations from time to time, for which the auditors will be remunerated separately on mutually agreed terms. The Board of Directors and the Audit Committee shall approve revisions to the remuneration of the Secretarial Auditors, for the balance part of the tenure based on review and any additional efforts on account of changes in regulations, restructuring or other considerations. The Board of Directors in consultation with the Audit Committee may alter or vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Secretarial Auditors.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No.4.

The Board recommends Ordinary resolution under Item No. 4 of the accompanying Notice for approval of Members.

Item No.5 - Re-appointment of Mr. Bhaskar M. Parekh as the Whole-time Director of the Company:

Management Discussion & Analysis Report

GLOBAL ECONOMY AND OUTLOOK

The global economy expanded by 3.3% in year 2024, demonstrating resilience in the face of changing monetary policies, trade volatility, and geopolitical crises. According to the International Monetary Fund (IMF) economic analysis, the global economic growth was at 2.8% (April 2025) for 2025, which is projected to rise marginally to 3.0% in 2026. Both figures remain below the historical average (2000–19) of 3.7%, reflecting persistent macroeconomic challenges and geopolitical uncertainties. Ongoing conflicts in Ukraine, Gaza, and the Red Sea region, coupled with recent trade disruptions—particularly the imposition of new tariffs by the United States—have weighed on investor sentiment and contributed to increased market volatility. Recent US tariffs and trade policy changes have triggered uncertainty across global markets, as businesses and consumers were grappled with potential inflationary pressures and employment concerns.

Indian Economy and Outlook

India is expected to maintain its growth trajectory despite global uncertainties. India's economy stands out as a beacon of resilience with IMF projecting GDP growth of 6.8% in FY 25 and 6.5% in FY 26, supported by resilient consumption patterns, an expanding working-age population, and ongoing government investments in infrastructure. This development and growth driving aspect for Indian economy can be seen due to robust domestic demand for Indian products, sustained public investment and favorable demographics. The inflation index stands at 4.6% in FY 25 and further to 4.2% in FY 26, aligning with the Reserve Bank of India's target range, thereby contributing to macroeconomic stability.

Structural reforms such as 'Make in India', accelerated digitalization, and improvements in taxation and labor laws have enhanced India's attractiveness as a global manufacturing and service hub. To counter the tariff issue laid forward by the US, India is actively pursuing a bilateral trade deal with the US, while exploring other cost-effective mechanisms and market diversification strategies to mitigate impact.

Furthermore, the global shift under the 'China Plus One' strategy has opened significant opportunities for India, resulting in increased foreign investment and deeper integration into global supply chains.

Industry Structure and Development

Plastic industry has shown a strong focus on sustainability and environmental ecosystem. The demand for plastic products has continued to rise and with rapid digitalization of economy and scope for better out-reach across India, the plastic industry has gained a momentum. With over 2,500 exporters, the plastic business is widespread throughout the nation. It has approximately 30,000 processing facilities and more than 4 million employees nationwide, 85–90% of which are small and medium-sized businesses.

The Plastic Export Promotion Council (PLEXCONCIL) aims to boost the country's plastic exports to US\$25 billion by 2027. India's plastic industry will also benefit from government programs like "Digital India," "Make in India," and "Skill India." For example, the government intends to decrease reliance on imported goods under the "Digital India" initiative, which will benefit local plastic component producers.

Business Overview

Prima Plastics Limited stands as one of the India's leading manufacturer and producer of plastic furniture and material handling products. Your Company was established in 1993 and has marked its presence in India as well as in global markets. Your Company operates in a single segment—designing, producing, marketing, and supplying plastic moulded products in both domestic and international markets. With five manufacturing facilities across India (spanning three states and one union territory) and three international units, the Company continues to expand its operational footprint.

The Indian plastics industry is evolving rapidly, with increasing emphasis on innovation, diversification, and sustainable practices. Your Company remains aligned with these trends, placing a strong focus on product development and market responsiveness.

 - Participated in national and international trade exhibitions to build brand presence and explore new market opportunities.

Product Portfolio

Furniture Division –

Since its establishment, your Company has specialized in the production of injection moulded furniture and has progressively built a strong and reputable brand presence within the industry. Consistent delivery of high-quality products at competitive prices has positioned "*Prima*" as a reliable and valued name in the plastic moulded furniture segment. Brand recognition continues to strengthen, supported by well-executed online and offline marketing strategies, robust corporate initiatives, and expansion into previously underserved markets.

Recognizing the growing demand in India's flourishing wedding and event industry, your Company launched a premium range of Event and Decorative Chairs in the previous financial year. These elegant chairs, designed specifically for formal and celebratory occasions, have received an encouraging response from the customers. To further enhance its presence in the tent and décor segment, your Company aims to introduce additional newly designed products tailored to this niche. Recognizing customer needs for smarter storage solutions, your Company has launched the VIVA 1, 2, 3 Storage Cabinet – designed to expand storage space with elegance.

Recognizing the powerful influence of digital and social media, your Company is enhancing its digital footprint through platforms such as Facebook, Instagram, YouTube, LinkedIn, and the official Company website. Customers are regularly updated about new product launches, and informative assembly videos are provided to ensure ease and convenience. With focused efforts on Influencer Marketing and active social media engagement, the Company has built a social media presence with more than 10,000 followers.

Road Safety Products –

The in-house design and innovation team of your Company continues to push the boundaries in the development of advanced rotational moulding solutions, with a clear vision to enhance road safety and infrastructure aesthetics. Our Bull-Nose Barrier and Anti-Glare Screen / Light Barriers, widely used at toll plazas and highways, have emerged as high-performance products earning recognition for their durability, visibility, and efficiency in streamlining traffic flow.

We are committed to developing next-generation road safety products that blend innovation, durability, and design for the roads of tomorrow.

Material Handling Products –

The division expanded its product portfolio with the introduction of insulated boxes and shippers as well as water storage tanks, further scaling up its position in the industrial storage and logistics segment. These additions complement the existing range of crates and pallets used in cold storage, warehousing, and logistics. The product line continues to serve FMCG, food & beverage, and pharmaceutical industries, emphasizing durability and hygiene.

Waste Management–

During the year under review, your Company has expanded its Waste Management Division by introducing additional product sizes to meet the growing demand for higher-capacity solutions. In line with evolving end-user requirements, your Company launched 120-litre and 240-litre Community Bins, as well as 660-litre and 1100-litre Wheeled Bins. This expansion complements Prima's existing product range and further demonstrates its commitment to promoting sanitation and hygiene across the country under the "Swachh Bharat Abhiyan" initiative led by Honorable Prime Minister Shri Narendra Modi.

Prima Dustbins continue to emerge as a significant and growing segment within the Company's injection-moulded product line. These dustbins are manufactured using Food and Drug Administration (FDA)-approved, special UV-stabilized virgin grades of High-Density Polyethylene (HDPE), ensuring durability and safety. Notably, they are anti-corrosive, acid-resistant, and free from toxic elements, welds, or joints—making them ideal for robust and long-term use.

To support this growth and expand market reach, your Company continues to expand its Pan-India dealer network, ensuring Prima products are accessible to a wider consumer base. As a result, Prima Dustbins are steadily becoming a trusted and recognizable name, synonymous with quality, hygiene, and reliability in waste management solutions.

OPPORTUNITIES

During the year, your Company focused on expanding its business and increasing its presence both in physical markets and online platforms. With a strong base in the plastics industry, the Company explored new product areas and worked towards growing different business divisions to meet changing customer needs.

As part of this effort, the Company joined the Government e-Marketplace (GeM), which allows it to supply products directly to government departments and public sector companies. The initial response has been encouraging, and the Company looks forward to more opportunities through this platform.

Your Company also continued to strengthen its presence on popular e-commerce platforms such as Amazon, Flipkart, and DMart Ready, making products more easily available to customers across the country. Product development was guided by market research, helping the Company create useful and innovative products suited for modern lifestyles.

To increase visibility and connect with customers, the Company expanded its digital marketing activities. It remains active on social media platforms like Facebook, Instagram, and YouTube. These platforms have helped the Company reach more people, share product information, and answer customer queries. The YouTube channel also provides helpful videos showing how to assemble and use products, making the overall experience easier for customers.

THREAT

The plastics sector continues to face growing scrutiny due to its environmental impact and increasing public awareness of the consequences associated with plastic waste. This shift in perception has led to stricter regulatory measures, including government-imposed restrictions and bans on single-use plastics. Manufacturers are now being held more accountable for the plastic waste generated through their operations.

Your Company does not engage in the manufacturing of single-use plastic products that fall under the banned category. In alignment with the Plastic Waste Management Rules, the Company has registered itself as a Brand

Owner with the Central Pollution Control Board (CPCB). As part of its extended producer responsibility (EPR), the Company is committed to the proper collection and disposal of post-consumer plastic waste in accordance with applicable guidelines. These steps reflect the Company's proactive approach toward environmental responsibility and regulatory compliance.

EXPORTS

Your Company's consolidated export was worth ₹4,674.77 Lakhs during the year under review against ₹4352.94 Lakhs in previous year.

Company has strived to always maintain and build its relationship with the existing and prospective importers worldwide.

RISKS AND CONCERNS

The major risks that poses concern to your Company are summarized below:

Foreign Exchange Risk:

Your Company operates internationally and portion of the business is transacted in several currencies and consequently the company is exposed to foreign exchange risk through purchases from overseas supplies and sales & services overseas in foreign currencies. The foreign exchange transactions exposure could hinder the sourcing of raw materials and it could adversely affect company's financial performance.

To mitigate the risk, the Company regularly evaluates exchange rate exposure arising from foreign currency transactions. The Company follows the risk management policies and standard operating procedures to hedge exposure to forex currency risk.

Operating Business Risk:

Apart from the risks on account of foreign exchange and commodity prices, the business of the Company is exposed to certain business operating risk which may be internal or external risk, requiring quick identification, analysis and mitigation of risk by appropriate control measures and collective actions.

Raw Material Risk:

The Company is exposed to raw material supply and pricing risks due to geopolitical tensions, global supply chain disruptions, and volatile commodity markets. Price fluctuations in key inputs can directly impact production costs and margins. The Company continuously monitors global developments, diversifies sourcing strategies, and enters into long-term supply arrangements to ensure stability and mitigate the impact of raw material cost volatility.

Risks related to legislation and regulation:

Changes in the policies of the Government of India or worldwide political instability may adversely affect economic conditions in India generally, which could impact our business and prospects.

Our international expansion plans subject us to risks inherent to doing business internationally. The Company has an effective risk management framework in place to primarily control business and operational risks.

The Company's comprehensive Business Risk Management ("BRM") framework helps it identify risks and opportunities and monitor them. The major risk areas are periodically and systematically reviewed by the Senior Management of the Company. Comprehensive policies and procedures helps to identify, mitigate and monitor risks at various levels. By taking such proactive measures, the Company ensures that strategic business objectives are achieved seamlessly. The Company has a well-documented risk management policy, which is reviewed by the management periodically.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has established an adequate internal financial control framework, commensurate with the size, scale, and complexity of its operations. These controls are designed to provide reasonable assurance regarding the effectiveness and efficiency of operations, safeguarding of assets, prevention and detection of fraud and errors, and the accuracy and timeliness of financial reporting.

The Company has appointed Internal Auditors comprising professional Chartered Accountants. They conduct periodic audits across all units and locations and submit their reports to the Management. Based on the audit observation and recommendations, follow ups and remedial measures are being taken including review and increase in scope, on time to time.

The Audit Committee reviews reports submitted by the Internal Auditors and Statutory Auditors. The Audit Committee also ascertain the views of the statutory auditors on the adequacy and effectiveness of internal control systems and takes appropriate action.

Based on these evaluations and the overall framework in place, the Company believes that its internal financial controls are adequate and are operating effectively.

Dispute Resolution Mechanism at Stock Exchanges

To enable the Shareholders to raise any dispute against the Company or its RTA on delay or default in processing any investor services related request, SEBI has provided an option of 'Arbitration with Stock Exchanges (NSE and BSE)' as a Dispute Resolution Mechanism.

Online Dispute Resolution (ODR) Mechanism

As per SEBI Circulars issued from time to time, in case of any grievances, the Shareholders are advised to first approach the Company or its RTA. If the response is not received/not satisfactory, Shareholders can raise a complaint on SCORES/with Stock Exchanges, as detailed in the Escalation Matrix for Investor grievance available on the website of the Company. After exhausting all the above available options for resolution of the grievance, if the Shareholder is still not satisfied with the outcome, they can initiate dispute resolution through the ODR Portal at <https://smartodr.in/login>

During the year, there was no complaint filed under the SEBI Smart ODR Mechanism. As mentioned above, for effective use of the ODR process, shareholders are requested to initiate the Smart ODR process as the last resort after exhausting all available option for grievance redressal. The ODR serves as a platform for resolution of long pending disputes, which are otherwise difficult to be taken to a logical end.

Opinion

We have audited the standalone financial statements of **Prima Plastics Limited** ("the Company"), which comprise the standalone balance sheet as at March 31, 2025, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the "Auditor's Responsibilities for the Audit of the standalone financial statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, Corporate Governance Report and Management's Discussion and Analysis report, but does not include the financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India including Ind AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from

fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management;
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this report are in agreement with the books of accounts;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. As disclosed in note no. 32(A) to the standalone financial statements, the Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv.
 - a) The Management has represented that, to the best of its knowledge and belief, as disclosed in note no. 52(vii) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in note no. 52(viii) to the standalone financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on such audit procedures that we have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under a) and b) above, contain any material misstatement.
 - v.
 - a) The final dividend proposed in the previous year, declared and paid by the Company during the year, is in accordance with Section 123 of the Act;
 - b) As stated in note no. 42 of standalone financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act.
 - vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally, where audit trail (edit log) facility was enabled and operated in the previous year, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
3. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act read with Schedule V to the Act.

ANNEXURE A TO INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the Members of Prima Plastics Limited ("the Company") on the standalone financial statements for the year ended March 31, 2025]

To the best of our information and according to the explanations provided to us by the Company and the books of accounts and records examined by us in the normal course of audit, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment ("PPE") and relevant details of right-of-use assets;
- (B) The Company has maintained proper records showing full particulars of intangible assets;
- (b) The Company has a regular programme of physical verification of its PPE and right-of-use assets by which all items are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain PPE were physically verified by the management during the year and no material discrepancies were noticed on such verification;
- (c) As disclosed in note no. 2(A) to the standalone financial statements, the title deeds of all immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company as at the balance sheet date;
- (d) The Company has not revalued any of its PPE (including right-of-use assets) or intangible assets during the year;
- (e) As disclosed in note no. 52(v) to the standalone financial statements, no proceedings has been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder;
- (ii) (a) Inventory other than those lying with third parties has been physically verified by the management at regular intervals. In respect of inventory lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency of such verification is reasonable. Considering the size of the Company and nature of its operations the coverage and procedures are adequate.
The discrepancies noticed on physical verification of inventory did not exceed 10% or more for each class of inventory and the same have properly dealt with in the books of accounts;
- (b) As disclosed in note no. 19 to the standalone financial statements, the Company has working capital limits from banks or financial institutions exceeding five crore rupees during the year and the quarterly returns / statements filed by the Company are materially in agreement with the books of accounts;
- (iii) During the year, the Company has not provided any guarantee or security or granted any loans or advances in nature of loans, secured or unsecured to companies, firms, limited liability partnerships or other parties except for loan to employees and investment in its Wholly owned Subsidiary (WoS):
 - (a) (A) During the year, the Company has not provided any loans or advances in the nature of loans, or stood guarantee, or provided security to its subsidiary and Joint Venture during the year. Accordingly, reporting under clause 3(iii)(a)(A) of the Order is not applicable;
 - (B) During the year, the Company has provided loans or advances in the nature of loans to its employees, the details of which are as under:

(₹ In Lakhs)

Particulars	Amount
Aggregate amount granted/ provided during the year	
- Others	
- Employees	82.55
Balance outstanding as at the Balance sheet date	
- Others	
- Employees	68.80

- (b) In our opinion, during the year, the terms and conditions of the grant of all loans and advances in the nature of loan to its employees and investments made in WoS are prima facie not prejudicial to the interest of the Company;
- (c) In respect of loans given by the Company to its employees, the schedule of repayment of principal and payment of interest has been stipulated, and the repayments of principal amounts and receipts of interest are regular as per stipulation;
- (d) In respect of loans given by the Company, there is no overdue amount for more than ninety days;
- (e) No loans granted by the Company has fallen due during the year that have been renewed or extended or fresh loans granted to settle the overdue of existing loans;
- (f) In respect of loans granted by the Company to its employees during the year, there were no amount granted which were either repayable on demand or without specifying any terms or period of repayment;
- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable;
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits to which directives issued by Reserve Bank of India and provisions of Sections 73 to 76 of the Act or other relevant provisions and the Rules framed there under. We were informed by the Management that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal in this regard. Accordingly, Clause 3(v) of the Order is not applicable;
- (vi) The Central Government has specified maintenance of cost records under sub-section (1) of Section 148 of the Act only in respect of specified products of the Company. For such products, we have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under the aforesaid section, and are of the opinion that, prima facie the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.;
- (vii) (a) On the basis of our examination of records and according to the information and explanations given to us, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and any other statutory dues applicable to it with the appropriate authorities;

There were no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and other statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable;

- (b) There are no dues of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities on account of any dispute, which have not been deposited by the Company;
- (viii) As disclosed in note no. 52(ix) of the standalone financial statements, there are no transactions which are not recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961;
- (ix)
 - (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;
 - (b) As disclosed in note no. 52(x) of the standalone financial statements, the Company is not declared wilful defaulter by any bank or financial institution or other lender;
 - (c) Term loans have been utilized for the purpose for which the loans were obtained;
 - (d) On an overall examination of the standalone financial statements of the Company, no funds raised on short term basis have been used for long term purposes;
 - (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary or joint venture;
 - (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiary or joint venture;
- (x)
 - (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable;
 - (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable;
- (xi)
 - (a) No fraud by the Company or on the Company have been noticed or reported during the year;
 - (b) No report under sub-section (12) of Section 143 of the Act has been filed in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report;
 - (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year;
- (xii) The Company is not a Nidhi Company. Accordingly, reporting under clause 3(xii) of the Order is not applicable;
- (xiii) The Company is in compliance with Section 177 and 188 of the Act where applicable and the details of such related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards;
- (xiv)
 - (a) The Company has an adequate internal audit system commensurate with the size and nature of its business;
 - (b) We have considered, internal audit reports issued to the Company during the year and till date for the period under audit;

- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with directors and hence provision of section 192 of the Act are not applicable;
- (xvi) (a),(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause (xvi)(a) and (b) of the Order is not applicable;
 - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3(xvi)© of the Order is not applicable;
 - (d) The Company is not part of any Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3 (xvi)(d) of the Order is not applicable;
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year;
- (xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable;
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date;

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due;
- (xx) The Company is not required to spend any amount under Section 135(5) of the Act. Accordingly, reporting under clause 3(xx)(a) and clause 3(xx)(b) of the Order is not applicable.

ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Prima Plastics Limited ("the Company") on the standalone financial statements for the year ended March 31, 2025]

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("Act")

Opinion

We have audited the internal financial controls with reference to standalone financial statements of **Prima Plastics Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's Responsibility for Internal Financial Controls with reference to Standalone Financial Statements

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with reference to Standalone Financial Statements

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A Company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that:

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes Forming Part of the Standalone Financial Statements

Note 1 : Company Overview and Material Accounting Policy Information:

Corporate information:

The Prima Plastics Limited ("the Company") is a Public Limited Company, incorporated in India and has registered office at 98/4 Prima House, Daman Industrial Estate, Kadaiya, Nani Daman, Daman – 396210. The Company's equity shares are listed on the Bombay Stock Exchange Limited.

The Company is one of the leading plastic articles manufacturing company in India having Five manufacturing facilities spread across the country.

The Board of Directors approved the financial statements for the year ended March 31, 2025 and authorised for issue on May 27, 2025.

Material Accounting Policy Information:

A. Basis of Preparation

a) Statement of Compliance:

These Standalone Financial Statements are prepared in accordance with the Indian Accounting Standards ("Ind AS") specified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and the presentation requirements of Division II of Schedule III of Companies Act, 2013.

These Standalone financial statements includes Balance Sheet as at 31 March 2025, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Cash flows and Statement of changes in equity for the year ended March 31, 2025, and a summary of material accounting policy information and other explanatory information (together hereinafter referred to as "Financial Statements").

b) Basis of Measurement:

The financial statements have been prepared on a historical cost basis using the accrual method of accounting basis, except for the following assets and liabilities:

- (i) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments); and
- (ii) Net defined benefit plan where plan assets are measured at fair value

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern. The accounting policies have been consistently applied by the Company unless stated otherwise.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs (except Earnings per share) as per the requirement of Schedule III, unless otherwise stated.

c) Classification of Current / Non-Current Assets and Liabilities:

Operating Cycle:

The operating cycle of an entity is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. When the entity's normal operating cycle is not clearly identifiable, it is assumed to be twelve months."

The Company has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities.

For the purpose of Balance Sheet, an asset is classified as current if:

- (a) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- (b) it holds the asset primarily for the purpose of trading;
- (c) it expects to realise the asset within twelve months after the reporting period; or

Notes Forming Part of the Standalone Financial Statements

- (d) the asset is cash or a cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

An entity shall classify all other assets as non-current.

Similarly, a liability is classified as current if:

- (a) it expects to settle the liability in its normal operating cycle;
- (b) it holds the liability primarily for the purpose of trading;
- (c) the liability is due to be settled within twelve months after the reporting period; or
- (d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

An entity shall classify all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current only.

d) Functional and Presentation Currency:

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

B. Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the periods presented. Actual results may differ from these estimates and judgements.

The Management believes that the estimates and associated assumptions made in the preparation of these financial statements are based on historical experience and other factors that are considered to be relevant.

Estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognised prospectively.

The following are the significant areas of estimation, uncertainty, and critical judgements in applying accounting policies:

a) Estimates and assumptions:

(i) Useful Lives of Property, Plant & Equipment:

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

(ii) Defined Benefit Plans:

The accounting of employee benefit plans in the nature of defined benefit requires the Company to use assumptions. These assumptions have been explained under employee benefits note.

(iii) Impairment of investments in subsidiaries and joint-venture:

The Company reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of Profit and Loss.

Notes Forming Part of the Standalone Financial Statements

(iv) Impairment of Financial Assets (other than at fair value):

The impairment provisions for Financial Assets are based on assumptions about risk of default. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

(v) Impairment of Non-Financial Assets:

The Company assesses at each reporting dates as to whether there is any indication that any Property, Plant and Equipment or Intangible assets or other class of an asset or Cash Generating Unit ('CGU') may be impaired. If any such indication exists, the recoverable amount of the assets or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

(vi) Provisions

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change.

b) Judgements:

(i) Assessment of Lease term

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

(ii) Provision for income tax and deferred tax assets:

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions. The provision for taxation for the current year has been determined by the Management based on the tax position to be considered for tax filing and its assessment of the probability of acceptance of the same by the taxation authorities.

A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

(iii) Contingencies:

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management judgement is involved in classification under 'remote', 'possible' or 'probable' which is carried out based on expert advice, past judgements, experiences etc.

C. Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under

Notes Forming Part of the Standalone Financial Statements

Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind As 116 – Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements.

On May 07, 2025, MCA notified the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 01, 2025. The Company is currently assessing the probable impact of these amendments on its financial statements.

D. Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any.

Freehold land is measured at cost and is not depreciated.

Cost includes purchase price, non-recoverable taxes and duties, labour cost and direct overheads for self-constructed assets and other direct costs incurred up to the date the asset is ready for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of Profit and Loss when incurred.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Depreciation on property, plant and equipment's is calculated on pro-rata basis on straight-line method using useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013.

The useful life is as follows:

No.	Nature	Useful Life
1	Buildings	30 – 60 years
2	Plant and Equipment	8 - 15 years
3	Furniture and Fixtures	10 years
4	Office Equipment	3 – 5 years
5	Vehicles	8 - 10 years

The useful lives are reviewed at each year end. Changes in useful lives are treated as change in accounting estimates.

The residual values are not more than 5% of the original cost of the assets. The asset's residual values and useful lives are reviewed and adjusted if appropriate.

An item of property, plant and equipment is derecognized on disposal. Any gain or loss arising from derecognition of an item of property, plant and equipment is included in the statement of Profit and Loss.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets.

The Company has chosen the carrying value of Property, Plant and Equipment existing as per previous GAAP as on date of transition to Ind AS i.e. April 01, 2015 as deemed cost .

Notes Forming Part of the Standalone Financial Statements

E. Capital Work in Progress

Capital work-in-progress comprises of property, plant and equipment that are not ready for their intended use at the end of reporting period and are carried at cost comprising direct costs, related incidental expenses, other directly attributable costs and borrowing costs.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

F. Intangible Assets

Intangible assets acquired are reported at cost less accumulated amortisation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Amortisation on other intangible assets is calculated on pro rata basis on straight line method using the useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013. The useful life is as follows:

No.	Nature	Useful Life
1	Software	5 years

The residual value of intangible asset is Nil. The amortisation period for intangible assets with finite useful lives is reviewed at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

Intangible assets which are not ready for intended use as on date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible asset is derecognised on disposal or when no future economic benefits are expected from use. Gains or losses arising from derecognition of an intangible asset is calculated as the difference between the net disposal proceeds and the carrying amount of the asset. Such gains or losses is recognised in the statement of Profit and Loss.

G. Right of use assets

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether.

- (i) the contract involves the use of identified asset;
- (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and;
- (iii) the Company has the right to direct the use of the asset.

Company is the lessee

The Company recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

Notes Forming Part of the Standalone Financial Statements

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Company uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise of fixed lease payments (less any lease incentives), variable lease payments, penalties, etc.

The lease liability is presented as a separate line in the Balance sheet.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Company remeasures lease liability and adjusts the right-of-use asset when the lease term changes, lease payments change due to an index or guaranteed residual value, or when a lease contract is modified.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset.

The right-of-use assets are presented as a separate line in Balance sheet. The Company applies Ind AS 36 Impairment of Assets to determine whether a right-of-use asset is impaired.

H. Investments in Subsidiaries & Joint Venture

The Company considers an investee company as a subsidiary company when it controls the investee company. Control is achieved when the Company is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Company controls an investee if, and only if, the Company has:

- Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee
- The ability to use its power over the investee to affect its returns.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether joint control exists are similar to those necessary to determine control over the subsidiaries.

Investments in Subsidiaries and Joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in Subsidiaries and Joint ventures, the difference between net disposal proceeds and the carrying amounts are recognised in the statement of Profit and Loss.

I. Financial Instruments and Fair Value Measurement

(A) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. All financial instruments are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets:

(i) Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through Statement of Profit & Loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

(ii) Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in two broad categories:

(a) Financial assets carried at amortised cost:

Financial assets that are held within a business model whose objective is to hold the asset in order to collect contractual cash flows that are solely payments of principal and interest are subsequently measured at amortised cost less impairment, if any. Interest income calculated using effective interest rate (EIR) method and impairment loss, if any are recognised in the statement of Profit and Loss.

(b) Financial assets at fair value:

- **Financial assets at fair value through other comprehensive income (FVTOCI):**

Financial assets that are held within a business model whose objective is achieved by both holding the asset in order to collect contractual cash flows that are solely payments of principal and interest and by selling the financial assets, are subsequently measured at fair value through other comprehensive income. Changes in fair value are recognized in the other comprehensive income (OCI). However, the Company recognises interest income and impairment losses and its reversals in the Statement of Profit and Loss.

On derecognition, cumulative gain or loss previously recognised in OCI is reclassified to the statement of profit and loss.

For equity instruments, the Company may make an irrevocable election to present in other comprehensive income (OCI) subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Notes Forming Part of the Standalone Financial Statements

- **Financial assets at fair value through profit or loss (FVTPL):**

A financial asset which is not classified in any of the above categories is subsequently fair valued through Statement of Profit and Loss.

For financial assets at FVTPL, net gains or losses, including any interest or dividend income, are recognised in the Statement of Profit and Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part) is derecognised (i.e. removed from the Company's balance sheet) when any of the following occurs:

- The contractual rights to cash flows from the financial asset expires;
- The Company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients thereby substantially transferring all the risks and rewards of ownership of the financial asset; or
- The Company neither transfers nor retains substantially all risk and rewards of ownerships and does not retain control over the financial assets.

In cases where Company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the Company continues to recognise such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognises an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

(iv) Impairment of financial assets

The Company applies expected credit losses ("ECL ") model for measurement and recognition of loss allowance on the following:

- Trade receivables;
- Financial assets measured at amortised cost (other than Trade receivables).

In case of Trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance.

In case of other assets (listed as b), the Company determines if there has been a significant increase in credit risk of the financial assets since initial recognition, if the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured as recognised as loss allowance.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant

Notes Forming Part of the Standalone Financial Statements

increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that are possible within 12-month from the reporting date.

ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcome, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

As a practical expedient, the Company uses a provision matrix to measure lifetime ECL on its portfolio of trade receivables. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables is adjusted for forward-looking estimates. At each reporting date, the historically observed default rates and changes in the forward-looking estimates are updated.

ECL allowance (or reversal) recognised during the period is recognised as expense (or income) in the Statement of Profit and Loss.

Financial liabilities

(i) Initial recognition and measurement:

All financial liabilities are recognised at fair value on initial recognition. Transaction costs in relation to financial liabilities, other than those carried at fair value through profit or loss (FVTPL), are added to the fair value on initial recognition.

(ii) Subsequent measurement:

For the purpose of subsequent measurement, financial liabilities are classified as follows:

- **Financial Liabilities at Amortised cost:**

Financial liabilities are classified as financial liabilities at amortised cost by default. Interest expense calculated using effective interest method is recognised in the statement of Profit and Loss.

The effective interest method is the method of calculating the amortised cost of a financial liability and of allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition .

- **Financial Liabilities at Fair value through profit or loss (FVTPL):**

Financial liabilities are classified as FVTPL if it is held for trading or is designated as such on initial recognition. Changes in fair value and interest expense on these liabilities are recognised in the statement of Profit and Loss.

Notes Forming Part of the Standalone Financial Statements

(iii) Derecognition:

A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

Derivative financial instruments:

The Company enters into derivative financial instruments viz. foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of Profit and Loss.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Financial Liabilities & Equity Instruments:

- **Classification as Debt or Equity:** Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of financial liability and an equity instrument.
- **Equity Instrument:** An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognised at the proceeds received.

(B) Fair value measurements

Fair value of financial assets and liabilities is normally determined by references to the transaction price or market price. If the fair value is not reliably determinable, the company determines the fair value using valuation techniques that are appropriate in the circumstances and for which sufficient data are available, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

J. Income taxes

Income tax expense comprises current tax and deferred tax. Income tax expense is recognised in the statement of Profit and Loss except when they relate to items that are recognised outside of Profit and Loss (whether in other comprehensive income or directly in equity), in which case tax is also recognised outside Profit and Loss.

Current Tax:

Current income taxes are determined on the basis of respective taxable income. The current income tax is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred Tax:

Deferred taxes are recognised basis the balance sheet approach on temporary differences, being the difference between the carrying amount of assets and liabilities in the Balance Sheet and its corresponding tax base, that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax assets and liabilities are computed separately.

Deferred tax assets are recognised only to the extent it is probable that future taxable profits will be available against which such assets can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets and liabilities are offset only if:

- a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable Company.

L. Inventories:

Inventories are valued as follows:

Raw Materials, Stores and Packing Materials:

Valued at lower of cost and net realisable value (NRV) after providing for obsolescence and other losses, where considered necessary. The comparison of cost and net realisable value is made on an item-by-Item basis. However, these items are considered to be realisable at cost, if the finished products, in which they will

Notes Forming Part of the Standalone Financial Statements

be used, are expected to be sold at or above cost. Cost is determined on Weighted Average basis which includes expenditure incurred for acquiring inventories like purchase price, import duties, taxes (net of tax credit) and other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Work-in-progress (WIP), finished goods, stock in trade:

Valued at lower of cost or NRV. Cost of finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities. Cost of inventories is computed on weighted average basis .

Waste / Scrap:

Waste/Scrap inventory is valued at NRV.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated cost necessary to make the sale.

M. Borrowing Costs:

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. assets which take substantial period of time to get ready for their intended use) are capitalised as part of the cost of that asset.

All other borrowing costs such as finance costs, interest expense on lease liabilities, etc. are recognized as an expense in the Statement of Profit and Loss in the period in which they are incurred.

N. Government Grants:

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received.

Government grants related to income are recognised in the Statement of Profit and Loss in the period in which they become receivable.

Government grants relating to property, plant and equipment are presented as deferred income and are credited to the Statement of Profit and Loss on a systematic and rationale basis over the useful life of the asset.

O. Provisions, contingent liabilities and contingent assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if:

- (iv) the company has a present obligation as a result of a past event,
- (v) a probable outflow of resources is expected to settle the obligation; and
- (vi) the amount of the obligation can be reliably estimated.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows.

Notes Forming Part of the Standalone Financial Statements

Contingent liability is disclosed in case of

- (i) a present obligation arising from a past event when it is not probable that an outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability; or
- (ii) a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are neither recognized nor disclosed .

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

P. Revenue from operations

(a) Recognition of revenue:

Revenue is recognised on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

(b) Measurement of revenue :

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentives, volume rebates and schemes, if any, as per contracts with customers. Transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring good or service to a customer. Taxes collected from customers on behalf of Government are not treated as Revenue.

(c) Performance obligations:

Sale of goods:

Revenue from contracts with customers involving sale of these products is recognized at a point in time when control of the product has been transferred at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Due to the short nature of credit period given to customers, there is no financing component in the contract.

Any amounts receivable from the customer are recognised as revenue after the control over the goods sold are transferred to the customer which is generally on dispatch of goods. Export sales are recognized on the issuance of Bill of Lading.

(d) Variable consideration:

This includes incentives, volume rebates, discounts etc. It is estimated at contract inception considering the terms of various schemes with customers and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.

(e) Schemes:

The Company operates several sales incentive scheme wherein the customers are eligible for several benefits on achievement of underlying conditions as prescribed in the scheme. Revenue from contract with customer is presented deducting cost of all these schemes.

Notes Forming Part of the Standalone Financial Statements

(f) Significant financing components:

In respect of advances from its customers, using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be within normal operating cycle.

(g) Export incentives:

Export incentives under various schemes notified by the Government have been recognised on the basis of applicable regulations, and when reasonable assurance to receive such revenue is established.

(h) Contract Balances:

Trade Receivables and Contract Assets

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

An entity's right to consideration in exchange for goods or services that the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

Contract liabilities

A contract liability is the obligation to transfer goods to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Q. Other Income:

- (a) Dividend income from investments is recognised when the shareholder's right to receive payment has been established.
- (b) Interest income is recognised using effective interest rate (EIR) method.

R. Employee Benefit Expenses:

(a) Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, incentives, etc. are charged to the Statement of Profit & Loss in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(b) Post-employment benefits:

The Company operates the following post employment schemes:

- (i) Defined contribution plans such as provident fund; and
- (ii) Defined benefit plans such as gratuity

Notes Forming Part of the Standalone Financial Statements

(i) Defined contribution plan:

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, for which both the employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are made to the Government Provident Fund monthly.

The Company has no obligation, other than the contribution payable to the funds. The Company's contributions to defined contribution plans are charged to the Statement of Profit & Loss as incurred.

(ii) Defined benefit plan

The Company has defined benefit plan for post-employment benefits, for all employees in the form of Gratuity administered through trust funded with Life Insurance Corporation of India. The Company's liabilities under Payment of Gratuity Act are determined on the basis of independent actuarial valuation.

The liability in respect of gratuity is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income (OCI) in the period in which they occur. Remeasurement recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss. Past service cost is recognised in the Statement of Profit and Loss in the period of a plan amendment. Interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the Statement of Profit and Loss.

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

The defined benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plan. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

S. Foreign Currency Transactions:

Foreign currency transactions are initially recorded at the rates prevailing on the date of the transaction. At the balance sheet date, foreign currency monetary items are reported using the closing rate. Exchange gains and losses arising on settlement and restatement are recognized in the Statement of Profit and Loss. Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rate at the date of the transaction.

T. Segment Reporting:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

In accordance with Ind AS 108, Operating Segment, the Managing Director is the Company's chief operating decision maker ("CODM"). The CODM evaluates the Company's performance and allocates resources based

Notes Forming Part of the Standalone Financial Statements

on an analysis of various performance indicators by business segments and geographic segments.

U. Earnings Per Share:

The Basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/loss after tax for the year attributable to the equity shareholders is divided by the weighted average number of equity shares outstanding during the year adjusted for the effects of all dilutive equity shares.

V. Statement of Cash flows:

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

W. Cash and Cash Equivalents:

Cash and Cash Equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short- term cash commitments.

X. Dividend:

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

Note 34: Employee Benefits (Ind AS 19)

A. Defined Benefit Plans:

Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company for payment of gratuity. The Company's defined benefit plan is funded with Life Insurance Corporation (LIC). The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy. There are no other post retirement benefits provided by the Company.

The present value of the defined benefit obligation, the related current service cost and past service cost, were measured using the projected unit credit method.

Inherent Risk :

The plan is defined in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

*The Sensitivity Analysis have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Discount rate:

The Discount rate is based on the prevailing market rates of Indian government securities for the estimated term of obligation.

Salary Escalation Rate:

The estimates of future salary are considered taking into account inflation, seniority, promotion and other relevant factors.

Funding arrangements and Funding Policy

The Company has purchased an insurance policy to provide for payment of gratuity to the employees. Every year, the insurance company carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such valuation is funded by the Company.

Risk Exposure and Asset Liability Matching

Through its defined benefit plan of Gratuity, the Company is exposed to its number of risks, viz. asset volatility, changes in return on assets, inflation risks and life expectancy. The Company has purchased insurance policy, which is a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The Insurance Company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk.

The Company's expected contribution during next year is ₹23.64 lakhs (March 31, 2024 ₹2.75 lakhs)

B. Defined Contribution Plans:

Amount recognised as an expense and included in Note No. 28 under the head "Contribution to Provident and other Funds" of Statement of Profit and Loss is ₹62.95 lakhs (March 31, 2024 ₹59.47 lakhs).

Note 35: Segment Reporting (Ind AS 108):

The Company has presented segment information in the consolidated financial statements. Accordingly, as per Ind AS 108 'Operating Segments', no disclosures related to segments are presented in these standalone financial statements (Refer Note 35 of Consolidated Financial Statement)

Note 41: Financial Risk Management Objectives and Policies (Ind AS 107):

The Company's principal financial liabilities comprise of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets include Investments, Loans and Other receivables, Cash and Cash Equivalents and Other Bank Balances that directly derive from its operations.

The Company is exposed to Market Risk, Credit Risk and Liquidity Risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

A. Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument.

The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and borrowings.

(a) Foreign Currency Risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the foreign currency borrowings, receivable against exports of finished goods, loan to foreign subsidiary, interest receivable on loan to subsidiary and the Company's net investments in foreign subsidiaries.

Notes Forming Part of the Standalone Financial Statements

The Company evaluates exchange rate exposure arising from foreign currency transactions. The Company follows established risk management policies and standard operating procedures and uses forward contracts, if required, to hedge exposure to foreign currency risk. Forward contract outstanding as on March 31, 2025 is USD **50,000** against foreign currency exposures. (March 31, 2024 USD Nil).

Outstanding Foreign Currency Exposure	As at March 31, 2025 (₹ in lakhs)	As at March 31, 2024 (₹ in lakhs)

Dividend Receivable:		
Euro	653.87	551.89

Foreign Currency Sensitivity on unhedged exposure:

Impact on Profit before tax due to increase in foreign exchange rate by 100 bps:

Sensitivity Analysis:

The following tables demonstrate the sensitivity to a reasonably possible change in USD, Euro exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities. Sensitivity due to unhedged Foreign Exchange Exposures is as follows:

Particulars	Year ended March 31, 2025 (₹ in lakhs)	Year ended March 31, 2024 (₹ in lakhs)
USD	1.68	1.06
Euro	6.54	5.52

Note: If the rate is decreased by 100 bps profit will decrease by an equal amount.

(b) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowing with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

INR	40.03	34.86

Notes Forming Part of the Standalone Financial Statements

Note: If the rate is decreased by 100 bps Profit will increase by an equal amount.

Interest rate sensitivity has been calculated assuming the borrowings outstanding at the reporting date have been outstanding for the entire reporting period

B. Credit Risk:

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily Trade Receivables), and from its investing and financing activities including Deposits with Bank, Security Deposits, Loans to Employees and other financial instruments.

(a) Trade Receivables:

Trade receivables are consisting of a large number of customers. The Company has credit evaluation policy for each customer and based on the evaluation credit limit of each customer is defined.

Gross Trade receivable as on March 31, 2025 ₹3,191.09 lakhs (March 31, 2024 ₹2,398.33 lakhs) The Company does not have higher concentration of credit risks to a single customer.

As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

As per policy, Receivables are classified into different buckets based on the overdue period ranging from 3 months to more than 3 years. There are different provisioning rates for government receivables and other receivables, each category having provision ranging from 2% to 100%. (Refer Note No.8)

Movement of Allowances for Credit Loss:

Particulars	Year ended March 31, 2025 (₹ in lakhs)	Year ended March 31, 2024 (₹ in lakhs)

Add: Provided during the Year	5.08	37.29
Less: Reversed during the Year	(11.20)	(2.89)
Closing Provision	153.48	159.60

(b) Cash and Cash Equivalent and Bank Deposit:

Credit Risk on cash and cash equivalent, deposits with the banks/financial institutions is generally low as the said deposits have been made with the banks/financial institutions who have been assigned high credit rating by international and domestic rating agencies. Investments of surplus funds are made only based on Investment Policy of the Company.

C. Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. Senior management of the Company is responsible for liquidity, funding as well as settlement management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

Note 55:

Previous year's figures have been regrouped and rearranged where necessary to conform to this year's classification. The Company has Loan to Employees. These loans were previously disclosed as Other Current Financial Assets presentation in the balance sheet. However, based on actual facts and review during the year, the management has considered ₹6.00 Lakhs as Other Non-Current Financial Assets. Accordingly, prior year comparatives as at March 31, 2024 have been restated. The management believes that the reclassification does not have any material impact on information presented in the balance sheet.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

PRIMA PLASTICS LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Prima Plastics Limited (hereinafter referred to as "Holding Company") and its subsidiaries (the Holding Company and its Subsidiaries together referred to as "the Group") and its joint venture, which comprise the consolidated balance sheet as at March 31, 2025, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of one subsidiary and joint venture as were audited/reviewed by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group (financial position) and its joint venture as at March 31, 2025, of its consolidated profit (financial performance) including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs"), specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the "Auditor's Responsibilities for the Audit of the consolidated financial statements" section of our report. We are independent of the Group, and its joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of reports of other auditors referred to in paragraph (i) and (ii) of the "Other Matters" section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on consideration of reports of other auditors on separate financial statements of the components audited/reviewed by them, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors and Management are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Director's Report, Corporate Governance Report and Management Analysis and Discussion statement, but does not include the financial statements and auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Group including its joint venture in accordance with the accounting principles generally accepted in India, including Ind AS. The respective Management and Board of Directors of the Companies included in the Group and of its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error,

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Companies included in the Group and of its joint venture are responsible for assessing the ability of the Group and its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective Management and Board of Directors either intends to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group and of its joint venture are also

responsible for overseeing the financial reporting process of the Group and of its joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and the subsidiary which is incorporated in India have adequate internal financial controls with reference to the consolidated financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management;
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint venture of which we are independent auditors and whose financial information we have audited to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For other entities included in the consolidated financial statements, which have been audited/reviewed by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits/review carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance of the Holding Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We did not audit the financial statements of one subsidiary, included in the consolidated financial statements, reflects total assets (before consolidation adjustments) of Rs. 4,648.37 lakhs as at March 31, 2025 and total revenue (before consolidation adjustments) of Rs. 6,182.91 lakhs and total net profit after tax of (before consolidation adjustments) Rs. 1,037.88 lakhs and other comprehensive income of (before consolidation adjustments) Rs.160.40 lakhs for the year ended March 31, 2025 respectively, as considered in the consolidated financial statements. Further, this subsidiary is located outside India, whose financial statements have been prepared in accordance with accounting principles generally accepted in their respective country and which have been audited by other auditor under generally accepted auditing standards applicable in their respective country. The Holding Company's management has converted the financial statements of such subsidiary from accounting principles generally accepted in their respective country to accounting principles generally accepted in India. An independent Chartered Accountant has audited these conversion adjustments made by the Holding Company's management.

Our opinion on the consolidated financial statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on the report of the other auditor and report of independent Chartered Accountant and the procedures performed by us as stated in paragraph "Auditor's Responsibilities for the Audit of the consolidated financial statements".

2. The consolidated financial statements includes the Group's share of net profit after tax of Rs. 1,119.74 lakhs, other comprehensive income is Rs. 19.21 lakhs for the fifteen months ended March 31, 2025, as considered in the consolidated financial statements, in respect of joint venture, whose financial statements have not been audited/reviewed by us (refer note no.44 to the consolidated financial statements). Further, this joint venture is located outside India, whose financial statements have been prepared in accordance with accounting principles generally accepted in their respective country and which have been audited/reviewed by other auditor under generally accepted auditing standards applicable in their respective country. The Holding Company's management has converted the financial statements of such joint venture from accounting principles generally accepted in their respective country to accounting principles generally accepted in India. An independent Chartered Accountant has audited these conversion adjustments made by the Holding Company's management.

Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this joint venture is based solely on the report of the other auditor and report of independent Chartered Accountant and the procedures performed by us as stated in paragraph "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements".

Our opinion is not modified in respect of the matters at 1 and 2 above with respect to our reliance on the work done

and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in paragraph 3(xxii) and 4 of the Companies (Auditors' Report) Order, 2020, ("the Order"/ "CARO"), issued by the Central Government in terms of section 143(11) of the Act, to be included in the Auditor's Report, according to the information and explanations given to us and based on the CARO Report issued by us to a subsidiary incorporated in India and included in the consolidated financial statements to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements of subsidiaries, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of other auditors;
 - (c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary incorporated in India and operating effectiveness of such controls, refer to our separate Report in "Annexure A"
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. As disclosed in note no. __ to the consolidated financial statements, the Group and its joint venture does not have any pending litigations which would impact its financial position;
 - ii. The Group and its joint venture did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary incorporated in India, during the year ended March 31, 2025;
 - iv. a) The Management of the Holding Company and subsidiary incorporated in India, whose financial statements have been audited under the act has represented that, to the best of its knowledge and belief, as disclosed in note no. 48(v) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any such subsidiary companies and joint venture to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether,

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The Management of Holding Company and subsidiary incorporated in India, whose financial statements have been audited under the act has represented, that, to the best of it's knowledge and belief, as disclosed in note no. 48 (vi) to the consolidated financial statements, no funds have been received by the Holding Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under a) and b) above, contain any material misstatement;
- v.
 - a) The final dividend proposed in the previous year, declared and paid by the Holding Company during the year, is in accordance with Section 123 of the Act.
 - b) As stated in note no.41 of consolidated financial statements, the Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act, as applicable.
 - c) The subsidiary company incorporated in India, has not declared or paid any dividend during the period and has not proposed final dividend for the period
 - vi. Based on our examination which included test checks, the Holding Company and subsidiary incorporated in India, has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) and the same was enabled throughout the year. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Holding Company as per the statutory requirements for record retention, as applicable. Further, preservation of audit trail is not applicable during the year to subsidiary incorporated in India, being first year of its incorporation.
3. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company and subsidiary company incorporated in India to its directors during the year is in accordance with the provisions of section 197 of the Act read with Schedule V to the Act.

ANNEXURE A TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")

Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2025, we have audited the internal financial controls with reference to consolidated financial statements of Prima Plastics Limited (hereinafter referred to as "the Company" or the "Holding Company") and its subsidiary company which is incorporated in India as of that date,

In our opinion, the Holding Company and its subsidiary company which is incorporated in India, have, in all material respects, adequate internal financial controls with reference to these consolidated financial statements and such internal financial controls with reference to these consolidated financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Reporting") issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company which is incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to consolidated financial statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for Internal Financial Controls

Our responsibility is to express an opinion on the Holding Company and its subsidiary company which is incorporated in India's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained of the subsidiary company, which is incorporated in India is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary company which is incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial control with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to these consolidated financial statements includes those policies and procedures that

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to these consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes Forming Part of the Consolidated Financial Statements

Note 1 : Company Overview and Material Accounting Policy Information :

Corporate information:

The Prima Plastics Limited ("The Holding Company") is a Public Limited Company, incorporated in India and has registered office at 98/4 Prima House, Daman Industrial Estate, Kadaiya, Nani Daman, Daman - 396210. The Company's equity shares are listed on the Bombay Stock Exchange Limited.

The Holding company & its subsidiaries are engaged in the manufacturing of plastic articles and related products. The Holding company, its Subsidiaries and Joint venture together referred as "the group".

The Board of Directors approved the consolidated financial statements for the year ended March 31, 2025 and authorised for issue on May 27, 2025.

Material Accounting Policy Information:

A. Basis of Preparation

a) Statement of Compliance:

These Consolidated Financial Statements are prepared in accordance with the Indian Accounting Standards ("Ind AS") specified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and the presentation requirements of Division II of Schedule III of Companies Act, 2013.

These Consolidated financial statements includes Balance Sheet as at March 31, 2025, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Cash flows and Statement of changes in equity for the year ended March 31, 2025, and a summary of material accounting policy information and other explanatory information (together hereinafter referred to as "Consolidated Financial Statements").

b) Basis of Measurement:

The consolidated financial statements have been prepared on a historical cost basis using the accrual method of accounting basis, except for the following assets and liabilities:

- (i) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments); and
- (ii) Net defined benefit plan where plan assets are measured at fair value

Accounting policies and methods of computation followed in the consolidated financial statements are same as compared with the annual consolidated financial statements for the year ended March 31, 2024, except for adoption of new standard or any pronouncements effective from April 01, 2024.

The Group has prepared the consolidated financial statements on the basis that it will continue to operate as a going concern.

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lakhs (except Earnings per share) as per the requirement of Schedule III, unless otherwise stated.

c) Basis of Consolidation:

Subsidiaries

The Consolidated Financial Statements comprise the financial statements of the Holding Company and its subsidiaries as at March 31, 2025. Subsidiaries are entities controlled by the Company.

Control exists when the Group:

- (a) has power over the investee,
- (b) it is exposed, or has rights, to variable returns from its involvement with the investee and

Notes Forming Part of the Consolidated Financial Statements

(c) has the ability to affect those returns through its power to direct relevant activities of the investee.

Relevant activities are those activities that significantly affect an entity's returns. The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements listed above.

In assessing control, potential voting rights that currently are exercisable and other contractual arrangements that may influence control are taken into account.

The financial statements of subsidiaries acquired or disposed of during the year are included in the consolidated financial statements from the effective date of acquisition and up to the effective date of disposal, as appropriate.

Inter-group transactions and balances including unrealised profits are eliminated in full on consolidation.

Non-controlling interests (NCI) in the net assets of consolidated subsidiaries are identified separately from the Group's equity. The interest of non-controlling shareholders are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non controlling interests' share of subsequent changes in equity.

Total comprehensive income is attributed to non-controlling interests even if it results in the non-controlling interest having a deficit balance. Changes in the Group's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Group.

When the Group loses control of a subsidiaries, the profit or loss on disposal is calculated as the difference between

- (i) the aggregate of the fair value of consideration received and the fair value of any retained interest and
- (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiaries and any non-controlling interests.

Amounts previously recognised in other comprehensive income in relation to the subsidiaries are accounted for (i.e., reclassified to profit or loss) in the same manner as would be required if the relevant assets or liabilities were disposed of. The fair value of any investment retained in the former subsidiaries at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting or, when applicable, the cost on initial recognition of an investment in an associate or jointly controlled entity.

Interests in joint arrangements

A joint arrangement is an arrangement of which two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

Joint ventures

The Group's interests in equity accounted investees comprise interest in joint venture. A joint venture is an arrangement in which the Group has joint control and has rights to the net assets of the arrangement,

Notes Forming Part of the Consolidated Financial Statements

rather than rights to its assets and obligations for its liabilities. Interest in joint venture is accounted for using equity method. They are initially recognized at cost which includes transaction costs. Subsequent to initial recognition, consolidated financial statements include the Group's share of profit or loss and Other Comprehensive Income (OCI) of equity accounted investees until the date on which joint control ceases.

Foreign Operations

These consolidated financial statements are presented in Indian rupees (INR). The functional currency of the Holding Company and its Indian subsidiary is INR. The functional currency of foreign subsidiaries is the currency of the primary economic environment in which the entity operates.

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are re-measured into the functional currency at the exchange rate prevailing on the balance sheet date. Exchange differences are recognised in the consolidated statement of profit and loss.

For the purpose of presenting consolidated financial statements, the assets and liabilities of the Company's foreign operations (having non INR functional currency) are translated to Indian rupees at the exchange rate prevailing on the balance sheet date, income and expenses of foreign operations are translated into INR at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Exchange differences arising on such translation are recognised as currency translation reserve under equity. Exchange differences arising from the translation of a foreign operation previously recognised in currency translation reserve in equity are not reclassified from equity to the consolidated statement of profit and loss until the disposal of the operation.

The Consolidated Financial Statements are comprised of the financial statements of the members of the Group as under:

Name of Related Parties	Principal Place of Business	% Shareholding and Voting Power	
		As at March 31, 2025	As at March 31, 2024

Prima Dee-Lite Plastics SARL - Joint Venture	Cameroon	50%	50%

d) Classification of Current / Non-Current Assets and Liabilities:

Operating Cycle:

"The operating cycle of an entity is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. When the entity's normal operating cycle is not clearly identifiable, it is assumed to be twelve months."

The Group has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities.

For the purpose of Balance Sheet, an asset is classified as current if:

- it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- it holds the asset primarily for the purpose of trading;

Notes Forming Part of the Consolidated Financial Statements

- (c) it expects to realise the asset within twelve months after the reporting period; or
- (d) the asset is cash or a cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

An entity shall classify all other assets as non-current.

Similarly, a liability is classified as current if:

- (a) it expects to settle the liability in its normal operating cycle;
- (b) it holds the liability primarily for the purpose of trading;
- (c) the liability is due to be settled within twelve months after the reporting period; or
- (d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

An entity shall classify all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current only.

B. Use of estimates and judgements

The preparation of consolidated financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the periods presented. Actual results may differ from these estimates and judgements.

The Management believes that the estimates and associated assumptions made in the preparation of these consolidated financial statements are based on historical experience and other factors that are considered to be relevant.

Estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognised prospectively.

The following are the significant areas of estimation, uncertainty, and critical judgements in applying accounting policies:

a) Estimates and assumptions:

(i) Useful Lives of Property, Plant & Equipment:

The Group reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

(ii) Defined Benefit Plans:

The accounting of employee benefit plans in the nature of defined benefit requires the Group to use assumptions. These assumptions have been explained under employee benefits note.

(iii) Impairment of investments in joint- venture:

Determining whether the investment in joint venture is impaired requires an estimate in the value in use of investments. The Group reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss. In considering the value in use, the Board of Directors have anticipated the future market conditions and other parameters that affect the operations of these entities.

Notes Forming Part of the Consolidated Financial Statements

(iv) Impairment of Financial Assets (other than at fair value):

The impairment provisions for Financial Assets are based on assumptions about risk of default. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

(v) Impairment of Non-Financial Assets:

The Group assesses at each reporting dates as to whether there is any indication that any Property, Plant and Equipment or Intangible assets or other class of an asset or Cash Generating Unit ('CGU') may be impaired. If any such indication exists, the recoverable amount of the assets or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.

(vi) Provisions

The Group estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change.

b) Judgements:

(i) Assessment of Lease term

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

(ii) Provision for income tax and deferred tax assets:

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions. The provision for taxation for the current year has been determined by the Management based on the tax position to be considered for tax filing and its assessment of the probability of acceptance of the same by the taxation authorities.

A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Group exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

(iii) Contingencies:

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management judgement is involved in classification under 'remote', 'possible' or 'probable' which is carried out based on expert advice, past judgements, experiences etc.

C. Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31,

Notes Forming Part of the Consolidated Financial Statements

2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind As 116 – Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements.

On May 07, 2025, MCA notified the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 01, 2025. The Group is currently assessing the probable impact of these amendments on its financial statements.

D. Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any.

Freehold land is measured at cost and is not depreciated.

Cost includes purchase price, non-recoverable taxes and duties, labour cost and direct overheads for self-constructed assets and other direct costs incurred up to the date the asset is ready for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of Profit and Loss when incurred.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Depreciation on property, plant and equipment's is calculated on pro-rata basis on straight-line method using useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013. The useful life is as follows:

No.	Nature	Useful Life
1	Buildings	30 – 60 years
2	Plant and Equipment	8 - 15 years
3	Furniture and Fixtures	10 years
4	Office Equipment	3 – 5 years
5	Vehicles	8 - 10 years

The useful lives are reviewed at each year end. Changes in useful lives are treated as change in accounting estimates.

The residual values are not more than 5% of the original cost of the assets. The asset's residual values and useful lives are reviewed and adjusted if appropriate.

An item of property, plant and equipment is derecognized on disposal. Any gain or loss arising from derecognition of an item of property, plant and equipment is included in the statement of Profit and Loss.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets.

The Group has chosen the carrying value of Property, Plant and Equipment existing as per previous GAAP as on date of transition to Ind AS i.e. April 01, 2015 as deemed cost.

Notes Forming Part of the Consolidated Financial Statements

E. Capital Work in Progress

Capital work-in-progress comprises of property, plant and equipment that are not ready for their intended use at the end of reporting period and are carried at cost comprising direct costs, related incidental expenses, other directly attributable costs and borrowing costs.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

F. Intangible Assets

Intangible assets acquired are reported at cost less accumulated amortisation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Amortisation on other intangible assets is calculated on pro rata basis on straight line method using the useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013. The useful life is as follows:

No.	Nature	Useful Life
1	Software	5 years

The residual value of intangible asset is Nil. The amortisation period for intangible assets with finite useful lives is reviewed at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

Intangible assets which are not ready for intended use as on date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible asset is derecognised on disposal or when no future economic benefits are expected from use. Gains or losses arising from derecognition of an intangible asset is calculated as the difference between the net disposal proceeds and the carrying amount of the asset. Such gains or losses is recognised in the statement of Profit and Loss.

G. Right of use assets

The Group assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether.

- (i) the contract involves the use of identified asset;
- (ii) the Group has substantially all of the economic benefits from the use of the asset through the period of lease and;
- (iii) the Group has the right to direct the use of the asset.

Group is the lessee

The Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily

Notes Forming Part of the Consolidated Financial Statements

determined, the Group uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise of fixed lease payments (less any lease incentives), variable lease payments, penalties, etc.

The lease liability is presented as a separate line in the Balance sheet.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Group remeasures lease liability and adjusts the right-of-use asset when the lease term changes, lease payments change due to an index or guaranteed residual value, or when a lease contract is modified.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset.

The right-of-use assets are presented as a separate line in Balance sheet. The Group applies Ind AS 36 Impairment of Assets to determine whether a right-of-use asset is impaired.

H. Investments in Joint Venture

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether joint control exists are similar to those necessary to determine control over the subsidiaries.

Investments in Joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in Joint ventures, the difference between net disposal proceeds and the carrying amounts are recognised in the statement of Profit and Loss.

I. Financial Instruments and Fair Value Measurement

(A) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. All financial instruments are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

Financial assets:

(i) Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through Statement of Profit & Loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

(ii) Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in two broad categories:

Notes Forming Part of the Consolidated Financial Statements

(a) Financial assets carried at amortised cost:

Financial assets that are held within a business model whose objective is to hold the asset in order to collect contractual cash flows that are solely payments of principal and interest are subsequently measured at amortised cost less impairment, if any. Interest income calculated using effective interest rate (EIR) method and impairment loss, if any are recognised in the statement of Profit and Loss.

(b) Financial assets at fair value:

- Financial assets at fair value through other comprehensive income (FVTOCI):

Financial assets that are held within a business model whose objective is achieved by both holding the asset in order to collect contractual cash flows that are solely payments of principal and interest and by selling the financial assets, are subsequently measured at fair value through other comprehensive income. Changes in fair value are recognized in the other comprehensive income (OCI). However, the Group recognises interest income and impairment losses and its reversals in the Statement of Profit and Loss.

On derecognition, cumulative gain or loss previously recognised in OCI is reclassified to the statement of profit and loss.

For equity instruments, the Group may make an irrevocable election to present in other comprehensive income (OCI) subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

- Financial assets at fair value through profit or loss (FVTPL):

A financial asset which is not classified in any of the above categories is subsequently fair valued through Statement of Profit and Loss.

For financial assets at FVTPL, net gains or losses, including any interest or dividend income, are recognised in the Statement of Profit and Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part) is derecognised (i.e. removed from the Group's balance sheet) when any of the following occurs:

- The contractual rights to cash flows from the financial asset expires;
- The Group transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- The Group retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients thereby substantially transferring all the risks and rewards of ownership of the financial asset; or
- The Group neither transfers nor retains substantially all risk and rewards of ownerships and does not retain control over the financial assets.

Notes Forming Part of the Consolidated Financial Statements

In cases where Group has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the Group continues to recognise such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Group also recognises an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

(iv) Impairment of financial assets

The Group applies expected credit losses ("ECL") model for measurement and recognition of loss allowance on the following:

- a) Trade receivables;
- b) Financial assets measured at amortised cost (other than Trade receivables).

In case of Trade receivables, the Group follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance.

In case of other assets (listed as b), the Group determines if there has been a significant increase in credit risk of the financial assets since initial recognition, if the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured as recognised as loss allowance.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Group reverts to recognizing impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that are possible within 12-month from the reporting date.

ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcome, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

As a practical expedient, the Group uses a provision matrix to measure lifetime ECL on its portfolio of trade receivables. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables is adjusted for forward-looking estimates. At each reporting date, the historically observed default rates and changes in the forward-looking estimates are updated.

ECL allowance (or reversal) recognised during the period is recognised as expense (or income) in the Statement of Profit and Loss.

Financial liabilities

(i) Initial recognition and measurement:

All financial liabilities are recognised at fair value on initial recognition. Transaction costs in relation to financial liabilities, other than those carried at fair value through profit or loss (FVTPL), are added to the fair value on initial recognition.

(ii) Subsequent measurement:

For the purpose of subsequent measurement, financial liabilities are classified as follows:

Notes Forming Part of the Consolidated Financial Statements

- Financial Liabilities at Amortised cost:

Financial liabilities are classified as financial liabilities at amortised cost by default. Interest expense calculated using effective interest method is recognised in the statement of Profit and Loss.

The effective interest method is the method of calculating the amortised cost of a financial liability and of allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

- Financial Liabilities at Fair value through profit or loss (FVTPL):

Financial liabilities are classified as FVTPL if it is held for trading or is designated as such on initial recognition. Changes in fair value and interest expense on these liabilities are recognised in the statement of Profit and Loss.

(iii) Derecognition:

A financial liability (or a part of a financial liability) is derecognised from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

Derivative financial instruments:

The Group enters into derivative financial instruments viz. foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. The Group does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of Profit and Loss.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Financial Liabilities & Equity Instruments:

- Classification as Debt or Equity: Debt and equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of financial liability and an equity instrument.
- Equity Instrument: An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Group are recognised at the proceeds received.

(B) Fair value measurements

Fair value of financial assets and liabilities is normally determined by references to the transaction price or market price. If the fair value is not reliably determinable, the Group determines the fair value using valuation techniques that are appropriate in the circumstances and for which sufficient data are available, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Notes Forming Part of the Consolidated Financial Statements

The Group determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

J. Income taxes

Income tax expense comprises current tax and deferred tax. Income tax expense is recognised in the statement of Profit and Loss except when they relate to items that are recognised outside of Profit and Loss (whether in other comprehensive income or directly in equity), in which case tax is also recognised outside Profit and Loss.

Current Tax:

Current income taxes are determined on the basis of respective taxable income. The current income tax is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Current tax assets and liabilities are offset only if, the Group:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred Tax:

Deferred taxes are recognised basis the balance sheet approach on temporary differences, being the difference between the carrying amount of assets and liabilities in the Balance Sheet and its corresponding tax base, that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax assets and liabilities are computed separately.

Deferred tax assets are recognised only to the extent it is probable that future taxable profits will be available against which such assets can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted as on the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets and liabilities are offset only if:

- a) the Group has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable Group.

L. Inventories:

Inventories are valued as follows:

Notes Forming Part of the Consolidated Financial Statements

Raw Materials, Stores and Packing Materials:

Valued at lower of cost and net realisable value (NRV) after providing for obsolescence and other losses, where considered necessary. The comparison of cost and net realisable value is made on an item-by-Item basis. However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. Cost is determined on Weighted Average basis which includes expenditure incurred for acquiring inventories like purchase price, import duties, taxes (net of tax credit) and other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Work-in-progress (WIP), finished goods, stock in trade:

Valued at lower of cost or NRV. Cost of finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities. Cost of inventories is computed on weighted average basis.

Waste / Scrap:

Waste/Scrap inventory is valued at NRV.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated cost necessary to make the sale.

M. Borrowing Costs:

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. assets which take substantial period of time to get ready for their intended use) are capitalised as part of the cost of that asset.

All other borrowing costs such as finance costs, interest expense on lease liabilities, etc. are recognized as an expense in the Statement of Profit and Loss in the period in which they are incurred.

N. Government Grants:

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attached to them and that the grants will be received.

Government grants related to income are recognised in the Statement of Profit and Loss in the period in which they become receivable.

Government grants relating to property, plant and equipment are presented as deferred income and are credited to the Statement of Profit and Loss on a systematic and rationale basis over the useful life of the asset.

O. Provisions, contingent liabilities and contingent assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if:

- (iv) the Group has a present obligation as a result of a past event,
- (v) a probable outflow of resources is expected to settle the obligation; and
- (vi) the amount of the obligation can be reliably estimated.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows.

Contingent liability is disclosed in case of

- (i) a present obligation arising from a past event when it is not probable that an outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability; or
- (ii) a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Notes Forming Part of the Consolidated Financial Statements

Contingent assets are neither recognized nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

P. Revenue from operations

(a) Recognition of revenue:

Revenue is recognised on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

(b) Measurement of revenue:

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentives, volume rebates and schemes, if any, as per contracts with customers. Transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring good or service to a customer. Taxes collected from customers on behalf of Government are not treated as Revenue.

(c) Performance obligations:

Sale of goods:

Revenue from contracts with customers involving sale of these products is recognized at a point in time when control of the product has been transferred at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Due to the short nature of credit period given to customers, there is no financing component in the contract.

Any amounts receivable from the customer are recognised as revenue after the control over the goods sold are transferred to the customer which is generally on dispatch of goods. Export sales are recognized on the issuance of Bill of Lading.

(d) Variable consideration:

This includes incentives, volume rebates, discounts etc. It is estimated at contract inception considering the terms of various schemes with customers and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.

(e) Schemes:

The Group operates several sales incentive scheme wherein the customers are eligible for several benefits on achievement of underlying conditions as prescribed in the scheme. Revenue from contract with customer is presented deducting cost of all these schemes.

(f) Significant financing components:

In respect of advances from its customers, using the practical expedient in Ind AS 115, the Group does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be within normal operating cycle.

(g) Export incentives:

Export incentives under various schemes notified by the Government have been recognised on the basis of applicable regulations, and when reasonable assurance to receive such revenue is established.

(h) Contract Balances:

Trade Receivables and Contract Assets

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Notes Forming Part of the Consolidated Financial Statements

An entity's right to consideration in exchange for goods or services that the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

Contract liabilities

A contract liability is the obligation to transfer goods to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

Q. Other Income:

- (a) Dividend income from investments is recognised when the shareholder's right to receive payment has been established.
- (b) Interest income is recognised using effective interest rate (EIR) method.

R. Employee Benefit Expenses:

(a) Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, incentives, etc. are charged to the Statement of Profit & Loss in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(b) Post-employment benefits:

The Group operates the following post employment schemes:

- (i) Defined contribution plans such as provident fund; and
- (ii) Defined benefit plans such as gratuity

(i) Defined contribution plan:

The eligible employees of the Group are entitled to receive benefits in respect of provident fund, for which both the employees and the Group make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are made to the Government Provident Fund monthly.

The Group has no obligation, other than the contribution payable to the funds. The Group's contributions to defined contribution plans are charged to the Statement of Profit & Loss as incurred.

(ii) Defined benefit plan

The Group has defined benefit plan for post-employment benefits, for all employees in the form of Gratuity administered through trust funded with Life Insurance Corporation of India. The Group's liabilities under Payment of Gratuity Act are determined on the basis of independent actuarial valuation.

The liability in respect of gratuity is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income (OCI) in the period in which they occur. Remeasurement recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss. Past service cost is recognised in the Statement of Profit and Loss in the period of a plan amendment. Interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset and is recognised in the Statement of Profit and

Notes Forming Part of the Consolidated Financial Statements

Loss.

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

The defined benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Group's defined benefit plan. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

S. Foreign Currency Transactions:

Foreign currency transactions are initially recorded at the rates prevailing on the date of the transaction. At the balance sheet date, foreign currency monetary items are reported using the closing rate. Exchange gains and losses arising on settlement and restatement are recognized in the Statement of Profit and Loss. Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rate at the date of the transaction.

T. Segment Reporting:

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

In accordance with Ind AS 108, Operating Segment, the Managing Director is the Group's chief operating decision maker ("CODM"). The CODM evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

U. Earnings Per Share:

The Basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/loss after tax for the year attributable to the equity shareholders is divided by the weighted average number of equity shares outstanding during the year adjusted for the effects of all dilutive equity shares.

V. Statement of Cash flows:

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

W. Cash and Cash Equivalents:

Cash and Cash Equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

X. Dividend:

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Group's Board of Directors.

Nature and purpose of reserves

- Securities Premium:** Securities Premium is credited when shares are issued at premium. It is utilised in accordance with the provisions of the Act, to issue bonus shares, to provide for premium on redemption of shares or debentures, write-off equity related expenses like underwriting costs, etc.
- General Reserve:** The General Reserve is used from time to time to transfer profits from retained earnings for appropriation purposes.
- Retained Earnings:** Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to investors. This includes remeasurement of defined benefit plans arising due to actuarial valuation of gratuity, that will not be routed through Statement of profit and loss subsequently.
- Translation reserve:** Translation reserve includes all resulting exchange differences arising from (a) translating the assets and liabilities foreign operations into Indian Rupees using exchange rates prevailing at the end of each reporting period and (b) translating income and expense items of the foreign operations at the average exchange rates for the period.

Note 34: Employee Benefits (Ind AS 19)

A. Defined Benefit Plans: Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Group and is in accordance with the rules of the Group for payment of gratuity. The Group's defined benefit plan is funded with Life Insurance Corporation (LIC) There are no other post retirement benefits provided by the Group. The present value of the defined benefit obligation, the related current service cost and past service cost, were measured using the projected unit credit method.

Inherent Risk :

The plan is defined in nature which is sponsored by the Group and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Group to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

*The Sensitivity Analysis have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Discount rate:

The Discount rate is based on the prevailing market rates of Indian government securities for the estimated term of obligation.

Salary Escalation Rate:

The estimates of future salary are considered taking into account inflation, seniority, promotion and other relevant factors.

Funding arrangements and Funding Policy

The Company has purchased an insurance policy to provide for payment of gratuity to the employees. Every year, the insurance company carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such valuation is funded by the Company.

Risk Exposure and Asset Liability Matching

Through its defined benefit plan of Gratuity, the Company is exposed to its number of risks, viz. asset volatility, changes in return on assets, inflation risks and life expectancy. The Company has purchased insurance policy, which is a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The Insurance Company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk.

The Group's expected contribution during next year is ₹23.64 lakhs (March 31, 2024 ₹2.75 lakhs)

B. Defined Contribution Plans:

Amount recognised as an expense and included in Note 28 under the head "Contribution to Provident and other Funds" of Statement of Profit and Loss is ₹62.95 lakhs (March 31, 2024 ₹59.47 lakhs).

Note 35: Segment Reporting (Ind AS 108):

Total	5,188.04	4,667.66

The carrying amount of financial assets and financial liabilities measured at amortised cost in the Consolidated Financial Statements are a reasonable approximation of their fair values since the Group does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Note 40: Financial Risk Management Objectives and Policies (Ind AS 107):

The Group's principal financial liabilities comprise of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Group's operations. The Group's principal financial assets include Investments, Loans and Other receivables, Cash and Cash Equivalents and Other Bank Balances that directly derive from its operations.

The Group is exposed to Market Risk, Credit Risk and Liquidity Risk. The Holding Company's senior management oversees the management of these risks. The Holding Company's senior management ensures that the Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

A. Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument.

The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and borrowings.

(a) Foreign Currency Risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the foreign currency borrowings, receivable against exports of finished goods, loan to foreign subsidiary, interest receivable on loan to subsidiary and the Group's net investments in foreign subsidiaries.

Notes Forming Part of the Consolidated Financial Statements

The Company evaluates exchange rate exposure arising from foreign currency transactions.

The Company follows established risk management policies and standard operating procedures and uses forward contracts, if required, to hedge exposure to foreign currency risk. Forward contract outstanding as on March 31, 2025 is USD 50,000 against foreign currency exposures. (March 31, 2024 USD Nil).

Outstanding Foreign Currency Exposure	As at March 31, 2025 (₹ in lakhs)	As at March 31, 2024 (₹ in lakhs)
Trade Receivables:		
USD	2,133.19	1,349.26
Borrowings:		
USD	8.17	138.83
Trade Payable:		
USD	427.69	209.13
Dividend Receivable:		
Euro	653.87	551.89

Foreign Currency Sensitivity on unhedged exposure:

Impact on profit before tax due to increase in foreign exchange rate by 100 bps :

Sensitivity Analysis:

The following tables demonstrate the sensitivity to a reasonably possible change in USD, Euro exchange rates, with all other variables held constant. The impact on the Group's profit before tax is due to changes in the fair value of monetary assets and liabilities. Sensitivity due to unhedged Foreign Exchange Exposures is as follows:

Particulars	Year ended March 31, 2025 (₹ in lakhs)	Year ended March 31, 2024 (₹ in lakhs)
USD	16.54	10.01
Euro	64.54	5.52

Note: If the rate is decreased by 100 bps profit will decrease by an equal amount.

(b) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowing with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

Particulars	Year ended March 31, 2025 (₹ in lakhs)	Year ended March 31, 2024 (₹ in lakhs)
INR	40.11	36.25

Notes Forming Part of the Consolidated Financial Statements

Note: If the rate is decreased by 100 bps profit will increase by an equal amount.

Interest rate sensitivity has been calculated assuming the borrowings outstanding at the reporting date have been outstanding for the entire reporting period.

B. Credit Risk :

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily Trade Receivables), and from its investing and financing activities including Deposits with Bank, Security Deposits, Loans to Employees and other financial instruments.

(a) Trade Receivables :

Trade receivables are consisting of a large number of customers. The Group has credit evaluation policy for each customer and based on the evaluation credit limit of each customer is defined.

Total Trade receivable as on March 31, 2025 ₹ 5,113.08 lakhs (March 31, 2024 ₹3,641.24 lakhs). The Group does not have higher concentration of credit risks to a single customer.

As per simplified approach, the Group makes provision of expected credit losses on trade receivables using a provision matrix to mitigate the risk of default payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

As per policy, Receivables are classified into different buckets based on the overdue period ranging from 3 months to more than 3 years. There are different provisioning rates for government receivables and other receivables, each category having provision ranging from 2% to 100%. (Refer Note No.8)

Movement of Allowances for Credit Loss

Particulars	Year ended March 31, 2025 (₹ in lakhs)	Year ended March 31, 2024 (₹ in lakhs)

Add: Provided during the Year	23.72	52.84
Less: Reversed during the Year	(9.47)	(2.82)
Closing Provision	211.14	196.89

(b) Cash and Cash Equivalent and Bank Deposit:

Credit Risk on cash and cash equivalent, deposits with the banks/financial institutions is generally low as the said deposits have been made with the banks/financial institutions who have been assigned high credit rating by international and domestic rating agencies. Investments of surplus funds are made only based on Investment Policy of the Group

C. Liquidity Risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. Senior management of the Group is responsible for liquidity, funding as well as settlement management. Management monitors the Group's liquidity position through rolling forecasts on the basis of expected cash flows.

INDEPENDENT AUDITOR'S REPORT

To The Members of Prima Innovation Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Prima Innovation Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the period June 20, 2024 to March 31, 2025, and a summary of material accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its loss, total comprehensive income, its cash flows and the changes in equity for the period ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for preparation of the other information. The other information comprises the information used in Board's Report including Annexures to Board but does not include the financial statements and our auditor's report thereon. The other information as above is expected to be made available to us after the date of this audit report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SA's will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management;
- Conclude on the appropriateness of Management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this report are in agreement with the relevant books of account;
 - d) In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements comply with the Ind AS;
 - e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) As disclosed in note no. 9 to the financial statements, the Company does not have any pending litigations which would impact its financial position;

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
- iv.
 - a) The Management has represented that, to the best of its knowledge and belief, as disclosed in note no. 17(vii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in note no. 17(viii) to the financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(c), as provided under (a) and (b) above, contain any material misstatement;
- v. The company has not declared or paid any dividend during the period and has not proposed final dividend for the period;
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the period ended March 31, 2025, which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the period for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.

In our opinion and to the best of our information and according to the explanations given to us, no remuneration is paid by the Company to its directors during the period and hence reporting for the provisions of Section 197 of the Act is not applicable to the Company.

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of Prima Innovation Limited ("the Company") as of March 31, 2025, in conjunction with our audit of the financial statements of the Company for the period ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial

statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial

statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
